

Folly Beach

James William Hagy

Folly Beach LP Dorothea Benton Frank,2011-07-05 With its glistening beaches, laidback Southern charm, and enticing Gullah tradition, Folly Beach has long been one of South Carolina's most historic and romantic spots. It is the land of Cate Cooper's childhood, the place where all the ghosts of her past roam freely. Cate never thought she'd return to the beach house named for this lovely strip of coast. But circumstances have changed, thanks to her newly dead husband, whose financial—and emotional—perfidy has left Cate homeless and broke. Yet Folly Beach holds more than just memories. Once upon a time another woman found unexpected comfort within its welcoming arms. An artist, writer, and sometime colleague of the revered George Gershwin, Dorothy Heyward enjoyed the greatest moments of her life at Folly with her beloved husband, DuBose. And though the Heywards are long gone, their passion and spirit linger in every sunset and ocean breeze. And for Cate, Folly holds the promise of unexpected fulfillment . . . of the woman she's always wanted—and is finally ready—to become.

Folly Beach Stratton Lawrence,2013 Discover the history of Folly Beach and how it transformed over the years from Coffin Island to a popular vacation destination. Folly Beach was not named for its carefree inhabitants' lifestyles, but it is a fitting moniker nonetheless. Originally dubbed Folly for its dense foliage and forests just across the marsh from James Island and Charleston, the six-mile sliver of land has served as an outpost for Civil War soldiers, an inspiration to George Gershwin, and a place of fond memories for thousands of residents, vacationers, and day-trippers seeking time to relax in the sea and sand. Long before Folly became a place for respite and relaxation, however, it served as a quarantine island for sick sailors, forebodingly referred to as Coffin Island. By the 1950s, Folly's dark history was sufficiently replaced with an amusement park, bowling alley, and moonlight dances out on the pier.

On Folly Beach Karen White,2016-06-28 When Emmy Hamilton's mother encourages her to buy the local book store, Folly's Finds, she hopes it will distract her daughter from the loss of her husband. But the seller has one condition: Emmy must allow Lulu, the late owner's difficult elderly sister, to continue working there. For the most part Emmy ignores Lulu, but a bundle of love letters she finds in a box help her better understand Lulu. As details of a possible murder and a mysterious disappearance during WWII are revealed, the two women discover that fate has brought them together.

Folly Beach Gretchen Stringer-Robinson,2006-04 Ask anyone from Charleston or the surrounding areas, What do you remember about Folly Beach? and you will get a remarkable array of answers. For some, Folly Beach is a memory of youthful days of freedom; for others it is where the avant-garde, bohemian types lived. Having hosted plague victims, playwrights and maybe a pirate or two, Folly has had a checkered past. Folly Beach today is a locale for upscale homes and condominiums. In spite of this shift from a blue-collar retreat to a chic destination, Folly has remained Charleston's wild cousin and hosts more bars and churches per square mile than most American cities five times its size. Folly native Gretchen Stringer-Robinson takes the reader through the war years, the innocence of the fifties, the recession of the seventies, Hurricane Hugo and the times in between. Join Gretchen as she introduces the characters and revisits the places that have made Folly Beach a unique haven on the Carolina coast.

Folly Bill Noel,2008-05-28 Chris Landrum is about to have it all—an extended vacation, a second home at the beach, and early retirement in his fifties. There's only one glitch: murder is part of the package on the small South Carolina barrier island of Folly Beach, where eccentric residents live bohemian lifestyles in the shadow of historic Charleston. Soon after settling in Folly Beach, Chris is befriended by an unlikely cadre of quirky locals: a real estate agent who looks like an out-of-season Santa with an attitude; a waitress who shares rumors and effuses charm; a professor; a lovely, intelligent, and unattached reporter; and a president-quoting, tag-along companion. He is fascinated by the company of his newfound friends, the novelty of the strange island that they call home, and the contrast of it all with stately Charleston. But when Chris finds the body of a prominent developer and lands in the middle of the Folly Beach spotlight, he immediately becomes a threat to the killer—and his vacation paradise might be the scene of his own untimely death. Vacations aren't nearly as much fun when one of your new acquaintances is trying to kill you, and catching a murderer is not the normal way to spend an extended holiday. But on Folly Beach, what's normal?

