Entrepreneurial Ecosystems in Unexpected Places Veneta Andonova, Milena S. Nikolova, Dilyan Dimitrov, 2018-11-19 This book sheds light on one of the biggest development issues of our time: how the rise of entrepreneurship and the associated mindset is likely to unfold in unexpected places and change socio-economic and political fortunes. Focusing on the Balkan Peninsula, the authors explore the early success of young entrepreneurial ecosystems in the region and highlight the dangers of direct comparison with more mature entrepreneurial centres. Offering fresh insights, this brand new book presents an analytical overview of the entrepreneurial domain that enabled Bulgaria to become the start-up capital of the Balkans. With empirical data gathered from over 80 interviews and case studies, the authors address the needs of decision-makers and managers in many countries which are on the path towards nurturing entrepreneurial ecosystems.

**Warhol-isms** Andy Warhol, 2022-05-10 A unique collection of brilliant quotations from the legendary Pop artist One of the most influential artists of his time and ours, Andy Warhol is nearly as renowned for what he said as for what he did. Indeed, he is so quotable that things he never said are endlessly and plausibly attributed to him, including, fittingly, the most celebrated fake Warhol saying—"In the future, everyone will be world-famous for 15 minutes." Warhol-isms separates legend from fact to present a unique and comprehensive collection of authentic quotations from the Pop artist. Gathered from interviews and other primary sources, these deadpan, droll, ironic, and sincere gems—in which a superficial embrace of superficiality often disguises provocative, unconventional ideas—provide compelling insights into the life and work of an artist who has left an indelible mark on art and popular culture. Select quotations from the book: I think an artist is anybody who does something well. I went to [a psychiatrist] once, and he never called me back. They always say that time changes things, but you actually have to change them yourself. I've never met a person I couldn't call a beauty. New things are always better than old things. I'm still a commercial artist. I was always a commercial artist.
