A Whisker of a Doubt Cate Conte,2020-12-01 It's promising to be a picture-purrfect Christmas at New England's favorite cat cafe . . . but instead of jolly old St. Nick, residents are being visited by murder. The fourth in a mystery series from author Cate Conte, *A Whisker of a Doubt* is filled with felines and crime. The holiday season on Daybreak Island is a mixed bag for Maddie James. On the one hand, her Christmas spirit is in the doghouse after a break-up. On the other, she's busy enough that she doesn't have to pretend to be merry. Business at her cat café is booming, and Maddie's care-taking of a feral cat colony in one of the area's wealthiest communities only helps her bottom line. But tensions between the homeowners and animal activists are escalating to catastrophic levels. . . and before long a body is found dead in a snowbank. To prove that her accused friend is innocent of the crime, Maddie will have to prowl the island for clues to the real killer before everyone on the island goes completely hiss-terical—and more than nine lives are lost.

Made in America Matthew O'Dell,2018-02-02 *Made in America* provides illuminating annotations to the unfiltered social media output of Donald J. Trump. Some of Trump's most outrageous, pre-presidential utterances are represented here. Autism, Trump says, is caused by combined vaccinations. Looking out the window, Trump asserts, can disprove climate change. Barack Obama, he suggests, is not American. In each instance, veteran journalist Matthew O'Dell provides cool and dispassionate research on why the President of the United States is not right.

Fifteen Minutes With... G. Michael Dobbs,2014-07-23 Perhaps the first question any journalist has when they land an interview is "How much time do I have?" Chances are you will have 10 to 20 minutes to speak with someone well known. That's not much time and it requires writers not only to prepare to use those few minutes wisely but also to be able to improvise. Journalist G. Michael Dobbs has been fortunate to have spoken with dozens of newsmakers and celebrities during his almost 40 year career. This volume of interviews includes conversations with people such as Vincent Price, Ray Bradbury, Dave Attell, Maureen O'Hara, Don McLean, Leonard Nimoy, Anne Rice, Lillian Gish, Buster Crabbe, Bill Cosby, William Gaines, Paula Poundstone, Rachel Maddow, Bob Backlund and many more.

The Anti-Trump Manifesto Maritza Iberico,2020-09-13 Under the hands of an expert manipulator, we are losing what really makes America great, the concept of the "American Dream." We are at a crossroads. It is not a matter of partisan ideology, but of common sense and about the will to preserve the principles of the United States of America. It seems like today the law has ended, and tyranny has begun. The government does not look like America, just as Trump. We must stop this insanity. This is my personal statement against Donald J. Trump. I am your everyday citizen, and I am standing up to him, expressing all my frustration at having him as our president, as the leader of the free world. So, let me be clear; this book is all about trashing Trump. This book is all about making a case for impeachment. It will be poetic justice. It will mean that at the end of this drama, the actors (the whistleblower, the witnesses, the Congressmen, and Senators; anyone who did the right thing,) will be the heroes of this story. It will be America's "all's well that ends well," as the Bard would say. We can only hope.

The Earth-Treader Alissa Zavalianos,2020-12-14 Eighteen-year-old Rylla Wayscot has always wanted to fly, but being human has its limitations. As a cartographer's daughter in the Earthen-Crest kingdoms' boot of Aylati, Rylla wants more than anything to know the whereabouts of her brothers, even if it means finding them herself. But there's one problem: she's afraid to venture too far from home. After a short walk to the Grove and stumbling into a talking cat, she realizes she may have no other choice. There she is told she's an Earth-Treader—one who can bend the will of nature and speak to animals, and she's reminded of the Earth-Lore—the five missing stones which once held their kingdoms together. But with a growing Darkness lurking on the horizon, the missing stones are being sought by many. Rylla is tasked with finding them herself, especially before the cruel Lord Brennigan does. Despite all her protestations, Rylla can't escape her fate. She must embark on this impossible journey and leave all her comforts behind. But she's not alone. Even with fear and doubt as her armor, Rylla meets strangers who challenge her resolve, and she learns that even in the shadows love and light can thrive. Perhaps it's even enough to give her wings.

