The Flight of Jesse Leroy Brown Theodore

Taylor, 2022-08-30 This biography of America's first African American naval aviator is a "compelling portrait of a quiet hero [and] the racial climate between 1926 and 1959" (Booklist). "In the late 1940s, when every aspiring black pilot had heard of the army's Tuskegee program, Jesse Leroy Brown set his sights on becoming a navy aviator. An outstanding student and top athlete, the 17-year-old's ambition was met with a combination of incredulity and resistance. Yet, at a time when Jim Crow laws were rampant, Brown managed to break the color barrier to become the first black U.S. Navy pilot. Taylor puts his considerable narrative skills to good use in tracing Brown's path from his youth in poverty-stricken Palmer's Crossing, Miss., to his eventual induction into the heady and dangerous world of carrier aviation. Taylor based much of his research on interviews with those who knew Brown and on personal letters from more than a half-century ago [and] doesn't skimp on the indignities Brown suffered. . . . An engaging and intimate glimpse of a young pioneer who desperately wanted to earn his aviator's wings."

—Publishers Weekly "More than a biography, this is a thrilling story of naval aviation and combat." —School Library Journal

Last Flight for Whiskey Mike Kenneth

Bartholomew, 2019-12-20 When the childhood friend and secret adviser to the president of the United States pilots his plane to Washington at the request of the man himself, he sets off a chain of events that will take him across the country and into the wilderness as he runs for his life. Despite promising his wife that he had quit the DC scene, Scott Piquard is once again answering the call because of looming war in Central America. Straying into the secret

tunnels deep below the White House with the security card given to him by President Brady, he overhears high-ranking officers plotting against Brady's life. Spotting him, they fire on him and make a radio transmission identifying Scott as a would-be assassin. Escaping to his airplane, he must take off into storm clouds and elude the overwhelming resources of the US military, using his outdoor survival skills to outwit his pursuers and try to save his own life and that of the president. Just as it looks like he will succeed, a double twist threatens their lives again in a dramatic conclusion. Last Flight for Whiskey Mike is a fantastic read. I loved what you did with the military scenarios. I have read all of Ludlum and Clancy, and this ranks up there with their top ten percent. —FBI regional supervisor (name withheld due to regulations)

Taking Flight Duo Alexander Belyaev, Alexander Grin, 2024-04-05 Two writers, two styles, two approaches to one subject. What if a human being could fly? Join the two lions of Russian/Soviet science fiction and fantasy – Alexander Belyaev and Alexander Grin, as they explore the possibility of a flying man from their unique viewpoints.

Taking Flight Michaela DePrince, Elaine DePrince, 2014 The memoir of Michaela DePrince, who lived the first few years of her life in war-torn Sierra Leone until being adopted by an American Family. Now seventeen, she is one of the premiere ballerinas in the United States--

The Making of a Chocolate Connoisseur Ronn Edmundson, 2001-10 There must be a sublime catalyst that inspires God's phenomenal works: music, poetry, literature, myths, rituals, mystical visions, paintings, sculptures, landscapes, seascapes, cuisines, adornments, wines and even the cosmos. Who has dynamically impacted His quintessential meditations? Surely the catalyst, the being in question must be the chocolate woman. She is the

inner vision in His transcendent consciousness. She is the sacred nectar for His eternal meditations that unfold daily in myriad manifestations. She is the sacred nutrition that sustains His bliss and electrifies His creations.

Shooting Water Devyani Saltzman, 2006 In February 2000, the author, daughter of award film maker Deepa Mehta, travelled to Benares to work with her mother, which was the opportunity to have a second chance in their relationship having being split up at the age of 11 years of age.

Dipped in Chocolate Anece Rochell, 2021-05-15 In a world where dark skin and textured hair have not always been celebrated, *Dipped in Chocolate* highlights the beauty of dark skin. This stunning book encourages children to embrace their chocolate skin tones and their beautiful hair.

How to Kill Your Best Friend Lexie

Elliott, 2022-06-21 If you suspected your best friend, the person you were closest to in the whole world, was a murderer, what would you do? Would you confront her? Would you help keep her secret? Or would you begin to feel afraid? Most importantly, why don't you feel safe now that she's dead? From the author of *The French Girl* comes a novel full of secrets, suspense, and deadly twists.

Georgie, Lissa, and Bronwyn have been inseparable since dominating their college swim team; swimming has always been an escape from their own problems, but now their shared passion has turned deadly. How can it be true that Lissa, the strongest swimmer they know, drowned?