The Marsh Bill Noel,2011-09-28 Chris Landrum's morning has already started on a down note, as he stands in a cemetery listening to the eulogy for a friend. But his entire day deteriorates rapidly when he hears that a murder victim has been found in the marsh behind his retirement home on Folly Beach, South Carolina. Worse yet, the victim is the business associate of one of his friends. In a matter of hours, Chris's quiet, relaxed life is turned upside down. The police are convinced that Sean Aker, the victims law partner, is the killer. Chris has no reason to disagree other than the fact Sean is a friend's feeble defense at best. With the help of a group consisting of a tagalong buddy and wannabe private detective; an aging hippy and surf shop owner; a has-been country music singer; and a new acquaintance who runs a marsh tour business, Chris is thrust into a murder investigation that soon puts his dream of spending an idyllic retirement on hold yet again. As Chris and his merry band of misfit friends stumble, bumble, and come face-to-face with death in their amateurish quest to find a killer, they all wonder if the golden years are like this for everyone or just them.

The Pier Bill Noel,2009-03-10 Bill Noel's debut novel, Folly, introduced Chris Landrum and his adventures on the small, quirky island of Folly Beach, South Carolina, where he spent an extended vacation, purchased a retirement home, and solved a murder. In this second installment of A Folly Beach Mystery series, murder and mayhem continue to interfere with Chris's laid-back retirement plans. Praise for The Pier Louisville author Bill Noel, himself a seasoned photographer, has followed his debut offering, Folly, with another engaging Folly Beach Mystery. Armed with a gift for creating ultra-quirky yet believable characters, Noel shows how a healthy dose of cynicism—even among untrained, nonprofessional types—can lead to solving a murder mystery that the police had initially decided wasn't even a homicide. Kentucky Monthly Spend a little time at the Lost Dog Caf (Coffee and a bite) with Landrum and his troupe of amateur sleuths, and I bet you'll be glad you made the trip. The Voice-Tribune

First Light Bill Noel,2015-12-11 Early mornings used to be Chris Landrum's favorite time on the small South Carolina island he calls home—until a stranger joins him along a lonely stretch of road. After a car suddenly barrels toward them in the predawn darkness and slams the stranger into the hereafter, Chris's peaceful retirement is thrown into a tailspin once again. Even though the police declare the stranger's death a tragic accident, Chris knows better. Distressed, Chris heads to

his photo gallery, hoping for a distraction from the day's horrific start. But when another man is murdered in his beachside home within hours, Chris soon learns that the only thing the victims have in common is First Light, Folly Beach's newest place of worship, led by nontraditional preacher Burl Ives Costello. Assisted by his friend and self-proclaimed private detective, Charles Fowler, Chris begins to dig into Costello's suspicious past. As Chris and Charles become more convinced that Costello is somehow tied to the deaths, the body count rises and no one is safe. In a new Folly Beach mystery, a retiree turned amateur sleuth and his quirky pals must put everything on the line—including their lives—to catch a killer before they become part of the death count.

Final Cut Bill Noel,2014-10-28 When a movie production entourage invades Chris Landrum's close-knit South Carolina island community, he is among the first in an excited crowd who gather to watch the filming. Unfortunately, it is not long before tragedy strikes and the film's director drowns while on a fishing expedition. But when one of Chris's friends barely escapes death in an accident on the set one day, Chris becomes convinced the accident is no accident at all. As fear replaces anticipation on Folly Beach, Chris and his close friend Charles—a self-anointed private detective—embark on an investigation. They get to know members of the movie's entourage and soon suspect one of the actors might be playing more than the role of a killer. Immersed in determining why the movie set is plagued with accidents as well as dealing with their own personal problems, Chris and Charles are just as surprised as everyone else when a fisherman catches the one he wishes had gotten away—the corpse of one of the movie's stars. Now Chris must face what could be the final minutes of his life when he learns that nothing is what it appears to be in the magical world of the movies.

