Mick Wall

Foo Fighters Mick Wall,2017-08-15 There's a reason why Dave Grohl is known, however naively, as "the nicest man in rock." A reason why millions have bought his Foo Fighters albums and DVDs, his concert and festival tickets. A reason why generations have bought into his story, his dream, his self-fulfilling prophecies. Dave may not have the savant glamour of Nirvana's Kurt Cobain, but whereas Kurt dwelled in darkness, Dave was a lover, not a loner, a bringer of light. Foo Fighters: Learning to Fly is his story, and therefore the true story of the Foo Fighters—like it's never been told before. From Grohl's days as the new kid in Nirvana, to becoming the Grunge Ringo of the Foo Fighters, to where he is now: one of the biggest, most popular male rock stars in the world. Internationally acclaimed rock writer Mick Wall tells us how and why none of this happened by accident in a style that pulses with rock's own rhythms. With testimony from true insiders, including former band mates, like Nirvana bass player Krist Novoselic, producers, record company executives, and those closest to Grohl and the Foos, this is the first full, explosive, no-holds-barred biography of the band and their otherwise critically bulletproof leader.

Dave Grohl Martin James,2008 The Foo Fighters emerged from the morass of suicide and potent musical legacy that was Nirvana to establish themselves - against all odds - as one of the most popular rock bands in the world. Deflecting early critical disdain, Dave Grohl has single-handedly reinvented himself and cemented his place in the rock pantheon. This is his story, from his pre-Nirvana days in hardcore band Screaming Trees to his current festival-conquering status as a Grammy-winning, platinum-selling grunge legend reborn. Across the seven Foo Fighters albums, the whole sordid yet legendary Nirvana tale, the pre-history in the nascent Seattle scene and right up to date via Grohl's flirtations with bands such as Queens of the Stone Age, this is an utterly comprehensive and insightful chronicle of Dave Grohl's remarkable life. Drawing on new interviews with key figures in the Grohl story, this definitive biography of one of modern rock's most influential figures is now updated to include the world conquering double album In Your Honour, the mellow acoustic brilliance of their Skin and Bones film and album, and their recent multi-platinum opus Echoes, Silence, Patience and Grace.

Dave Grohl - Times Like His: Foo Fighters, Nirvana & Other Misadventures Martin James,2015-07-02 Foo Fighters emerged from the morass of suicide and potent musical legacy that was Nirvana to establish themselves against all odds as one of the most popular rock bands in the world. The Storyteller Dave Grohl,2021-10-05 The #1 New York Times Bestseller * Named one of Variety's Best Music Books of 2021 * Included in

Audible's Best of The Year list * A Business Insider Best Memoirs of 2021 * One of NME's Best Music Books of 2021 So, I've written a book. Having entertained the idea for years, and even offered a few questionable opportunities (It's a piece of cake! Just do 4 hours of interviews, find someone else to write it, put your face on the cover, and voila!) I have decided to write these stories just as I have always done, in my own hand. The joy that I have felt from chronicling these tales is not unlike listening back to a song that I've recorded and can't wait to share with the world, or reading a primitive journal entry from a stained notebook, or even hearing my voice bounce between the Kiss posters on my wall as a child. This certainly doesn't mean that I'm quitting my day job, but it does give me a place to shed a little light on what it's like to be a kid from Springfield, Virginia, walking through life while living out the crazy dreams I had as young musician. From hitting the road with *Scream* at 18 years old, to my time in *Nirvana* and the *Foo Fighters*, jamming with Iggy Pop or playing at the Academy Awards or dancing with AC/DC and the Preservation Hall Jazz Band, drumming for Tom Petty or meeting Sir Paul McCartney at Royal Albert Hall, bedtime stories with Joan Jett or a chance meeting with Little Richard, to flying halfway around the world for one epic night with my daughters...the list goes on. I look forward to focusing the lens through which I see these memories a little sharper for you with much excitement.

