A Grind Is a Terrible Thing to Waste N.S. Hood, 2022-08-04 There are two roads to take on this journey called Life. The right way, which is summed up at times as “The Good Life.” On the other hand, some people take a left which is “The Street Life.” A lot of young niggas take this route not always because they want to, but because that’s the only road in the middle of nowhere. America was built on the same. Come ups that are

considered crimes today. Fraud, Robbery, Murder and Grand larceny. The problem is the youth is more up front with the truth, too much exposure can effect an entire generation. That can make life crazy. The unbelievable is always reality. The unpredictable is always anticipated. Funny thing is only a selected few realize what they see is only an illusion, what they need is always confused with what they want. Priority is always confused with "I'll do it eventually." If only we could see are mistakes for what they are. No one is perfect, Do to our creator, but if there was a such thing as an equal perfect would the world still be kaotic with envy and hatred? Of course, nothing has changed. It's still a war being waged amongst one another everyday. Individuals don't think individually they let others control their mind because they are weak minded. They are controlled, by people around them, almost like a child that depends on you to feed them whatever you give them, they are trusting you to give them something to fulfill their hunger. They eat it without question or suspicion just like the people that you surround yourself with. They feed you whatever they think you mind will eat. If you let them, they will feed you whatever they went. Whether its lies, the truth, or entertainment; whatever to fulfill the satisfaction of acceptance.

A Cold Night for Alligators Nick Crowe, 2012-06-05 A thrilling Knopf New Face of Fiction debut, *A Cold Night for Alligators* takes the reader on a breathtaking ride through the seedy, sensual Florida Everglades, unravelling a mystery at the heart of which lies a devastating family secret. Twenty-six-year-old Jasper hasn't seen or heard from his older brother, Coleman, in over ten years. Not since Coleman walked through the back gate one morning, leaving behind a distraught family concerned by his increasingly outlandish behaviour. Now Jasper's life has come to an impasse – he has settled into a rather stultifying existence as a corporate drone, living with a girlfriend he doesn't quite know how to break up with. Until a freak accident and strange phone call change everything. With little more to go on than a random phone call, Jasper follows his brother's trail southward into the Florida Everglades where a family mystery from his childhood may hold the key to Coleman's disappearance. Accompanied by brawny, devout Donny and the extremely eccentric Duane, Jasper embarks on a series of misadventures involving a gorgeous swamp moll, an estranged aunt and alligator poachers as he gets deeper into his search for his brother. All roads seem to lead to Uncle Rolly Lee, a rock-and-rolling swamp rat whose rather rough exterior belies an even rougher interior.

Can Jasper uncover the secrets of the past and find his brother before he gets mired in the swamp and the machinations of Rolly Lee? Populated with unforgettable characters and a suspense-filled story at its heart, *A Cold Night for Alligators* is a first novel about loss, hope and the ties that bind family together.

Snow Struck Nick Courage,2022-02-15 An historic blizzard is raging across the eastern seaboard, and three unsuspecting kids are about to find themselves smack in the middle of it! Perfect for fans of the I SURVIVED series who are looking for a high-stakes adventure! Neither Elizabeth nor her little brother, Matty, have ever been north of Georgia. They're used to sandals and shorts, not boots and parkas. So when they fly to New York City to spend the holidays with their cousin Ashley, they want to experience one thing: SNOW! Ashley can't wait to show her cousins how magical

Manhattan is at Christmastime. But instead of a week of fun, what they get is an arctic blast that knocks out the power and plunges the skyscrapers into darkness. It's unreal: the blizzard covers the Statue of Liberty in ice and topples the famous Christmas tree at Rockefeller Center! When Ashley's dog, Fang, gets lost outside, the cousins take matters into their own hands. . . and are caught in the storm's dangerous path as they chase Fang across the frozen city. Can the little Pomeranian survive the cold, snow, and ice blanketing Manhattan? Can they?
