Foot fetish Jeannine Libby,2023-01-16 Do women like their feet kissed and licked? The answer of prostitute Shirley is NO!However, she will be hired by Mr. Wilson, a banker who does not look for women with big asses or big breasts, but for women with beautiful feet.

The Foot Fetish Client Maurice D'Esclavage,2018-01-29 Fetishes can get you into trouble. That's the opinion of Dylan Cross, after one of his clients finds out he has a foot fetish. Sharon Johnson, a divorcée that hires his consulting business, discovers his weakness for women's feet, and makes plans to put his deviant desires to good use. She not only takes advantage of her discovery, soon she is introducing Dylan to more and more perverse behaviors. Dylan enjoys a bit of foot worship, but soon he must decide if he will bow to an increasingly assertive Sharon, and indulge her unusual tastes. Their relationship has moved way beyond a business arrangement and Sharon has a lot of ideas that Dylan is reluctant to embrace. For example, wearing panties is not something he had an interest in, but Sharon insists that it's a good idea. Submission, female dominance and even voodoo rituals will crop up as events unfold.

Foot Fetish from a Girl's Point of View Blowjob Suzuki,2020-07-25 I am not claiming to be an expert on the subject but thanks to an encounter I had before when I was in high school, I have developed a strong foot fetish or at least a strong appreciation for the foot fetish. I have also had input from guys and foot sex experiences which have helped raise my interest and excitement. My foot fetish isn't that I like guys' feet or even girls' feet, but I am aroused by guys or girls liking and wanting my feet. Technically, I guess you would call it a reverse foot fetish. I think that control and maybe dominance is where my excitement lies. After taking thorough mental notes from that experience and from dating some foot loving guys, I am going to share with you what I think guys like and the types of sex involving the feet from a girl's point of view. If you are not aroused by feet, then this Book is probably not for you.

The Ten Toes of Temptation Nina Valis,2019-01-06 Among the most popular and sensual fetishes is the one regarding feet and, in particular, women's feet. Nina Valis has been on the receiving end of a fair amount of foot worship as well as finding the pretty feet of other women both attractive and tempting. In this little book she happily recounts her experiences along with some general thoughts about foot fetishism. Anyone with an interest in feet should find this volume entertaining and enlightening.

So Lovely The Feet Dr. Garth Mundinger-Klow,2012-12-30 Nancy Sinatra sings, These boots are made for walking, conjuring up images of a woman's sexy feet in long boots... Among sexual preferences for body parts, feet and toes are the most popular, above hands, rear ends, mouths, and noses. Why is this? It has never been ascertained, although Freud had his usual penis-connected theories. Dr. Garth Mundinger-Klow sets out to discover why certain people have great sexual desires for feet, and why there are those who enjoy having their toes worshipped. Read these case studies if you dare-you will never walk the same again!

How to Satisfy a Foot Fetish Lori Blanchard,2022-02-21 One of the most widely recognized interests for a body part is that of foot fixation - 47% of individuals who have an obsession for a specific body part even lean toward feet. Both Elvis Presley and Andy Warhol were said to have a foot obsession, so you're following in some admirable people's footsteps assuming that a couple of feet does it for you. ALL IN ALL, WHAT IS FOOT FETISH? It's a sexual distraction with feet that are explicitly known as paraphilia. Somebody with this kind of obsession could like contacting or kowtowing to someone else, or they could like to be in a bad way. Seeing pictures of hot feet and footwear could likewise be a good fit for you on the off chance that you have a foot interest. Note that certain individuals with a foot interest like all feet while others like to see feet specifically shoes or conditions of the dress. For instance, certain individuals just like feet in shoes or boots, while others incline toward them in shoes or shoeless. Some foot fetishists lean toward feet of a specific shape or toes that are long or short. A few need them little and female with an ideal curve. There are feet fetishists who even lean toward bigger feet or masculine feet. For certain individuals, a foot that is particularly filthy and stinky gets the job done. You'd be shocked by the number of varieties there are with regards to this - or any - obsession. There are certainly a couple of feet for everybody with an obsession. BUY NOW...

Yvonne's Feet Private Collection Vol. 1 Yvonne Xavier,2021-05-10 My name is Yvonne, European professional flight attendant and ex model. I have always had a great passion for travel, luxury items, art, fashion and photography, especially erotic. I soon discovered the power my extremities have over men - most women have no idea how covertly the female feet are observed and what power of seduction and provocation they have - so I entered the intriguing world of foot fetish and bondage. This photobook is a collection of private shots taken in the past 5 years around the world and which so far I have shown only to my closest friends, it's the first of a series entirely dedicated to the art of female foot fetishism and tells, through original shots enriched with the use of erotic toys, fabrics, shoes, tights, the sensuality of every woman regarding a theme that is still today an object of taboo. Before leaving home I make sure that my toys and my favourite background fabric are never missing from my bag! Happy viewing!
