Transfer Market Alan Gernon,2018-12-01 For years, transfer gossip columns have been Alan Gernon's (author of Retired: What Happens to Footballers When the Game's Up) guilty pleasure. Fed up with the time wasted reading them, he explores how many of these rumours are accurate, planted by agents or simply made up – and how easy is it to plant a transfer story in the UK media. Along the way, he discovers how the market works and how a transfer happens; what a move actually means for a typical player in a world where you could buy over 160,000 League Two players for the price of Neymar; and that almost 30 per cent of transferred players worldwide are moved between clubs against their wishes. He also uncovers how to become a football agent overnight, and why British players are reluctant to move abroad. He speaks to players about the pressures and real-life effects of a move, and tries to figure out how much the stars of yesteryear would be worth in today's crazy transfer market – where Premier League clubs spent a record AAGBP1.4 billion in the summer of 2017 alone.

Deadline Day Jim White,Kaveh Solhekol,2023-10-19 WITH AN EXCLUSIVE Q&A BETWEEN JIM AND KAVEH FOR THE AUDIOBOOK 'The best football book of the year. A must-read for anyone who loves football' Harry Redknapp Football used to be a sport. Then it became a business. Now it's a whole industry. For three months every year football clubs buy and sell human beings. People who are so good at their job that others are willing to pay millions and millions of pounds to work with them, and for good reason; the right deal can help you win football's top prizes while the wrong deal can cost you your job and bankrupt your club. It's a fast-paced, at times murky and cutthroat world worth billions – and Jim White and Kaveh Solhekol have been at the heart of it for decades. In Deadline Day, Jim and Kaveh, two leading transfer market experts, take us behind the scenes of this uniquely tense and secretive world where the winner takes it all. They uncover what really happens in this game within the game where everything is for sale at the right price. And that's a price that's being paid by some of the richest people and countries on the planet, including billionaire US investors and Gulf states such as Saudi Arabia who have money to burn. Jim reveals what led him into journalism, and specifically what it takes to break the biggest stories and make it in the footballing world. Featuring a colourful cast of iconic players, managers, agents and owners – such as Cristiano Ronaldo, Harry Kane and Sir Alex Ferguson to name a few – Jim recounts some of the most game-changing deals in history, as well as the ones that got away. Perceptive, entertaining and dynamically told, Deadline Day addresses some of the big questions facing the game in a definitive, never-before-told inside story of football's transfer window.

Done Deal Daniel Geey,2019-01-24 'If you want to know and understand how football really works, this is the book for you.' Guillem Balagué 'A myth-busting and hugely entertaining look at the ever more complex machinations of the beautiful game. Essential.' Raphael Honigstein 'A must-read for football fans.' Freddie Ljungberg Insightful, enlightening and thought-provoking, leading Premier League lawyer Daniel Geey lifts the lid on the inner workings of modern football. What really happens inside a club on transfer deadline day? Are football agents overpaid? Which club put a clause forbidding space travel into a midfielder's contract? And which team's players can never wear red boots? Whether it is a manager being sacked, a star player transfer, billion-pound television rights negotiations or a controversial club takeover, leading football lawyer Daniel Geey has all the insight. With an accessible and thoughtful perspective, and featuring expert contributions, Done Deal explores the issues that shape the modern game, providing football fans with a fresh and authoritative look at all off-field football matters.

Research Handbook on the Law of Professional Football Clubs Robby Houben,2023-09-06 This original Research Handbook examines the key legal aspects of a professional football club's actions. Reflecting also on the role of key governing bodies such as UEFA, the Handbook informs and contributes to the ongoing debate surrounding the governance and behaviours of professional football clubs.

The Boot Room Andrew Judge,2024-02-02 For many years, the football transfer window has been a dominant topic in news columns, with fans increasingly glued to social media for updates on their clubs. The Boot Room delves into the intricacies of the transfer window, tracing its evolution from its inception to its current form, shaped by data-led scouting. Author Andrew Judge engages with a diverse range of football insiders, from finance experts discussing the state of football finances to Sky Sports reporters on the front lines during deadline day. He takes readers inside the boardroom with a club secretary on Transfer Deadline Day and into the physio's room, where medical teams race against time to complete player medicals with millions at stake. The book also examines the impact of data-led scouting on Youth Academies, featuring insights from one of England's highly regarded Youth Coaches. In an era of growing fake news in football, Judge explores the challenges fans face in distinguishing fact from fiction in transfer news, which captivates the football world for a few months each year. Through conversations with scouts, fans, and analysts, The Boot Room reveals the transfer window's significance and the profound effect fake rumours can have on football players themselves.