Flooded Nicki Koziarz,2021-03-16 Please, God, no more hard things. Nicki Koziarz knows what it's like to whisper those words to God. She understands what it feels like to be flooded by hopelessness and hard situations, wondering if it will ever stop. Hard circumstances often stir something so destructive in a soul: doubt. Through the painful loss of her mom to a brain tumor and her brother to suicide, she has learned that if doubt is left undealt with, it can cause the presence of unbelief to flood our lives—to the point that faith becomes unrecognizable. In the midst of her pain, Nicki looked through the lens of the biblical account of Noah and discovered five decisions a person can make to help deflect the destruction of doubt. When you are wrestling with doubt and fighting back hopelessness, *Flooded* will help you: • Quiet the fear that God won't come through by discovering the difference between wishful thinking and biblical hope. • Resist the urge to control the uncontrollable by finding peace in between the problem and the promise. • Find the familiar faithfulness of God in His Word when it feels like nothing is normal and everything is falling apart. The reality of hard times holds a decision for each of us to find hope. And the decision to find it is yours. But you don't have to do it alone. It's time to rise above doubt, together.

Becoming a Son David Labrava,2015-12-19 *Becoming a Son* is the first book written by David Labrava. David writes from life experience as he has lived more lives than most people ever will, and he did it all over the globe. David is an accomplished Glass artist, Tattoo artist, Five Diploma Harley Davidson Motorcycle Mechanic, Producer, Director and an award winning Writer and Actor. David is a member of the most famous and notorious motorcycle club in the world. David was the Technical Advisor on the hit TV series *Sons of Anarchy* from the inception to the completion of the series. David was also a series regular on the show, reaching that position after being hired as the technical advisor, then becoming a day player actor, then a recurring character then moving to series regular. All of these things had to be earned, as they were not for sale at any price. *Becoming A Son* is not about them. It's about David getting to those spots. It's about overcoming great odds and coming out alive. David left home at fifteen years old and hit the streets. This is David's journey of discovery and redemption spanning a course of forty years. From the beaches of Hawaii and California, to the forest of the great Northwest, to years in Amsterdam, San Francisco, New York City, Miami then back to California. David hit some highs and survived severe lows, living years on the streets, in and out of jail only to take his life back, and then squeeze every bit out of it that life has to offer. *Becoming A Son* is a journey of epic proportion. It's about realizing your dreams and then against the odds achieving them. Adventuring across the globe David learned many lessons by reaching out and trying everything, making many mistakes and paying the price for it and living through it. Now he wrote about it. David has been writing and getting published for over 14 years. He wrote for the Motorcycle magazine 'The Horse' then had his own column in the National Hot Rod Magazine 'Ol Skool Rodz' for eight years. He co-wrote Episode ten in season four of *SOA* which Time magazine awarded an honorable mention to as best of the season. David also won the 2013 Readers Choice Buzz focus award for Best Wildcard Actor. Like great authors before him Labrava takes the reader into some dark places most people would never dare to go. *Becoming A Son* is a modern day story of living on the street and redemption, it is one man's journey into the darkness of himself crossing the planet and transcending all levels and then coming back again full circle. It is an inspiration for anyone who is chasing their dreams and making them their reality. *Becoming A Son* will come to be known as an instant classic.

The Solitary Self Maurice Cranston,1997-03-29 In this third and final volume of his masterly biography, Maurice Cranston traces the last tempestuous years of Jean-Jacques Rousseau's life. From his brilliant authorship of the Confessions, the Dialogues, and the Reveries to his controversial religious views, from his notorious public quarrel with David Hume in England to his clandestine return to France, from his unsettled wanderings to his death in 1778 - these and other critical events in Rousseau's most embattled years are detailed in this sympathetic yet balanced portrait. In 1762, with the condemnation of Emile and The Social Contract harried by both church and state, Rousseau fled Paris, seeking refuge in Neuchatel and England. Deemed a social outcast and beset by feelings of persecution and abuse, not wholly unwarranted, the philosopher turned in despair to the production of autobiographical works intended to reveal his essential innocence and integrity. Through this bitter introspection, Rousseau transformed his solitude into some of the most enduring literature of his time.

Rescue Dogs Susannah Maynard,2017-07-15 Dog rescue has blossomed in recent years, as more and more people are choosing to adopt dogs from animal shelters and homegrown rescue organizations and have categorically steered away from purchasing dogs from breeders and puppy mills. Readers will find heartwarming and triumphant stories that point to dogs’ characteristic resilience and unconditional love. Her subjects include puppies, adult dogs, and special needs dogs—of all breeds, and of course, mixed breeds—and her stories will empower readers to join the rescue effort or bolster their efforts to increase their volunteer involvement to better the lives of rescue dogs, one animal at a time.
