Walt Whitman

Podcast Journalism David Dowling, 2024-03-19 Podcasting's stratospheric rise has inspired a new breed of audio reporting. Offering immersive storytelling for a binge-listening audience as well as reaching previously underserved communities, podcasts have become journalism's most rapidly growing digital genre, buoying a beleaguered news industry. Yet many concerns have been raised about this new medium, such as the potential for disinformation, the influence of sponsors on content, the dominance of a few publishers and platforms, and at-times questionable adherence to journalistic principles. David O. Dowling critically examines how podcasting and its evolving conventions are transforming reporting—and even reshaping journalism's core functions and identity. He considers podcast reporting's most influential achievements as well as its most consequential ethical and journalistic shortcomings, emphasizing the reciprocal influences between podcasting and traditional and digital journalism. Podcasting, both as a medium and a business, has benefited from the blurring of boundaries separating news from entertainment, editorial from advertising, and neutrality from subjectivity. The same qualities and forces that have allowed podcasting to bypass the limitations of traditional categories, expand the space of social and political discourse, and provide openings for marginalized voices have also permitted corporations to extend their reach and far-right firebrands to increase their influence. Equally attentive to the medium's strengths and flaws, this is a vital book for all readers interested in how podcasting has changed journalism.

Turn Up the Volume Michael O'Connell, 2017-06-26 Turn Up the Volume equips journalism students, professionals, and others interested in producing audio content with the know-how necessary to launch a podcast for the first time. It addresses the unique challenges beginner podcasters face in producing professional level audio for online distribution. Beginners can learn how to handle the technical and conceptual challenges of launching, editing, and posting a podcast. This book exposes readers to various techniques and formats available in podcasting. It includes the voices of industry experts as they recount their experiences producing their own podcasts and podcast content. It also examines how data analytics can help grow an audience and provide strategies for marketing and monetization. Written accessibly, Turn Up the Volume gives you a clear and detailed path to launching your first podcast.

Amerime Wire Corey Floyd, Braheim Gibbs, Jp Simmons, 2021-05-06 Our magazine offers a BLERD (black nerd) perspective on nerd and pop culture. We cover comics and gaming conventions. We interview artists, writers, actors, and gamers... review comic books, manga, anime, and movies... and for your reading enjoyment, we publish sci-fi, fantasy, steampunk, and paranormal romance flash fiction and short stories. We are where artistry meets anarchy. We are AMERIME! COMIC REVIEWS: The Last Ronin, Invincible GAMING REVIEWS: Bio Mutant, Hood Outlaws and Legends ANIME REVIEW: Jujutsu Kaisen FLASH FICTION: The Mother Machine, The Witching Hour COSPLAY: A conversation with Aaimztako, Amerime Cosplayer of The Month EDITORIAL: Gatekeeping in Cosplay MOVIE REVIEW: Mortal Kombat Dark Pearl Review, The Salty Truth about Batman The Soul Of The Dragon #MAYWIRE: Top 5 comic book, movie, and game releases

The Boondocks Aaron McGruder, 2012-12-11 The first anthology of the beloved comic strip that inspired the critically acclaimed Cartoon Network show. In 1999, Aaron McGruder launched a cultural phenomenon with his smart and bitingly satirical comic strip, The Boondocks. It centers on the experiences of two young African-American boys, Huey and Riley, who move from inner-city Chicago to the suburbs (or the boondocks to them). The strip fuses hip-hop sensibilities with Japanese anime-style drawings and a candid discussion of race. In this first collection of Boondocks cartoons, you'll discover the funny yet revealing combination of superb art and envelope-pushing content in one of the most unique strips ever.

The Universal Code of Signals for the Mercantile Marine of All Nations

Frederick Marryat, G. B. Richardson, 1854

Cheech Is Not My Real Name Cheech Marin, 2017-03-14 The long-awaited memoir from a counterculture legend. Cheech Marin came of age at an interesting time in America and became a self-made counterculture legend with his other half, Tommy Chong. This insightful memoir delves into how Cheech dodged the draft, formed one of the most successful comedy duos of all time, became the face of the recreational drug movement with the film *Up in Smoke*, forged a successful solo career with roles in *The Lion King* and, more recently, *Jane the Virgin*, and became the owner of the most renowned collection of Chicano art in the world. Written in Cheech's uniquely hilarious voice, this memoir will take you to new highs.

The Man in My Basement Walter Mosley, 2004-01-05 This masterpiece by celebrated New York Times bestselling author Walter Mosley is the mysterious story of a young Black man who agrees to an unusual bargain to save the home that has belonged to his family for generations. The man at Charles Blakey's door has a proposition almost too strange for words. The stranger offers him \$50,000 in cash to spend the summer in Charles's basement, and Charles cannot even begin to guess why. The beautiful house has been in the Blakey family for generations, but Charles has just lost his job and is behind on his mortgage payments. The money would be welcome. But Charles Blakey is black and Anniston Bennet is white, and it is clear that the stranger wants more than a basement view. There is something deeper and darker about his request, and Charles does not need any more trouble. But financial necessity leaves him no choice. Once Anniston Bennet is installed in his basement, Charles is cast into a role he never dreamed of. Anniston has some very particular requests for his landlord, and try as he might, Charles cannot avoid being lured into Bennet's strange world. At first he resists, but soon he is tempted -- tempted to understand a set of codes that has always eluded him, tempted by the opportunity to understand the secret ways of white folks. Charles's summer with a man in his basement turns into an exploration of inconceivable worlds of power and manipulation, and unimagined realms of humanity. Walter Mosley pierces long-hidden veins of justice and morality with startling insight into the deepest mysteries of human nature. The man at Charles Blakey's door has a proposition almost too strange for words. The stranger offers him \$50,000 in cash to spend the summer in Charles's basement, and Charles cannot even begin to guess why. The beautiful house has been in the Blakey family for generations, but Charles has just lost his job and is behind on his mortgage payments. The money would be welcome. But Charles Blakey is black and Anniston Bennet is white, and it is clear that the stranger wants more than a basement view. There is something deeper and darker about his request, and Charles does not need any more trouble. But financial necessity leaves him no choice.