With contributions from an international group of scholars, this an essential reference for scholars and researchers in applied linguistics, discourse analysis, sport communication, sport management, journalism and media studies.

Sports Agents and Labour Markets Giambattista Rossi,Anna Semens,Jean Francois Brocard,2016-06-10 The sports agent has become a highly significant figure in contemporary sport business. The role of the agent is essential to our understanding of labour markets and labour relations in an increasingly globalised sports industry. Drawing on extensive empirical research into football around the world, this book explains what agents do, how their role has changed, and why this is important for future sport business. Offering analysis from economic, legal, social and historical perspectives, the book explores key topics such as: the history of sports agents including the emergence of the modern agent in US sport typologies and demographic profiles of agents in football valuations and organisational analysis of leading European agents and agencies relations between agents and clubs future directions for research into sports agents. Focusing on the major European leagues, this book goes further than any other in illuminating an important but under-researched aspect of contemporary sport business. It is a valuable resource for any student, researcher or policy-maker with an interest in sport business, sport management, sport policy, the economics of sport or labour economics.

How to Run a Football Club Jim Kegohan,2020-08-03 How to Run a Football Club is the story of our national game. Told through a journey up the pyramid, from the muddy pitches and ramshackle changing rooms at grass-roots level to the glitz and glamour of the Premier League, the book explores that common theme that links the game at

all levels - the simple love of the sport. It's there in the volunteer coaches who give up their Saturday mornings to teach kids how to play, the non-league club secretaries trying their best to get the pitch in good shape and the owners and investors risking their wealth in the unpredictable world of English football. How to Run a Football Club delves into their stories to find out what motivates the people who keep the game alive. It explores how the sport is evolving, with the growth of women's football, walking football and esports. What does it take to run a good football club? How is money, or a lack of it, changing the game? Read this book to find out.

Sports Finance 2018 Angel Barajas, Duane Rockerbie, 2019-10-16 Sports economics is a relatively new field of research that is experiencing rapid growth in the economics literature. The importance of the sports industry to economies coupled with the availability of financial and productivity data have made the study of sports economics a useful avenue for exploring research questions that have eluded mainstream economics fields. The main goal of this Special Issue of the International Journal of Financial Studies is to encourage theoretical and applied research in sports economics, which is of interest to both academics and practitioners. For this purpose, this Special Issue on "Sports Finance" invites papers on topics, such as, but not limited to, salary determination, ticket pricing, revenue sharing, salary caps, competitive balance, new stadium financing, rival league behavior, determinants of revenue, television and media, tournament prize structures, financial distress in professional sports, financial fair play, financial control of sports clubs, Third Party Ownership, financial efficiency in professional sports, budget constraints and sport performance, financial information of sports, ownership of professional sport clubs and Crowdfunding in sports. Papers on both professional and amateur sports are welcome.

Football's Secret Trade Alex Duff, Tariq Panja, 2017-03-29 A no-holds-barred exposé on the financial transactions of the world's favourite sport The transfer fees clubs pay to sign top players now top €4 billion a year but much of the money has been flowing out of the game. A small group of wealthy investors including Russian oligarchs, English racehorse owners and a former billionaire gold miner have seized the opportunity to enter this booming market. Some have moved in on the territory of banks and lent money to clubs in exchange for a share in fees generated by Cristiano Ronaldo, Neymar and dozens more of today's stars. Others have acquired obscure teams to get a piece of the pie. Even as the global financial crisis sent fortunes tumbling this select group found a profitable place to park their money. The size of the transfer market has continued to rise -- it increased seven-fold in value the last two decades, more than the FTSE share index. Between them, these wealthy investors have amassed hundreds of millions of euros in profits. At the same time, they have managed to stay out of the spotlight the world's most popular sport brings. Football's Secret Trade follows the money along a trail very few know about, from nondescript offices in the U.K. and ramshackle stadiums of South American clubs you have probably never heard of to offshore bank accounts in the Caribbean. Warning - you won't see a major transfer deal in the same light again.

