Tiny Crimes Lincoln Michel,Nadxieli Nieto,2018-06-05 Forty very short stories that reimagine the genre of crime writing from some of today's most imaginative and thrilling writers "An intriguing take on crime/noir writing, this collection of 40 very short stories by leading and emerging literary voices—Amelia Gray, Brian Evenson, Elizabeth Hand, Carmen Maria Machado, Benjamin Percy, Laura van den Berg and more—investigates crimes both real and imagined. Despite their diminutive size, these tales promise to pack a punch." —Chicago Tribune, 1 of 25 Hot Books for Summer Tiny Crimes gathers leading and emerging literary voices to tell tales of villainy and intrigue in only a few hundred words. From the most hard-boiled of noirs to the coziest of mysteries, with diminutive double crosses, miniature murders, and crimes both real and imagined, Tiny Crimes rounds up all the usual suspects, and some unusual suspects, too. With illustrations by Wesley Allsbrook and flash fiction by Carmen Maria Machado, Benjamin Percy, Amelia Gray, Adam Sternbergh, Yuri Herrera, Julia Elliott, Elizabeth Hand, Brian Evenson, Charles Yu, Laura van den Berg, and more, Tiny Crimes scours the underbelly of modern life to expose the criminal, the illegal, and the depraved.

Chris Cheng won the title of "Top Shot," a \$100,000 cash prize, and a professional marksman contract with the show sponsor, Bass Pro Shops. How did a tech support guy who didn't shoot a lot of guns beat out seventeen other competitors—including seasoned military veterans, law enforcement officers, and pro marksmen—in History Channel's Top Shot season 4? An excellent guide for beginning shooters, Cheng focuses on the basics and ammunition of pistols, rifles, and shotguns, marksmanship fundamentals, and buying a firearm. Tiny Nightmares Lincoln Michel,Nadxieli Nieto,2020-10-13 A collection of horror-inspired flash fiction, featuring over 40 new stories from literary, horror, and emerging writers—edited by Lincoln Michel and Nadxieli Nieto, the twisted minds behind Tiny Crimes: Very Short Tales of Mystery and Murder In this playful, inventive collection, leading literary and horror writers spin chilling tales in only a few pages. Each slim, fast-moving story brings to life the kind of monsters readers love to fear, from brokenhearted vampires to Uber-taking serial killers and mind-reading witches. But what also makes Tiny Nightmares so bloodcurdling—and unforgettable—are the real-world horrors that writers such as Samantha Hunt, Brian Evenson, Jac Jemc, Stephen Graham Jones, Lilliam Rivera, Kevin Brockmeier, and Rion Amilcar Scott weave into their fictions, exploring how global warming, racism, social media addiction, and homelessness are just as frightening as, say, a vampire's fangs sinking into your neck. Our advice? Read with the hall light on and the bedroom door open just a crack. Featuring new stories from Samantha Hunt, Jac Jemc, Stephen Graham Jones, Rion Amilcar Scott, and more!

Rural Teacher Education Michael Corbett,Dianne Gereluk,2020-02-15 This book examines challenges associated with the education of teachers in and for rural places. It offers a new perspective with respect to how Canadian educators are shifting the conversation toward a hopeful discourse concerning how educators can foster meaningful rural learning environments, which will contribute to building stronger rural communities and regions. A central focus of the book is emerging reconceptualization of education, place and indigeneity in Canadian education in the wake of the Truth and Reconciliation Commission Though the challenge of addressing rural teaching and learning lies partly in the nuances and complexities of unique places, there are also common threads that affect virtually all communities in rural, regional and remote educational, cultural, economic, and social geographies. Chapters in this collection provide current research in Canadian rural education including examples and stories from the field – contributed by teachers, administrators, and superintendents – on the challenges and creative opportunities that they have discovered in their own rural context, giving hope and inspiration for what is possible. The book will appeal to all readers interested in rural education and teacher education, as well as to those concerned with educational inequality and indigenous education.

Warhol-isms Andy Warhol,2022-05-10 A unique collection of brilliant quotations from the legendary Pop artist One of the most influential artists of his time and ours, Andy Warhol is nearly as renowned for what he said as for what he did. Indeed, he is so quotable that things he never said are endlessly and plausibly attributed to him, including, fittingly, the most celebrated fake Warhol saying—"In the future, everyone will be world-famous for 15 minutes." Warhol-isms separates legend from fact to present a unique and comprehensive collection of authentic quotations from the Pop artist. Gathered from interviews and other primary sources, these deadpan, droll, ironic, and sincere gems—in which a superficial embrace of superficiality often disguises provocative, unconventional ideas—provide compelling insights into the life and work of an artist who has left an indelible mark on art and popular culture. Select quotations from the book: I think an artist is anybody who does something well.I went to [a psychiatrist] once, and he never called me back.They always say that time changes things, but you actually have to change them yourself.I’ve never met a person I couldn’t call a beauty.New things are always better than old things.I’m still a commercial artist. I was always a commercial artist.