Granted, there is something strange about Kanu Cove, where Lissa was last seen, swimming off the coast of the fabulous island resort she owned with her husband. Lissa's closest friends gather at the resort to honor her life, but Georgie and Bron can't seem to stop looking over their shoulders. Danger lurks beneath the surface of the crystal-

clear water, and even their luxurious private villas can't help them feel safe. As the weather turns ominous, trapping the funeral guests together on the island, nobody knows who they can trust. Lissa's death was only the beginning....

The Gifts (Vol 1- The Gifts: Trilogy) Patria Dunn-Rowe,2011-04-18 The Gifts: (Vol 1-The Gifts Trilogy)Nine gifts were stolen from a mythical man with wings ages ago. Those nine gifts found themselves transferred into human eggs, delved out through in vitro fertilization. These newly made beings were born into the world unbeknownst to man. There are dark spirits searching for those gifts, ready to reclaim them from the humans who have been created to bear them...When twenty-one year old Nahla Marks decides to start her junior year at Wake Forest university as an education major instead of continuing on the path to pre-med, everything seems to fall apart. Her world is turned upside down as this strange thing begins to manifest within her. Nahla fears she is loosing it until she meets Gideon, the man with the silky smooth voice and chocolate brown hair, who seems to understand exactly what Nahla is going through.Gideon knows the answers, but can Nahla trust him as her body begins to betray the fact that she may not be quite as human as she thought? Will Gideon be able to save Nahla from the dark spirits that are hunting them both?Three months ago no one even knew her name, but now, bound by a curse and on the run, there was no one else she could trust...but him.

Signs & Wonders Patria Dunn-Rowe,2011-04-18 Decisions Decisions....Nahla and Gideon say good bye to the first part of their journey to begin a new life together, their hearts set on finding the other seven gifts. Their honeymoon begins in a whirlwind of unexpected events, the first being the surprising arrival of what turns out to be

Nahla's sister, Rilyn-her parents biological daughter. Even more surprising was how she came to be accompanied by the newest member of their group, her adoptive brother Levi. It wasn't in the plan to start the search so soon, but there were now four of them, and with the added gift of prophecy and the gift of knowledge, they couldn't sit back and ignore Rilyn's mysterious dreams. Death to the Infidels! Was the clue they had to go on and it wasn't much. Could they trust Nahla's parents enough to introduce them to the daughter they'd never known? Would a newly changed Rilyn be able to fly sufficiently enough to make the journey with them? Somewhere deep in South Africa, Arulan & Osiah unknowingly waited to be found. Keepers of the gift to speak many tongues and the gift to interpret many tongues, revenge was what swirled within their auras. Outcast their entire lives, one thing they knew how to do was fight.

Ebony, 1979-02 EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

Brother in the Bush John Slaughter, 2009-03-01 Brother in the Bush is a coming-of-awareness memoir of what the experience of Africa can mean for a 21st-century African American. John Slaughter, a successful stockbroker, has "made it" as a black man in America, but his life is full of constant reminders of how violently fragile existence here really is. Not long after his Baltimore townhouse is invaded—and Slaughter confronts, shoots, and kills the intruder with his shotgun—he embarks on a series of trips to Africa that unfold over almost a decade. Along the way he discovers a way of life that transforms and deepens his identity as an African American. Seduced and humbled by the contrasting realities, beauties and dangers he

discovers in East Africa, Slaughter encounters different ways of life that begin to change his conceptions of life's purpose and meaning. Slaughter's vivid, blunt, and erudite narrative voice moves back and forth from his past growing up in the sixties and seventies to the present-tense of his journeys. Brother in the Bush unearths, probes and assesses the truths that Africa helps teach Slaughter about his life—and all of our lives—here in today's America.

The Black Widow Jerry Travis, 2008-11-18 Colt Frazier, a Phoenix ex-cop, now a private investigator, is hired by Sarah Wilson, a black woman, to find the person who killed her husband. She and her husband were being extorted for a million dollars from someone who called them, threatening that if they didn't wire the money to a Swiss account within twenty-four hours, someone dear to them would die. They didn't take the threat seriously and the husband was shot from long range and killed. Frazier and the woman track leads around the country, from Chicago to Louisville and finally to Las Vegas, where they find the killer and are nearly killed themselves. The plot ends in Omaha, Nebraska, in a final confrontation with the psychopathic extortionist involving Frazier and Sarah Wilson, Frazier's daughter and her husband, and a charming dog named Big Red.