Foreign players and football supporters David Ranc, 2013-07-19 'Mercenaries', 'cheats', 'destroying the soul of (English) football', 'destroying the link between football clubs and their supporters': foreign football players have been accused of being at the origin of all the ills of contemporary football. How true is this? Foreign players and football supporters: The Old Firm, Arsenal, Paris Saint-Germain is the first academic book to look at supporters' reactions to the increase in the number of foreign players in the very clubs they support week in week out. It shows that football supporters identify with their club through a variety of means, which may change or be replaced with others, and provides the most comprehensive view on football supporters' attachment to their club in the European Union, following the increase in European legislation. Divided into three case studies on Glasgow (Celtic and Rangers), Paris Saint-Germain and Arsenal in London, the book adopts a multidisciplinary approach to chart the evolution of the link between supporters and club between 1995 and today. It is based on extensive research through the press of three nations, as well as interviews with officials and supporters. It provides an excellent read for students and researchers in Sports Studies, Politics, European Studies, French Studies and other Social Sciences, or to anyone interested in one of the most original institutions of contemporary western societies: mass spectator sports.

Putin's People Catherine Belton, 2020-06-23 A New York Times and Sunday Times bestseller | A New York Times Book Review Editors' Choice Named a best book of the year by The Economist | Financial Times | New Statesman | The Telegraph [Putin's People] will surely now become the definitive account of the rise of Putin and Putinism. -Anne Applebaum, The Atlantic This riveting, immaculately researched book is arguably the best single volume written about Putin, the people around him and perhaps even about contemporary Russia itself in the past three decades. -Peter Frankopan, Financial Times Interference in American elections. The sponsorship of extremist politics in Europe. War in Ukraine. In recent years, Vladimir Putin's Russia has waged a concerted campaign to expand its influence and undermine Western institutions. But how and why did all this come about, and who has orchestrated it? In Putin's People, the investigative journalist and former Moscow correspondent Catherine Belton reveals the untold story of how Vladimir Putin and the small group of KGB men surrounding him rose to power and looted their country. Delving deep into the workings of Putin's Kremlin, Belton accesses key inside players to reveal how Putin replaced the freewheeling tycoons of the Yeltsin era with a new generation of loyal oligarchs, who in turn subverted Russia's economy and legal system and extended the Kremlin's reach into the United States and Europe. The result is a chilling and revelatory exposé of the KGB's revanche—a story that begins in the murk of the Soviet collapse, when networks of operatives were able to siphon billions of dollars out of state enterprises and move their spoils into the West. Putin and his allies subsequently completed the agenda, reasserting Russian power while taking control of the economy for themselves, suppressing independent voices, and launching covert influence operations abroad. Ranging from Moscow and London to Switzerland and Brooklyn's Brighton Beach—and assembling a colorful cast of characters to match—Putin's People is the definitive account of how hopes for the new Russia went astray, with stark consequences for its inhabitants and, increasingly, the world.

The Rough Guide to Cult Football Rough Guides, 2010-09-01 The Rough Guide to Cult Football is the ultimate companion to the beautiful game. The only football book of its kind, it goes beyond the usual back page material to uncover the most amazing stories and unlikeliest personalities on Planet Football. It reveals the stories behind the mavericks and cult figures that make up the real heroes of the game - from cultured midfielders to jailbirds, drinkers to hard men, local legends to international wanderers. The Rough Guide to Cult Football looks at everything from special clubs - like the New York Cosmos and Berwick Rangers - to managers and football rivalries - from 'El Clásico' to the Faroe Islands derby, via an unusual roll-call of talent that stretches from Ferenc Puskas to Stan Bowles, Eric Cantona to Jose Chilavert and Garrincha to Perry Groves. It also recalls extraordinary games, from 'The Battle of Highbury' to underdog fixtures where the likes of Northern Ireland, Wimbledon and Dynamo Kiev overcame the might of Spain, Liverpool and the Nazis. Post-match analyses of football culture, ephemera, science and some strange statistics, complete this ultimate fiesta of football fun.

Football and the Law Nick De Marco KC, 2022-09-30 Football is the biggest game in the world and the richest. This has contributed to the growth of legal issues and disputes in football and to an increasingly specialised legal services market in football. Since 2002, approximately half of all sports disputes before the Court of Arbitration in Sport (CAS) have been in football. Football and the Law provided the first comprehensive review of the law relating to all aspects of football in the world, including all the main regulatory and commercial aspects of the sport. With contributions from 67 of the leading experts in the field, it is a valuable resource

to lawyers and others active in the football industry, as well as a vital source of material to students, legal practitioners and others who wish to learn more about the area. The work includes reference to the key legal principles, cases and regulatory materials relevant to football. The key developments for the 2nd Edition include: – Refiguration of European football/ ESL breakaway / new international structures – Independent regulation of football – Impact of Brexit Safeguarding – child abuse in football – Growth of racism and regulatory responses – FIFA banning 'bridge loans' (relevant to third party ownership) – FIFA's new plans to regulates agents and cap fees – Emergence of salary caps in football and legal challenges to them – Various high profile Financial Fair Play cases Class action in football re head injuries – Challenges to Owners and Directors test – calls for independent regulator – New chapter covering developments in CAS cases This title is included in Bloomsbury Professional's Sports Law online service.

