Jazz and Blues Musicians of South Carolina Benjamin Franklin V, 2021-03-09 An oral history of musical genres from the Palmetto State musicians who helped define the sounds From Jabbo Smith, Dizzy Gillespie, and Drink Small to Johnny Helms, Dick Goodwin, and Chris Potter, South Carolina has been home to an impressive number of regionally, nationally, and internationally known jazz and blues musicians. Through richly detailed interviews with nineteen South Carolina musicians, jazz historian and radio host Benjamin Franklin V presents an oral history of the tradition and influence of jazz and the blues in the Palmetto State. Franklin takes as his subjects a range of musicians born between 1905 and 1971, representing every decade in between, to trace the progression of these musical genres from Tommy Benford's and Jabbo Smith's first recording sessions in the summer of 1926 to the present day. Diverse not only in age but also in race, gender, instruments, and style, these musicians exemplify the breadth of South Carolina's jazz and blues performers. In their own colorful words, the musicians recall love affairs with the distinctive sounds of jazz and blues, indoctrinations into the musical world, early gigs, fans, drugs, military service, amateur night at the Apollo Theater, and influential friendships with other well-known musicians. As the story of the South Carolina musical scene is tightly interwoven with that of the nation, these narratives also include appearances by Tony Bennett, Miles Davis, Count Basie, Helen Merrill, Pharoah Sanders, Sister Rosetta Tharpe, and other significant musicians. These interviews also document the lasting value of music education. In particular they stress the

importance of the famed Jenkins Orphanage in Charleston and of South Carolina State University in Orangeburg in nurturing young musicians' talent. Arranged in chronological order by the subjects' birth years, these interviews are augmented by photographs of the musicians, collectively serving as a unique record of representative jazz and blues musicians who have called South Carolina home.

East Before South: Travelogue 04 K.K. Pierscieniak, 2013-12-13 East Before South is the tale of a very long trip that began, innocently enough, with a fabulous party in Rio de Janeiro. The journey will take you on a ride in rattletrap buses, dugout canoes, camel trucks, army convoys, sea ferries, and clapped-out trains. It will take you through places not on any map. With hundreds of (sometimes) irreverent travel anecdotes of the kind you just won't find in any other travel book, it's the unvarnished truth. It will show you the world the way it really is. From Rio, the road took me across the heartland of Brazil to Belem at the mouth of the mighty Amazon and upriver into the heart of the jungle. Then down the coast for the Carnaval and further down still, hugging the beaches, toward Argentina and Buenos Aires. Tango. To the very tip of the continent: wind-blasted Patagonia. Up again, a yoyo trip, north to Salta, and through the unofficial border to Bolivia's wild west. Then: a transcontinental flight to Europe: family and friends in Poland, then —Quickly!— across the Baltic

Republics to the Russian border, where I was arrested and deported before I could properly enter the country. Two days later, back again, toward Moscow again, and farther east still, always east, on the Tran Siberian Express bound for Ulan Bator. A weeklong journey across the wasteland of Siberia to Mongolia: there are roads there, yes, like there are tracks on Mars. The Mongolians have a saying: “Two Chinese are worth one Korean. Two Koreans are worth one Japanese. Two Japanese are worth one Mongolian.” But that, of course, is a lie. South, then, toward Beijing and then more south to Shanghai and more south still to Hong Kong: stopping in places for reasons that are never specifically clear, the road taking me ever farther from the beginning. Hot-air balloon over Guilin. Then Bangkok in a blur: after a day of intensive culinary tuition, I can now burn Thai food with as much efficiency as I burn everything else. Then an island where I've been before —Ko Samui— which is no longer the same. Back to Bangkok. To Borneo. Back to Bangkok. To Manila. Then Alaska. Then half-neglected, half-lost, the ancient city of Leh: prophetic words on the roof of the world, their truth distilled to its crudest essence. Then, finally, South Korea: “The Soul of Asia” as proclaim the tourist slogan slapped across the fleet of taxis that cruise the wide boulevards of Seoul. From Korea, from Japan, around the Ring of Fire: Taipei, albeit ever so quickly: touch-and-go, really. KL for a massage. Singapore for the Singapore Sling. Then from the coffee plantations and volcanoes of Java to the primary rainforests and spiritual smorgasbord of Sulawesi and Bali: surfers' paradise. Indonesia encompasses over 13,000 islands with 336 ethnic groups and a borderless rainbow babel of different languages, cultures and traditions. In addition to coffee-colored Hindus, Christians and Buddhists, this is the home of more Muslims than all the Middle East. Linking the islands is the lingua franca of Bahasa and an underlying songline of history: animist religions are uniting threads that cross oceans, adding layers of meaning to the word “multicultural”. Here some Muslims drink beer and arak in addition to java; some worship Buddha, Vishnu, Krishna, and Jesus in addition to Allah; while others leave offerings to good and evil pagan spirits (tourists included). In fact, clutched in the talons of the mythical Garuda, the national airline and state crest, is the motto “Unity in Diversity”. I muse about that in an undertaker's shop, where he sells coffins and Coca-Cola side-by-side, and at the same time, it seems. There was much more. I hitched rides on logging trucks and dugout canoes, traveling often alone, crisscrossing language-zones and time-zones, transfixed by an idea of the world..., a way around it. The fourth book of the Travelogues, East Before South is a story of that trip.

At Odds with the Gods Elaine Kingsbury, 2020-12-16 At Odds with the Gods: A Series of Rants' by Elaine Kingsbury By: Elaine Kingsbury Elaine Kingsbury's first book is an honest look at the human condition as put into place by “the gods,” who apparently set it in motion intentionally by their willful and deliberate design. It is an outspoken, bold look at human behavior and appearance in modern day society. At times comical, and at times quite matter-of-fact, At Odds with the Gods is a playfully irreverent rant against “the gods” for all that they somehow allowed to go horribly wrong at “The Drawing Board.” Her heartfelt rants and complaints will resonate with many who have at least experienced the same thoughts and observations, but perhaps have never expressed

them. Her book insists on the healthiness and necessity of ventilating. It is as if we are all being given permission to GO AHEAD AND RANT!

Object Stories Steve Brown,Anne Clarke,Ursula Frederick,2016-06-16 Archaeologists are synonymous with artifacts. With artifacts we construct stories concerning past lives and livelihoods, yet we rarely write of deeply personal encounters or of the way the lives of objects and our lives become enmeshed. In this volume, 23 archaeologists each tell an intimate story of their experience and entanglement with an evocative artifact. Artifacts range from a New Britain obsidian tool to an abandoned Viking toy boat, the marble finger of a classical Greek statue and ordinary pottery fragments from Roman England and Polynesia. Other tales cover contemporary objects, including a toothpick, bell, door, and the blueprint for a 1970s motorcar. These creative stories are self-consciously personal; they derive from real world encounter viewed through the peculiarities and material intimacy of archaeological practice. This text can be used in undergraduate and graduate courses focused on archaeological interpretation and theory, as well as on material culture and story-telling.