Doctors in Flight Meredith Webber, 2017-01-21 City girl goes bush! Dr. Hillary Green never wanted to work in the Outback. But now she's been appointed to the Flying Obs and Gynae service, taking tiny planes to little rural hospitals, along with an airsick anesthetist and a boss who hates women registrars! Well, Hillary doesn't like him, either. Even if he is a terrific doctor...and even if his touch sends needles of excitement shooting up her arm....

Angels of a Lower Flight Susie Scott Krabacher, 2007-10-09 In this world, you were loved. The

inspiring story of how one woman's message of hope and opportunity will change the lives of an entire generation. Three schools, two orphanages, a hospital, and an abandoned-infant home -- constructed in the poorest country in the western hemisphere -- were the result of one quick television commercial. The ad was for a charity, asking for donations to help impoverished children in a third world country. Though author Susie Scott Krabacher had a little money to give, what she wanted was to hold the hand of every child she saw and tell them that they were not forgotten and that they too were important. When Susie called the charity, it wanted only monetary donations -- and every other overseas nonprofit she contacted couldn't or wouldn't take on an inexperienced volunteer. So Susie set out to change the children's lives on her own. In this heartbreaking and inspiring memoir, Susie Scott Krabacher tells how the pain in her past caused her to doubt if God really loved and protected her. From her abusive childhood to her experiences as a Playboy centerfold during the 1980s, Susie details with frank honesty how she lost her faith along the way and how her experiences helping children in Haiti, an impoverished nation only five hundred miles from Florida, brought God back into her life. In a country where 10 percent of all children die before the age of four, Susie mounted a brave effort to provide not just charity but opportunity. By treating the children she helps as individuals, Susie gives them the tools to save their own country. Although some of the children she's tirelessly worked to rescue do not survive, Susie will never again lose her faith.

Flight and Other Stories José Skinner, 2001 A collection of fourteen short stories by José Skinner.

Flight Lynn Steger Strong, 2022-11-10 'Suspenseful, dazzling and moving' Rumaan Alam 'Arresting and

powerful' Lily King 'Breathtakingly propulsive and insightful' Leslie Jamison It's 22 December and Henry, Kate and Martin are gathering with their partners and children at Henry and Alice's house in upstate New York. It's the first Christmas since their mother passed and without her ever-present advice and gentle nudges to connect with each other when they need it most, the siblings have grown distant. Their differences are all too apparent, from the lives they have forged for themselves to what they each want to do with their sole inheritance: their mother's house. As they try and fail and try again to create new picture-perfect memories, tensions and old resentments rise, but they are forced to unite when a local family calls for help. Compassionate and wise, *Flight* explores the meaning of family and home, and the gift of being together. Praise for Lynn Steger Strong 'Furious, aching and razor sharp' Emma Cline 'A deeply intelligent and sneakily moving novel about having the ground fall away beneath your feet. Strong ingeniously undercuts conventional wisdom about what it means to be a success in this world' Jenny Offill 'A defining novel of our age of left-behind families... as if Anne Helen Peterson's viral burnout article and John Steinbeck's oeuvre had a baby' *Vulture* 'Elizabeth's anxious, raw voice ties these threads together, coalescing into a story about the price women pay for craving what's just out of reach' *Time* magazine 'Through Elizabeth's experiences and in her propulsive voice, the novel explores race, class, privilege, coincidence, family, friendship and love' *Guardian* 'A smart, sharp novel' *Elle* 'Strong strips away at the imbalance of advantages that ultimately injure us all and the collisions that never cease. Yet, in this stunning novel, she never loses sight of the irrepressible desire to love, connect and forgive one another' *Observer*

New Zealand Birds and how to Identify Them Pérrine Moncrieff, 1975

The Political Ditto Yash Wadwekar , Let's start at the beginning, ok? The Political Ditto opens with a New York Times interview of a somber and cynical ex-mayor. He's ashamed, guilt-ridden, discomforted, and his words are near-ominous. Assad Mallick's story is fictionalized, but it's not a fairy tale to political America. We trace his journey from a confused man, unsure of his ambitions, to an opportunist. We see him lose control and repeatedly try to regain it. And, more often than not, we wince as he does wrong things for the right reasons. This is a story of self-destruction, a kind of destruction that politics has and continues to perpetuate. If it is not stopped or challenged, the political ditto will keep swallowing good people like Assad and turning them into selfish, hypocritical politicians.
