🔍 [FLYN STARMAN AND THE REALM OF THE SEVENTH SENSE](#) Honnie Polman, 2021-10-27 After their bus breaks down on a remote road while heading to a school camp and their phones stop working, FLYN STARMAN, four other students, and their teachers soon realize they are lost. While desperately searching for a way back home, they are unwittingly drawn into a bizarre world where the normally invisible can be seen and thoughts can be heard by others. As they are immersed in the strange world, the group meets extraordinary characters who explain that they have entered the mystical realm of the Seventh Sense, and that they must go deeper into it in order to be able to leave. When their individual seventh senses are awakened, they all fall under the spell of the beauty and magic of the realm and their own power in it. But there is an underlying dark side to this mysterious reality, and peril lurks in the shadows. All that they thought they knew and believed to be real is challenged and overturned. Will they ever find a way out of this mystical realm that holds them in its grip? In this captivating adventure, a group of lost students and their teachers must conquer their fears in a bizarre, mystical world or face oblivion.

🔍 [THE ERRANTRY OF BANTAM FLYN](#) Jonathan French, 2014-07-04 The Coburn. Rooster-Men of the Tin Isles. Proud and combative by nature, the Coburn are an imposing race. The males, ever protective of their mates, fight to the death if threatened, especially against their own kind. Some, however, pursue a chaste life of chivalry and join the Valiant Spur, an order of Coburn knights. Hopeful recruits must replace their drive to breed and covet with a will to serve, allowing only the most resolute to join the ranks of the Knights Errant. Bantam Flynn, hot-headed squire and wielder of the renowned sword Coalspur, yearns to be one of them. When Flynn returns to the ancestral stronghold of the Valiant Spur, he finds the castle under siege from within. Malevolent skin-changers, the Gruagach, ruthlessly hunt a secret Flynn would die to keep. The swaggering warrior seeks unlikely allies, reinforcing his sharp steel with the keen mind of the castle’s awkward chronicler, Ingelbert Crane, and the incisive tongue of gnome herbalist, Deglan Loamtoes. Fleeing the reach of the Gruagach, the trio become ensnared by a dwarven prophet who believes Flynn to be the foretold slayer of a primordial evil known as the Corpse Eater. Venturing into the unforgiving cold of Middangeard, the companions find themselves far from the Tin Isles and close to the history that shaped the very world. Hindered by giants, trolls, bands of berserkers, throngs of restless dead, and haunted by the howling phantoms of his own barbaric past, Flynn must face an ancient horror that threatens not only his life, but the fate of his entire race.

🔍 [ISLANDS OF ABANDONMENT](#) Cal Flynn, 2022-06-14 A beautiful, lyrical exploration of the places where nature is flourishing in our absence [Flynn] captures the dread, sadness, and wonder of beholding the results of humanity’s destructive impulse, and she arrives at a new appreciation of life, ‘all the stranger and more valuable for its resilience.’ --The New Yorker Some of the only truly feral cattle in the world wander a long-abandoned island off the northernmost tip of Scotland. A variety of wildlife not seen in many lifetimes has rebounded on the irradiated grounds of Chernobyl. A lush forest supports thousands of species that are extinct or endangered everywhere else on earth in the Korean peninsula’s narrow DMZ. Cal Flynn, an investigative journalist, exceptional nature writer, and promising new literary voice visits the eeriest and most desolate places on earth that due to war, disaster, disease, or economic decay, have been abandoned by humans. What she finds every time is an island of teeming new life: nature has rushed in to fill the void faster and more thoroughly than even the most hopeful projections of scientists. Islands of Abandonment is a tour through these new ecosystems, in all their glory, as sites of unexpected environmental significance, where the natural world has reasserted its wild power and promise. And while it doesn’t let us off the hook for addressing environmental degradation and climate change, it is a case that hope is far from lost, and it is ultimately a story of redemption: the most polluted spots on earth can be rehabilitated through ecological processes and, in fact, they already are.

Despite being continually hunted by seedy thieves’ guild assassins, the gifted young man strives for a normal life. In time, his true purpose as leader and Weaponsmaster arise, making him the vanguard in the hunt against evil. When dragons and dark magic take hold, Flynn undertakes more than his training has prepared him for. Will his fragile alignment with the dwarven race, an obstinate blacksmith, an exquisite young woman and a naïve boy with a knack for the spectacular be enough? For out of a mysterious shroud of fog marches an undead enemy wielding paralyzing black blades; and the Knatkaki, outcast elves, who travel through the evil currents of the land and attack mercilessly. Join Flynn as he sets off on the adventure of a lifetime; one that will change the face of his future forever.