The Dave Grohl Story Jeff Apter, 2009-11-05 Teenage punk, self-taught musician, bandleader, session man, smoker, drinker, multi-millionaire, David Grohl has achieved a rare feat, a rock 'n' roll double crown having been a member of two hugely successful and influential bands – *Nirvana* and *The Foo Fighters*. Loaded with candid interviews and hard truths about Grohl's life in music, this is the first comprehensive biography of an icon whose career charts rock and roll's rise and fall over the past two decades. Detailing his drumming and touring with *Queens of the Stone Age* and *Nine Inch Nails* and his battle over *Nirvana*'s legacy with Courtney Love, this is a no-holds-barred account of a career and life at the very top. Grohl's powerhouse drumming, anthemic riffing and melodic brilliance have proved both thrilling and enduring, and he remains one of rock's most respected figures.

Dave Grohl, Melodic Nirvana of a Foo Fighter Natasha Tristan, Want to know more about the uncrowned King of Rock music who captivates everyone with its majestic sound? Let's take a look. Music is something that can significantly affect the mind, whether it is happy or sad, and evokes different emotions. There are also those who unknowingly flow to us according to the context. Rock music is a genre of music that influences most people today. The sound waves of the instruments used for it may have attracted everyone. This book depicts the musical life of David Eric Grohl, an American musician who composed music by combining different types of genres. Grohl began stepping into the ocean of music at a very young age, swimming with famous bands 'Scream' and 'Nirvana', attending music programs with them, and eventually created his own brand. Dave Grohl found his own way to success by incorporating the lessons of the bands he practiced well. Although the sudden demise of *Nirvana*'s all-rounder Kurt Cobain has left him mentally paralyzed, 'Foo Fighters' has begun to put his own signature on the spirit that many have poured into him, creating better opportunities for others. Not only the life of Dave Grohl but everyone who reads the book will understand that many other musicians and bands which have gone through his life journey came as this book's themes.

Foo Fighters Daniel Wyatt, 2003-05-01 It is early 1945 and Germany is losing the war. The Russians, the Americans, and the British are closing in on Berlin and Hitler's bunker. In this startling end-of-the-war tale two high-ranking Nazi officials--Martin Bormann and Hermann Goering--are collaborating with Wesley Hollinger and the American OSS for free passage out of Germany in exchange for blueprints to advanced German technology--jet fighters, rockets, missiles and early flying saucers, nicknamed Foo Fighters. The Americans are desperate to keep the Foo Fighter blueprints from reaching Russian and British hands. Wesley Hollinger of the OSS soon realizes what World War Two is really all about--power, money, and politics.

Foo Fighters Mick Wall, 2017-03-31 A biografia de Dave Grohl e os Foo Fighters, uma das maiores bandas de rock da atualidade. Há um motivo pelo qual Dave Grohl é conhecido, ainda que ingenuamente, como 'o cara mais legal do rock'. Um motivo que explica por que milhões compram os CDs e DVDs do Foo Fighters, os ingressos de shows e de festivais, por que gerações acreditaram na história, no sonho e nas profecias deles, que se realizaram. Dave é generoso. Ele pode não ter o glamour culto de Kurt Cobain, do Nirvana, mas Kurt era alguém que tirava em vez de doar. Kurt afundou na escuridão, no lado escuro da lua. Dave é um adorador do Sol, um amante e não um solitário, um canal de luz. Foo Fighters learning to fly é a história dele, e, portanto, a verdadeira história do Foo Fighters: como nunca foi contada antes. Desde o tempo de Dave como um garoto novo do Nirvana até se tornar o 'Ringo Grunge' do Foo Fighters, onde ele está agora: o maior e mais popular astro mundial do rock na categoria masculina. Nada disso aconteceu por acidente. E o internacionalmente famoso crítico de rock Mick Wall nos conta como e por que, em um estilo que pulsa com os próprios ritmos do rock, ao entrevistar amigos, antigos colegas de bandas, produtores, executivos de gravadoras de discos e as pessoas mais íntimas de Dave Grohl e dos Foos. Como John Lennon o herói de Dave falou certa vez sobre os Beatles: 'Você não se torna a maior banda do mundo sendo um cara legal.' E apesar do que a mídia oficial gosta de nos fazer pensar, nem os Foo Fighters. Essa explosiva biografia a primeira, completa e sem censuras literárias explica por que.
