**Tropical Colors** Sakul Intakul, Wongvipa Devahastin Na

Ayudhya, 2012-10-30 In this stunning book, renowned Thai floral artist Sakul Intakul combines colorful tropical flowers, exotic foliage and other unusual design materials in refreshingly original floral displays suitable for any occasion and any setting. Photographed in the spectacular, contemporary homes of Thailand's leading artists, designers and professionals, the simple but imaginative floral displays evoke the essence of a modern Asian style. This refreshingly original book goes beyond the everyday—elevating tropical flowers from mere floral arrangements to meditative floral art installations that serve as dramatic design centerpieces in contemporary tropical homes. Created from a combination of exotic and colorful tropical flowers, plant materials—fibers and leaves from the banana and coconut, twigs from the bamboo—and other less orthodox materials like wire netting, the arrangements harmoniously blend a strong, usually three-dimensional structure with the sweet and subtle elements of flowers. Allow *Tropical Colors* to inspire you, adding a gorgeous Asian flair to your home!

**The Artistry of Flowers** María Gabriela Salazar, 2023-03-14

Bring beauty in the form of nature into your home and your lifestyle, no matter where you live, through artful floral arrangements, as well as indoor and outdoor flowering plants. *The Artistry of Flowers* encourages everyone to live with florals and to appreciate their beauty as we appreciate art. Celebrated floral designer Gabriela Salazar teaches us how to look at flowers and understand their characteristics from an artist's perspective. By exploring different shapes, colors, and textures, she shows us how to understand flowers and their living, transitory nature. Drawing on her painting background, Salazar looks

at floral arrangements as compositions. She highlights which type of blooms are best for different designs and shares building blocks for floral designs ranging from simple and sculptural to complex and colorful, including arrangements for any mood and different decor. Salazar inspires us to explore our creativity, empowering us to design our own arrangements. Combining philosophical and practical tips, such as appreciating how flowers change over time and working with fragility *The Artistry of Flowers* is a treatise on flower appreciation. The stunning photography by Ngoc Minh Ngo—known for Rizzoli books such as *In Bloom* and *Eden Revisited*—complements Salazar's enthusiastic instruction.

**Flower Designs** Charlene Tarbox, 2013-05-22 Elegant, finely detailed floral illustrations reproduce extremely well, lending themselves to a host of arts and crafts applications. Now artists and craftspeople can choose just the floral design they need from this practical archive of decorative and accurately rendered motifs. You'll find a rich bouquet of single blooms, clusters, sprays, wreaths, and borders, as well as mortised cuts and other configurations. This assortment includes 81 depictions of wild and garden flowers: sunflowers, columbine, peonies, delphinium, lilies, orchids, roses, and other natural beauties. A number are shown in circular, square, rectangular, and hexagonal frames while others are seen attracting butterflies, enhancing vases, and embellishing borders and corners. Delicate and graceful, these delightful images are ready to serve as a handy source of design inspiration or to be used in textile and wallpaper design, needlecraft, and other design projects.

**Living Art** Olivier Giugni, 2010-11-02 Olivier Giugni, the renowned floral artist, presents stunning portraits of his sumptuous creations in a variety of private homes, along with detailed

descriptions of their design and placement—and recipes for a dozen of his signature arrangements. Life is color and color is life. This is the mantra of Olivier Giugni, founder and owner of L'Olivier, the sleek floral design atelier in Manhattan. Far from Brignoles, the Provençal village where he grew up, Olivier reimagines the warmth, whimsy, style, and bursts of color from his native France in a singularly contemporary fashion, and in doing so, he has become one of the New York area's most beloved and acclaimed floral designers. Created from a breathtaking range of organic and sustainable material, Olivier's work becomes living sculpture, drawing from and reflecting back the signature elements of its surrounding environment. True to this vision, his gorgeous, lush arrangements of dramatic flowers and plants inspire and transform every space they occupy. In *Living Art*, Olivier walks readers through the homes of eighteen of his clients as well as his own, pointing out how their art, furnishings, and design preferences engage in a call-and-response with his unique arrangements. Along the way, Olivier's creative thought process is revealed, showing how composition, color, texture, and fragrance can have a subtle yet decisive impact on the energy of a room, enhancing and elevating mood and moment. *Living Art's* spectacular images illuminate this master florist's aesthetic approach in an accessible way. A gift for experienced arrangers or novices just learning to work with flowers, the book includes recipes for twelve of Olivier's unique arrangements, offering novel ways to style flowers, plants, and foliage—from cascade to orchid garden to bouquet. The poetic, playful creativity featured in *Living Art* will move and spark the imagination of all those who are passionate about flowers.

