Maurice D'Esclavage

The Foot Fetish Client Maurice D'Esclavage,2018-01-29 Fetishes can get you into trouble. That's the opinion of Dylan Cross, after one of his clients finds out he has a foot fetish. Sharon Johnson, a divorcée that hires his consulting business, discovers his weakness for women's feet, and makes plans to put his deviant desires to good use. She not only takes advantage of her discovery, soon she is introducing Dylan to more and more perverse behaviors. Dylan enjoys a bit of foot worship, but soon he must decide if he will bow to an increasingly assertive Sharon, and indulge her unusual tastes. Their relationship has moved way beyond a business arrangement and Sharon has a lot of ideas that Dylan is reluctant to embrace. For example, wearing panties is not something he had an interest in, but Sharon insists that it's a good idea. Submission, female dominance and even voodoo rituals will crop up as events unfold.

Among sexual preferences for body parts, feet and toes are the most popular, above hands, rear ends, mouths, and noses. Why is this? It has never been ascertained, although Freud had his usual penis-connected theories. Walk On Me: A Foot Fetish Story Kayla Rhodes, 2020-07-27 DESCRIPTION: David loves feet. He fantasizes about finding a woman who will walk on him, pinning him down, trampling him under her toes. Alexis, while beautiful, doesn't seem up to the challenge. She's too shy. Too passive. But David is wrong about her, and in this steamy erotic story, he might just discover that Alexis is everything he's fantasized and more. EXCERPT: Blind dates are always awkward and a little disappointing. I'm not sure why I expected this one to be any different. From the moment she showed up, I knew it wasn't going to work. Don't get me wrong, she was beautiful. Alexis had the slight, wispy frame of a ballerina. Her breasts were small, but exquisitely formed, and her platinum blond hair fell delicately around sharp cheekbones. And, of course, I noticed

her feet. That was why we were here, after all. Having a foot fetish makes dating a little tricky, so when a friend told me he'd met a lady who loved literally walking on men, I sure as hell wasn't going to say no. Sure, I'd dated women who let me worship their feet before (who turns down a free foot massage?) but I wanted more. I wanted a woman who would dominate me with her feet. I wanted to feel flattened under her bare heels. I wanted her to crush me against the floor with her precious toes. Alexis was lovely, but I knew within seconds that she wasn't that kind of woman. I tried to enjoy the dinner anyway despite my disappointment. She was quiet, but the conversation we did have was fun and stimulating. She had a shy smile, and hid behind pale lashes when she got embarrassed. Also, her feet. Damn. She knew I'd want to see them, so she'd worn open-toe sandals. The shoes were studded with little fake gems, making it look like her feet were wearing a crown, which they absolutely deserved. They were small and smooth, with perfectly shaped toes, and a bubblegum-pink pedicure. I wanted to put those toes in my mouth. I wanted to slick them up with oil and rub every last bit of tension away. But most of all, I wanted them to stand on me, and I just didn't think Alexis was up for that.

Foot Fetish 2 Timothy Mark, 2015-06-05 Foot Fetish book by the foot Fetish King Timothy Mark. Packed full of photographs and Timothy's words. Extremely erotic book.

Yvonne's Feet Private Collection Vol. 1 Yvonne Xavier, 2021-05-10 My name is

Yvonne, European professional flight attendant and ex model. I have always had a great passion for travel, luxury items, art, fashion and photography, especially erotic. I soon discovered the power my extremities have over men - most women have no idea how covertly the female feet are observed and what power of seduction and provocation they have - so I entered the intriguing world of foot fetish and bondage. This photobook is a collection of private shots taken in the past 5 years around the world and which so far I have shown only to my closest friends, it's the first of a series entirely dedicated to the art of female foot fetishism and tells, through original shots enriched with the use of erotic toys, fabrics, shoes, tights, the sensuality of every woman regarding a theme that is still today an object of taboo. Before leaving home I make sure that my toys and my favourite background fabric are never missing from my bag! Happy viewing!
