Florida Real Estate Continuing Education: the FLA.CE Program Stephen Mettling, David Cusic, Cheryl Davis, 2021-03-25 Performance Programs Company's newly minted Florida Real Estate Continuing Education Course (the "FLA.CE" Program) is a 14-hour course specifically designed for Florida real estate licensees and for their fulfillment of Florida's real estate continuing education requirements. As such, the course carefully complies with FREC requirements and specification for content coverage, organization length, format, and final examinations. The thrust of the course's content is to - provide a comprehensive yet terse review of key concepts and principles undergirding Florida brokerage and management practices - emphasize how to develop and maintain practical yet widely-accepted standards of professional real estate practice as codified by the Realtors Code of Ethics and FREC-promulgated regulations - highlight the more action-oriented aspects of brokerage practice as opposed to legal concepts, including risk mitigation, the basics of managing transactions, pricing property, completing contracts, financial analysis, closing, and, throughout, making conscientious and transparent disclosures. In fulfilling these course content benchmarks, we have tried to keep the topic summaries clear, simple and relevant. Ultimately, we hope they will serve the ongoing purpose of keeping you abreast of the industry's newest trends, developments, and new evolutions. Important note: The FLA.CE Program needs to be purchased through an approved Florida real estate school to receive credit. Buying and completing the FLA.CE book purchased here on Amazon will NOT earn you credit. Our FLA.CE text resource is to be in used in conjunction with a school's FLA.CE course.

Recognize the Difference Wendy Griffis,2019-03-12 Identifying a Skilled, Compassionate, and Knowledgeable professional real estate agent can be tough. The question of whom to choose when buying or selling a home is on a lot of people's minds--as I'm sure you know since you picked up this book in the first place. Because real estate agents are often seen as being one and the same, it's no surprise that consumers are swayed by more wallet-friendly opportunities. The truth is, understanding the real estate process is a much more involved decision than asking, How much is it going to cost? Instead, the question should be, Who am I going to use and why? In her book, *Recognize the Difference*, author Wendy Griffis educates you on the ways in which some real estate agents are different, and how to tell the good ones from the mediocre ones. Empowered with that knowledge, you can make an educated decision in choosing an agent based on what matters most to you--not just your wallet.

Florida Real Estate License Exam Prep Stephen Mettling,David Cusic,Ryan Mettling,Jane Somers,2022-10 Features of Florida Real Estate License Exam Prep (FL-RELEP): Florida Practices & Law Key Point Review in the same 19 sections as the 2023 FREC 1 prelicense course (80 pages) Real Estate Math Key Formula Review & Practice (20 pages) 20 Practice

Tests (575 questions with explanations also in FREC 1 order effective 1/1/2023) Florida License Exam Simulation (100 questions with explanations) We know the real estate licensing exam can be tough, and very nerve-wracking to prepare for. That's why we created the Florida Real Estate License Exam Prep (FL-RELEP) the way we did. Since we have been managing real estate schools and developing curriculum for forty years, we know how all this works – or fails to work. First, FL-RELEP is comprehensive. It contains both extensive content review as well as testing practice. And the text review, unlike most competing books, is Florida-specific – not just simplistic national content, but terse, relevant and accurate state and national laws and regulations presented as a set of 'key point reviews' ideal for pre-test memorization. FL-RELEP precisely follows the official 50+ page Florida syllabus topic by topic in the correct ordered sequence. Consequently, the material serves as a more user-friendly review for students who have taken pre-license courses throughout Florida containing this required content and organization. FL-RELEP's key point reviews are a succinct compression of tested national principles and practices drawn from our own Florida textbook, Principles of Real Estate Practice in Florida – one of the most widely used principles textbooks in Florida. Finally, our review content and question selection is tailored to follow the state testing outline promulgated by the state of Florida. A word about the tests. The FL-RELEP's test questions are designed to cover the content covered by the law reviews – which reinforces your learning of the total body of information tested by the state of Florida. The questions are direct, to the point, and designed to test your understanding. When you have completed a given test, you can check your answers against the answer key in the appendix. You may also note that each question's answer is accompanied by a brief explanation to further reinforce your understanding. In the end, as you know, it's all up to you. Unlike other publications, we are not going to tell you that using this book will guarantee that you pass the Florida state exam. It still takes hard work and study to pass. But we have done our best here to get you ready. Following that, the most we can do is wish you the best of success in taking and passing your Florida exam. So good luck!! We also sell the 540-page Florida principles textbook, Principles of Real Estate Practice in Florida