Washout Bill Noel,2010-01-21 A routine trip to the local hardware store propels Chris Landrum into a world of revenge, hate, and murder—hardly the peaceful outcome he had planned for his retirement on the small island of Folly Beach, South Carolina. Chris learned during his first year of retirement that friendships are more important than surf, sand, and the beauty of Charleston and South Carolina's Low Country. When his friend, Larry, a retired cat-burglar-turned-hardware-store-owner, appears to be the target of a brutal murderer, Chris and his other friend, Charles, work on catching the killer before Larry becomes his latest victim. The police throw up their hands in defeat as bloody and macabre warnings begin appearing in greater numbers than suspects with few leads. What do the cryptic, chilling notes mean? What has Larry, a model citizen of Folly Beach, done to deserve the wrath of the killer? Chris seeks the help of some of his quirky friends—a charming, attractive waitress; a blustery, rude realtor; and an aging sentence-challenged hippie who owns a surf shop—to wade through the increasing number of suspects to help catch a killer and save the Washout of his friend. Will friendship cost Chris his life?

The Edge Bill Noel,2011-01-03 AFTER A MURDER VICTIM IS DISCOVERED ON FOLLY BEACH, A RETIREE AND HIS MISFIT FRIENDS MUST FIND THE KILLER BEFORE IT IS TOO LATE. After Chris Landrum survives the first hurricane to hit Folly Beach, South Carolina, during this century, he breathes what he is about to discover to be an overly optimistic sigh of relief. When the body of his acquaintance Lester Patterson is discovered with an arrow plunged straight through his heart—Chris's formerly peaceful retirement on the tiny barrier island suddenly goes from bad to worse. With the help of his remaining quirky acquaintances, Chris launches a relentless mission to stop an imperfect murderer who has already made one critical error in judgment. A weird boardinghouse and a country music bar are all that connect the victims—and now it is up to Chris to determine which one of his misfit friends is the killer and which one is vulnerable enough to be the next victim. Is it Country Cal, a washed-up musician; Harley McLowry, whose name matches his 99 Road King Classic; or songstress Heather Lee, whose friends think a half-dead hog carries a better tune than her? When Chris discovers the police chief is bent on running him off the island, he soon realizes there will be no shortage of roadblocks to finding a ruthless killer who will stop at nothing.

Folly Beach Bill Bryan,2005 Historical vignettes and reminiscences of life at Folly Beach, S.C., during the 1940s and 1950s.

Missing Bill Noel,2013-10-03 Sixty-year-old retiree Chris Landrum has simple needs: stay healthy, avoid sunburns, and steer clear of vacationers on the small South Carolina island where he hopes to live out his remaining years. But when local teenager Samuel Perkins pulls Chris aside and tells him he just witnessed the kidnapping of a beauty queen right off Folly Beach, Chris wonders if his hopes for a peaceful retirement have just disappeared with the sunset. While Chris and his close friend, Charles—a faux detective—contemplate whether Samuel actually witnessed a horrific crime, dead bodies begin appearing on Folly Beach. But with trouble brewing within the ranks of the police department and a newly elected mayor nurturing a vendetta against Chris, the two men have their work cut out for them as they launch their own investigation. As the body count rises and the list of suspects increases, Charles suddenly becomes the target for a serial killer intent on eliminating anyone who gets in his way. In this new installment in the Folly Beach Mystery series, Chris and Charles must rely on help from a few eclectic acquaintances to solve the murders before a cold-blooded murderer strikes again.

On Folly Beach Karen S. White,2010 Folly Beach, South Carolina, has survived despite hurricanes and war. But it's the personal battles of Folly Beach's residents that have left the most scars, and why a young widow has been beckoned there to heal her own. To most people, Folly Beach is simply the last barrier island before reaching the great Atlantic. To some, it's a sanctuary for lost souls, which is why Janie Hamilton's mother encourages her to buy the local bookstore, Folly's Finds, hoping it will distract Janie from the loss of her husband. Janie is at first resistant. So much has already changed. But after finding love letters and an image of a beautiful bottle tree in a box of used books from Folly's Finds, she decides to take the plunge. But the seller insists on one condition: Janie must allow Lulu, the late owner's sister, to continue selling her bottle trees from the store's backyard. For the most part Janie ignores Lulu, and sifts through the love letters. But the more she discovers about the letters, the more she understands Lulu. As details of a possible murder and a mysterious disappearance during World War II are revealed, the two women discover that circumstances beyond their control, sixty years apart, have brought them together, on Folly Beach. And it is here that their war-ravaged hearts can find hope for a second chance.