Come and Get Me Jim White,Kaveh Solhekol,2023-07-11 For three months every year football clubs buy and sell human beings. They spend more than £4 billion a year on footballers. The right deal can help you win you the game's top prizes, the wrong deal can cost you your job and bankrupt your club. Jim White and Kaveh Solhekol are two of the world's leading transfer experts. Let them take you behind the scenes into this murky, cutthroat, winner-takes-all, billion-pound world. Jim and Kaveh have some of the best contacts in the business. In *Come and Get Me* they will talk to the world's most famous players, managers and agents to take you to the heart of the deals that happened and the ones that got away. Names Jim and Kaveh will speak to for the book include: Jose Mourinho, Sir Alex Ferguson, Jurgen Klopp, Pep Guardiola, Jorge Mendes, Mino Raiola, Jonathan Barnett, Kia Joorabchian, Harry Kane, Jack Grealish, Raheem Sterling and many more. But has the time come for football to slam shut the window for good? Isn't it immoral to buy and sell humans? Why doesn't football have a draft system like the NFL? Jim and Kaveh will speak to leading NFL owners such as Robert Kraft of the New England Patriots to find out how they do things in the USA to answer these questions integral to the future of the game.

Football in Neo-Liberal Times Peter Kennedy,David Kennedy,2016-02-05 This book offers an original Marxist critique of the European football business. It argues that the Marxist account of the difference between profits and surplus value is crucial to an understanding of the fluid and contradictory nature of the commodification of football. Section one analyses the nature of modern professional football and section two highlights attempts, via government agency and football clubs, to corral fans into ever greater identification with business logic aimed at breaking traditional social relations. Section three draws on a number of cases studies across Europe, to analyse how some fans are attempting to mount a counter ideological response to the assault of neo-liberalism on the game.

Sports Law Simon Gardiner,Roger Welch,Simon Boyes,Urvasi Naidoo,2012-03-12 Long established as the market leading textbook on sports law, this much-anticipated new edition offers a comprehensive and authoritative examination of the legal issues surrounding and governing sport internationally. Locating the legal regulation of sport within an explicit socio-economic context, this refocused edition is divided into four core parts: Governance & Sport; Commercial Regulation; Sports Workplace; and Safety in Sport. Recent developments covered in this edition include: EU competition law interaction with sport under arts. 101 and 102 of the Treaty on the Functioning of the European Union; the current World Anti-Doping Agency code; analysis of the recent Court of Arbitration for Sport Jurisprudence; reforms of the transfer system in team sports; anti-discrimination provisions in sport; engagement with match fixing; a focus on the legal context of 2012 London Olympics. Essential reading for students studying sports law or sports-related courses, this textbook will also prove useful to sports law practitioners and sports administrators in need of a clear companion to the field.

Made in Africa Ed Aarons,2020-06 The 2018/19 Premier League season was a historic one for African players in English football. More than 130 years after Arthur Wharton became the first, Sadio Mané and Mohamed Salah shared the Golden Boot with Arsenal's Gabon striker Pierre-Emerick Aubameyang in a record-breaking campaign that saw Liverpool pipped for the title by a point by Manchester City.A statue of Wharton now stands at the Football Association's headquarters at St George's Park – a testament to his status as an important pioneer of the game. But the story of how it got there, just like many of the African players who followed in his path such as Steve Mokone, Albert Johanneson, Peter Ndlovu, Christopher Wreh, Lucas Radebe and Didier Drogba, is far from straightforward. Ed Aarons describes how they confronted racism to help change the face of English football forever, enabling the modern generation of superstars like Mané and Salah to flourish.Detailing their remarkable journeys to Anfield from Senegal and Egypt, *Made in Africa* also features an exclusive interview with Liverpool manager Jürgen Klopp – who broke the transfer record for an African player for the third time in the space of 14 months when he signed Naby Keïta for almost £53m in August 2017. He explains how the club's African contingent played an integral role in the thrilling climax to the season that ended with them becoming European champions for the sixth time.