**de Gournay** Claud Cecil Gurney, 2020-10-06 Renowned for its elegant hand-painted wallpapers and textiles, de Gournay creates some of the most beautiful interiors in the world. Celebrated for its hand-painted chinoiserie wallpapers, sumptuous patterns of colorful flora and varied birdlife, the company produces additional collections that explore historical themes, such as nineteenth-century French pastoral scenes or exotic Brazilian landscapes bursting with wildlife. De Gournay also crafts more abstracted designs that fit well with modern interiors. Collaborating with renowned tastemakers from across creative industries, de Gournay works with leading interior designers as well as noted trendsetters such as Kate Moss. This volume showcases de Gournay designs in situ, in beautiful interiors created by top designers in homes from San Francisco and New York to London, Paris, and beyond. The book explores de Gournay interiors in both city and country settings, how to take inspiration from English stately homes, and how custom wallpaper designs are created. Full of inspiring interiors and design ideas, de Gournay is an in-depth look at the stunning creations of one of the most prestigious and influential design houses of today.

*Oriental Flower Designs* Polly Pinder, 2004 Decorative floral borders, stylised frames, patterns and motifs are included, with many different flowers finely illustrated. These classic designs will inspire craftspeople, artists, needleworkers and all those interested in creating their own original ideas and projects.

Floral Design for Weddings Linda Kevich, 2016-04-13 This is the first unit of the twelve-unit Wedding Floral Design Course by the prestigious International Institute of Weddings(tm). If you like what you learn in this Unit and decide to continue on to the other units that follow this one, upon successful completion of the course, you'll earn your certificate in Wedding Floral Design from The International Institute of Weddings(tm). You'll then know all there is to know to design flower arrangements for weddings, and will have learned the proper professional techniques and methods for designing: wedding

bouquets, boutonnieres, corsages, flower girl arrangements, centerpieces, reception decorations; plus church and ceremony flowers like pew markers, altar arrangements - and still so much more. Students of Any Age - No Previous Flower Arranging or Floral Design Experience Needed The Wedding Floral Design Course by the International Institute of Weddings(tm) is a highly specialized course focusing exclusively on wedding floral design. No funeral flowers or hospital arrangements like the lessons in so many other floral design courses - instead, we'll focus intensively on designing flowers for weddings - and only weddings. After all, weddings are where the glamour and excitement is! And If you'd like to turn your floral design skills into a business, career, or even just income in your spare time, weddings are DEFINITELY where the money is. In this unit we take you through a fascinating introduction to the exciting world of wedding floral design and flower arranging. Before you can dive into designing flowers for weddings, you need to have a good, well-rounded understanding of the field of wedding floral design so that you come across as knowledgeable and competent when working with bridal clients, prospective employers and other wedding vendors. The background knowledge you'll learn in this unit will not only be interesting and fun to learn, it will lay a solid foundation for the design lessons that are to follow in the subsequent units of the course (sold separately). Moreover, what you learn in this unit will increase your level of expertise and set you apart as a true professional as you go forward, as opposed to an amateur with no foundational knowledge to draw upon. If you're intrigued or excited by the idea of earning your certificate as a Wedding Floral Designer, this first unit of the course is a good place to start. It'll give you a good idea of whether this is something you really want to pursue. Satisfied Students All

Over the World I tried to find wedding floral design classes in my local area and all the classes were so expensive, most didn't even focus on wedding flowers which is really where my interest is, plus I didn't like the scheduling for those local wedding floral design classes. Learning from home has been great. In the end I'm really glad I took this home study wedding floral design course. I would have had to take numerous classes at much greater expense to learn what I've learned through this wedding floral design course. - Anabella Martinez, Dallas, Texas

Students who complete all units will master all the necessary skills, methods and professional techniques to design beautiful flowers for weddings. This is Unit 1 of the course. The complete course is divided into 12 individual units to give you a very thorough and fully comprehensive understanding and working knowledge of wedding floral design. Each unit lays the foundation for what you will learn in the units that follow. Think of each unit as an individual floral design class in itself. This first unit gives you the opportunity to sample the course material. If you are excited by what you learn here in Unit 1, you will find details in the manual, as well as a special offer, to enroll in the complete program if you want to go all the way and earn your certification as a Wedding Floral Designer. See for yourself why The Institute of Weddings(tm) has been an industry leader since 1999.

Style—modern florals bursting with color—brings energy and joy to interior design. Justina Blakeney and Anne Sage are fans of Ackerman’s work, and have this to say about her approach: “Bari’s designs are instantly recognizable . . . her style and her zest for life is visible in every brushstroke.” —Justina Blakeney “Bari captures the essence of maximalism. Her designs radiate joy, and her eye for color, pattern, and vibrant style inspires a desire to live life to the fullest!” —Anne Sage In her new book, Ackerman presents practical advice for adding interiors to every room of the house, along with easy DIYs, advice on staying within budget, and detailed source lists. Ackerman shows readers how to achieve a curated maximalist style and to seamlessly create a gorgeous, layered interior look that will spark joy and lift the mood of the whole house.