Ghosts Bill Noel,2012-08 Chris Landrum's idyllic life of retirement on the South Carolina barrier island of Folly Beach just got turned upside down. After more than two decades, his ex-wife, Joan, calls to wish him a merry Christmas. He can tell she wants to tell him something more, but their conversation is cut short before he learns anything. Something's up. A second call from Joan's best friend delivers startling news. Joan's husband has just been killed in an automobile accident in the

Smoky Mountains of Tennessee, and Joan wants Chris to investigate. Even though it's hundreds of miles from Chris's peaceful beach cottage, he agrees to help. Meanwhile, Chris's best and strangest friend, Charles, joins the working world as a bartending private detective, two jobs he stumbles and bumbles through with equal measures of incompetence. Country Cal, an aging country music singer and new bar owner, hires Charles to catch a petty thief who is stealing bourbon and cash. Heather, a psychic and Charles's main squeeze, blames ghosts; since no one can figure out how the culprit is breaking in, she seems to be right. Unfortunately for Chris, he's got a little more to worry about than missing booze. It looks like Joan's husband was murdered. Now, Chris has to find the culprit before he becomes the next victim hardly a day at the beach!

Folly Beach Dorothea Benton Frank,2011 Returning to Folly Beach, her childhood home, newly widowed Cate Cooper, whose late husband's financial exploits have left her homeless and broke, discovers that it is possible to go home again and discover the person she was meant to become.

Folly Beach Dances Sheree K. Nielsen,Russell A. Nielsen,Marcia Gaye,Patt Hollinger Pickett,Mary Horner,Pat Wahler,2014-05-01 An inspirational (healing) photography and poetry book about Folly Beach, South Carolina. If you could spend a perfect day at the beach, and name it with a dance, what dance would it be? Folly Beach Dances combines Sheree and Russell Nielsen's love affair with Folly Beach, South Carolina, along with lyrical movements and universal beauty - expressed through dance names. It tells the story of sandpipers, babies, dogs, and yes, even structures moving in infinite rhythm. Literary interpretations from award-winning women authors, including the couple, accompany their lyrical photographs of Folly Beach. Diagnosed with lymphoma in June 2012, Sheree plans to donate a portion of the proceeds to LLS. A foreword was written by Deb Kersting, Director of the Gateway Chapter of the Leukemia and Lymphoma Society. The couple has dedicated the 'healing' coffee table book to beach lovers, dancers, dreamers, the residents of Folly Beach, and those living with ailments.

Edge of America James William Hagy,1997-01-01

Love Finds You in Folly Beach, South Carolina Loree Lough,2011 First impressions, thank goodness, really can't be trusted! When marine biologist Holly Leonard agrees to help Parker Brant write a book on giant sea turtles, she expects a charming and charismatic charter boat captain--not the strait-laced, all-business dud who greets her. For his part, Parker is surprised to find that Dr. Leonard is not the matronly grandmother he expected but a blue-eyed beauty who's lively, fun-- and a total klutz. Unfortunately, the harder Holly tries to shed her Holly Folly nickname, the clumsier she becomes. Holly's has breezed into Parker's well-ordered world like a hurricane--but will he welcome the disruption?

Folly Beach Erosion Control ,1980

Unveiling the Power of Verbal Artistry: An Psychological Sojourn through **Folly Beach**

In a global inundated with displays and the cacophony of immediate connection, the profound power and psychological resonance of verbal art usually fade into obscurity, eclipsed by the continuous barrage of noise and distractions. However, situated within the lyrical pages of **Folly Beach**, a charming perform of literary elegance that pulses with fresh feelings, lies an wonderful journey waiting to be embarked upon. Composed with a virtuoso wordsmith, this interesting opus courses visitors on a mental odyssey, gently exposing the latent potential and profound influence stuck within the elaborate web of language. Within the heart-wrenching expanse of this evocative evaluation, we can embark upon an introspective exploration of the book is key subjects, dissect their fascinating publishing model, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
