THE ALL-PRO Scott Sigler,2011-09-05 THE ALL-PRO is the third book in the Galactic Football League series, following on THE ROOKIE and THE STARTER. Seven centuries into the future, aliens and humans compete for the greatest prize in the universe: the Galaxy Bowl trophy. Quarterback Quentin Barnes enters his third season at the helm of the Ionath Krakens. He's re-shaped the team in his image, and the time for excuses is over -- it's win, or be replaced. Quentin's championship quest carries he and his teammates across the galaxy in a brutal twelve-game season fraught with injury and death. But he faces more than just on-field challenges. As he enters a free-agent year, several franchises vie for his services. Will he play for a new team, or will he remain with his beloved Krakens. And then there's the slight distraction that someone, somewhere, is trying to assassinate him - and he doesn't know why. The GFL series is described as STAR WARS meets REMEMBER THE TITANS meets THE GODFATHER. Join the Krakens as they fight to take the title and achieve immortality.

Digital Renaissance Joel Waldfogel, 2020-12-08 How digital technology is upending the traditional creative industries—and why that's a good thing. The digital revolution poses a mortal threat to the major creative industries—music, publishing, television, and the movies. Cheap, easy self-producing is eroding the position of the gatekeepers and guardians of culture. Does this revolution herald the collapse of culture, as some commentators claim? Far from it. In *Digital Renaissance*, Joel Waldfogel argues that digital technology is enabling a new golden age of popular culture—a digital renaissance. Analyzing decades of production and sales data, as well as bestseller and best-of lists, Waldfogel finds that the new digital model is just as powerful at generating high-quality, successful work as the old industry model, and in many cases more so.