The Scandinavian Home Niki Brantmark, 2017-04-18 Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Scandinavia is famous for its distinctive style: homes are pared-back and simple, and form and function are combined to create aesthetically pleasing and practical interiors. Scandinavians are inspired by light, having an abundance of it in summer but so little of it in winter, and house designs tend to maximize the amount of natural light that enters the home, and allow the inhabitants to make the most of outdoor life during the summer. Similarly, nature and the weather are major influences: homes are made warm and cozy for the freezing winter months—not just literally with log burners, but also through incorporating wood and natural materials. Here Niki Brantmark, owner of the interior design

blog *My Scandinavian Home*, presents a wide-ranging collection of these beautiful homes and explores how the Scandinavian lifestyle is reflected in them all. The first chapter, *Urban Living*, features styles ranging from minimalist to bohemian, and pale palettes to dramatic dark colors. By contrast, the *Country Homes* tend to have a softer, calmer feel, through color and textiles, in line with a slower pace of life. Finally, the spectacular *Rural Retreats* include a mountain cabin, beach house, and rustic summer cottage, and demonstrate how having somewhere to escape to is so important to many Scandinavians. This collection of stunning interiors will put Scandi style within every reader's reach.

Floral Design Bo Morgan, Rebecca Wellner, 2019-05-11 Master The Art of Livening Up Living Spaces And Special Events With This Unconventional And Powerful Guide To Floral Design. Floral design can be surprisingly difficult. It may look easy at first—since flowers are

already beautiful, throwing together a few flowers and making a bouquet should be easy and pleasing to the eye-but that's not often the case. Coupled with the dearth of authoritative information on floral design, it easy to see why a lot of floral patterns may look colorful, but lack depth and a certain something that gives a flower arrangement that conveys a tangible feeling, atmosphere or mood. Unlike other books on floral design, most of which are often outdated and ill-adapted for the tastes of the modern world, Rebecca Wellner and Bo Morgan have teamed up to create a masterpiece on floral design that is as timeless as it's effective. While other books focus on step-by-step instruction on how to create particular floral designs, Wellner and Morgan show you how to actually think about floral design like an expert and intuitively make floral arrangements that are perfect for any and every occasion. Here's a preview of what you're going to discover in this guide: The five basic elements required for breathtaking floral designs Essential floral design tools you need to have How to think about colors and matching the right colors for your floral arrangement Foolproof flower identification guide to help you pick the right flowers for any event Mind-blowing floral arrangements for any event and how you can make them ...and tons more! Although designed for beginners and jam-packed with creative insights and indispensable techniques, *Floral Design: A Beginner's Guide To Floral Arrangements* contain a wealth of effective advice that can be implemented by anyone, regardless of skill level. **Home in Bloom** Ariella Chezar,2024-03-05 A vivid, inspiring look at the role of flowers and plants in interior design through the stunning, wild work of Ariella Chezar. *Home in Bloom* celebrates the

seamless integration of architecture, light, and natural landscapes into Ariella Chezlar's floral designs. Her talent for layering colors and combining improbable wild elements results in arrangements that are as gorgeous as they are dynamic. With each page, Ariella invites us to revel in the inherent drama of nature, encouraging us to infuse our living spaces with beauty and abundance, while fundamentally altering a room's energy through the transformative power of flowers. Organized into chapters that celebrate every room in the home—Welcome, Nourish, Celebrate, Pause, and Wilding—Home in Bloom takes us on a journey through spaces filled with incredible blooms that spark color and light. The arrangements in each chapter are accompanied by detailed captions that inspire us to walk outside and bring the wilds of nature into our own spaces. Filled with hundreds of gorgeous photographs of inviting spaces, this interior design book is full of unique inspiration for any flower lover.

**Moody Blooms Hb** GUILD, 2022-05-09 \* Evocative floral interiors from leading home and lifestyle company, Designers Guild \* Explores how flowers can influence atmosphere through simple, harmonious designs \* Quotes from artists and famous figures who found their inspiration in flowers In the designs of Tricia Guild, atmosphere is everything. Patterns, color, texture, furniture and furnishings interweave to create spaces that have all the depth and meaning of installation art. Yet just as an outfit never feels complete without a spritz of scent, a room without plants is only nearly complete. Only nearly perfect. At Designers Guild, Tricia Guild uses flowers, leaves and stems to enhance a room's mood, bringing soul to the spaces we live in. A flower has many spirits over the course of its life, from the promise of those first pristine and innocent buds, to the resplendent joy of full blooms and the wistful glory as they fade. The cycle of

nature provides an ever-evolving muse for Tricia Guild. Her latest book explores how blooms can evoke emotion, presenting a plethora of inspirational designs that breathe fresh life into our homes and workspaces.
