**Home in Florida** Anjanette Delgado,2021-11-16 Independent Publisher Book Awards, Silver Medal for Anthology National Indie Excellence Awards, Finalist in the Anthology Category International Latino Book Awards, Gold Medal for Best Fiction (Multi-Author) International Latino Book Awards, Honorable Mention, Best Nonfiction (Multi-Author) A powerful collection of contemporary voices Showcasing a variety of voices shaped in and by a place that has been for them a crossroads and a land of contradictions, Home in Florida presents a selection of the best literature of displacement and uprootedness by some of the most talented contemporary Latinx writers who have called Florida home. Featuring fiction, nonfiction, and poetry by Richard Blanco, Jaquira Díaz, Patricia Engel, Jennine Capó Crucet, Reinaldo Arenas, Judith Ortiz Cofer, and many others, this collection of renowned and award-winning contributors includes several who are celebrated in their countries of origin but have not yet been discovered by readers in the United States. The writers in this volume—first- , second- , and third-generation immigrants to Florida from Cuba, Mexico, Honduras, Perú, Argentina, Chile, and other countries—reflect the diversity of Latinx experiences across the state. Editor Anjanette Delgado characterizes the work in this collection as literature of uprootedness, literatura del desarraigo, a Spanish literary tradition and a term used by Reinaldo Arenas. With the heart-changing, here-and-there perspective of attempting life in environments not their own, these writers portray many different responses to displacement, each occupying their own unique place on what Delgado calls a spectrum of belonging. Together, these writers explore what exactly makes Florida home for those struggling between memory and presence. In these works, as it is for many people seeking to make a new life in the United States, Florida is the place where the uprooted stop to catch their breath long enough to wonder, “What if I stayed? What if here could one day be my home?” Contributors: Daniel Reschinga | Ana Menéndez | Frances Negrón Muntaner | Hernán Vera Álvarez | Liz Balmaseda | Ariel Francisco | Andreina Fernandez | Amina Lolita Gautier PhD | Jennine Capó-Crucet | Dainerys Machado Vento | Carlos Harrison | Legna Rodríguez Iglesias | Judith Ortiz Cofer | Chantel Acevedo | Guillermo Rosales | Achy Obejas | Alex Segura | Patricia Engel | Anjanette Delgado | Mia Leonin | Carlos Pintado | Nilsa Ada Rivera | Natalie Scenters-Zapico | Pedro Medina León | Caridad Moro-Gronlier | Aracelis González Asendorf | Michael García-Juelle | Jaquira Díaz | José Ignacio Chascas-Valenzuela | Raúl Dopico | Javier Lentino | Yaddyra Peralta

This is a very easy to use method and will work with any type lottery games (scratch tickets or number games) in any state or country. Here are some quotes from people who have used his method: My husband and I used Richard Lustig's lotto method and within months of starting the method we hit a Mega Money jackpot for 2 million dollars! It was really easy to follow. You only play what you can and you can still win! Shaun and I will only play lotto from now on using these strategies. -Jennifer and Shaun, Florida Since we've been using your method, we have definitely been winning more that we used to. It's easy to follow - Dale, Florida I just wanted to let you know that my husband and I read through your lottery method last night. It seems great. It seems to be just simple logic and makes sense. -Kate, Illinois

**Don't Let the Lottery Ruin Your Life** Tracy Barton,2021-02-01 Ever wonder why there is a TV show called The Lottery Ruined My Life? How can winning the lottery ruin your life? Why are there people trying to sue the lottery commission because not only are they broke, but deeper in debt after winning a lottery jackpot? Why do many people who win the lottery go broke within the first year? Watching that show, and reading about these frivolous law suits got me curious about that very topic. I have done several years of research, and I have found several reasons—some very obvious and some not so obvious. The goal of this book is to prevent you from falling into the bankruptcy traps that have caught several people and allow you to truly enjoy the benefits of winning a lottery jackpot and not let it ruin your life.

**Sick Puppy** Carl Hiaasen,2001-05-01 Brilliantly twisted entertainment wrapped around a powerful ecological plea—from the New York Times bestselling author of Squeeze Me. When Palmer Stoa notices the black pickup truck following him on the highway, he fears his precious Range Rover is about to be carjacked. But Twilly Spree, the man tailing Stoa, has vengeance, not sport-utility vehicles, on his mind. Idealistic, independently wealthy and pathologically short-tempered, Twilly has dedicated himself to saving Florida's wilderness from runaway destruction. He favors unambiguous political statements—such as torching Jet-Skis or blowing up banks—that leave his human targets shaken but re-educated. After watching Stoa blithely dump a trail of fast-food litter out the window, Twilly decides to teach him a lesson. Thus, Stoa's prized Range Rover becomes home to a horde of hungry dung beetles. Which could have been the end to it had Twilly not discovered that Stoa is one of Florida's cockiest and most powerful political fixers, whose latest project is the malling of a pristine Gulf Coast island. Now the real Hiaasen-variety fun begins... Dognapping eco-terrorists, bogus big-time hunters, a Republicans-only hooker, an infamous ex-governor who's gone back to nature, thousands of singing toads and a Labrador retriever greater than the sum of his Labrador parts—these are only some of the denizens of Carl Hiaasen's outrageously funny new novel.

**Freedom Summer** Bruce Watson,2010-06-10 A riveting account of one of the most remarkable episodes in American history. In his critically acclaimed history Freedom Summer, award-winning author Bruce Watson presents powerful testimony about a crucial episode in the American civil rights movement. During the sweltering summer of 1964, more than seven hundred American college students descended upon segregated, reactionary Mississippi to register black voters and educate black children. On the night of their arrival, the worst fears of a race-torn nation were realized when three young men disappeared, thought to have been murdered by the Ku Klux Klan. Taking readers into the heart of these remarkable months, Freedom Summer shines new light on a critical moment of nascent change in America. Recreates the texture of that terrible yet rewarding summer with impressive verisimilitude. -Washington Post
