*Football Fever* Jim D. Brown,2002-07-18 Exciting and realistic football story set in a small Kansas town. The Linn, Kansas Bulldogs learn that they can compete against the bigger named schools. Quarterback Chase Brown leads the team through good times and bad. Through injuries and disappointment. The story of a team and a football player that had set a goal. One to win the state championship, and the other to earn a scholarship to the University of Nebraska. Read and enjoy this exciting and realistic story written by the coach that led the team to victory. While this book is certainly fiction, it is based upon an actual season in an actual school in Kansas. Many of the events and game situations are written just as they happened. Must reading for a football fan looking for a good inspirational story.

*Football Fever 3* Tony Bradman,2012-01-31 Pep times his move with instinctive perfection. Suddenly, he's back on the ball, and the defenders realize (too late, because they're committed now) that he never really left: it was all an illusion. And then he's over the ball, collecting it with his right instep, to banana it over the heads of both defenders, and way beyond the reach of the late-diving keeper... Football Fever 3 contains ten brand new soccer stories from a team of top authors including Rob Childs, Narinder Dhami and Tony Bradman. As well as Pep, join the rest of the squad - midfielder Andy who has a chance to impress the soccer scouts, if only his father will allow him to play; Dekko, captain of the Hilljoy team, the roughest, toughest team to run out on to a football pitch, striker Jonno, who gets a brilliant idea of how to lift his team from bottom of the league, and many others.

Meet Craig, who takes advice from a phantom footballer to help his team on a goal-scoring run in the league championship; Dave, an inexperienced goalie who has to make split-second decisions in a penalty shoot-out; Olly, a top striker, who invents new team tactics just before the Cup semi-finals; and a whole squad of other talented young players - goalies, defenders, midfielders and strikers.
