Hated... with a Passion Lawanna
Damous, 2010-10-26 Passion Coley began life with the world at her fingertips, due to her father's wealth. When her father was arrested and sentenced to 10 years, she and her mother went from riches to rags within a matter of months. Passion was often left in her grandfather's care which was a big mistake. After being molested and other traumatic events at home, she was placed into foster care where she met her best friend...and worst enemy. When she met Dru Tidwell, her life seemed to be changing for the better. With his New York/Miami ties, they reigned over the streets of Youngstown. Unbeknownst to Dru, she caught him cheating with the only person she trusted in the world and plotted to secretly destroy them and conquer the game all at once...but her plan backfired, leaving Passion to make a devastating, life altering decision that threatened to ruin her career and take her off the streets...permanently. Ride with Passion as she attempts to beat the odds. Will she succeed or succumb to the rough streets of Youngstown, Ohio?

A Motif Index of The Thousand and One Nights

Hasan M. El-Shamy, 2006-12-21 In 1704 the French Orientalist Antoin Galland introduced to the Western world a translation of The Thousand and One Nights. Over the course of two subsequent

centuries, numerous editions followed. Many of these, like Galland's, included texts of stories not found in the indigenous manuscripts of the Nights but selected by the European editors from other literary and oral collections of ordinary folktales and legends. Thus, the original work acquired a Western designation as The Arabian Nights, a title unknown among the masses in Arab lands. Now, three centuries later, original publication of The Thousand and One Nights is being celebrated with widespread, renewed interest in the work. Hasan El-Shamy's motif-index, based on an authentic folk edition of Alf laylah wa laylah, provides scholars of various fields accurate information about the content of this classic piece of Arabic folk tradition.

Sex in Language Eliecer Crespo-

Fernández, 2015-08-27 Metaphor has long provided a rich way to speak about the unspeakable, to refer to delicate issues. Sex is one such area. This book follows a cognitive-linguistic and relevance-theoretic approach to the language of sex, considering metaphor as a bridge that brings together mind and language. It does this through the analysis of the antithetical mechanisms of verbal mitigation and offence. These two mechanisms are (more commonly know as) euphemism and (its lesser known companion term) dysphemism. The volume reflects on the social and communicative functions that sexual metaphors perform in a sample of almost two hundred postings taken from internet forums. How do people think about sex? How do people avoid talking about sex? How do people paraphrase sexual topics? It offers an account of how real language users understand sexual taboo in present-day English and also a great grounding in manual corpus work on a qualitative level.

Reunited R. N. Noveck, 2011-08-10 Will Fisher volunteers to recruit fellow alums he hasn't seen for forty-five years to attend the 2007 Alumni Reunion of the Poitiers American High School. As an American teenager coming-of-age in France in the late 1950s, Will has special memories of how joining the closely-knit military community made a life altering impact on him and his new friends. Until the reunion weekend, he didn't know how much of an impact. *Reunited, The Life and Loves of an Army Brat*, is a nostalgic, intricately plotted, multi-generational novel of how Will, through conversations on the phone and during the reunion weekend, relives his unique high school experiences in France and how he and the first two loves of his life, SueAnn and Sloane, have fared since their return to the U.S. His *Army Brat* background helps him bond with Gina, his future wife, and how, through a Fisher family connection, Gina discovers the details of her deceased mother's experiences during the Holocaust. At the reunion's closing brunch at Will's and Gina's home, SueAnn's glancing at a photo, triggers a long suppressed memory that leads to a stunning discovery that SueAnn, Will, and their families have to resolve.

Hands-on Help Isaac M. Marks, Kate Cavanagh, Lina Gega, 2007-05-07 Hands-on Help is a narrative review of the mushrooming field of computer-aided psychotherapy for mental health problems as a whole, from the time it began in the 1960's through to the present day. The many types of computer-aided psychotherapy and how each might be accessed are detailed together with the pros and cons of such help and the functions it can serve. The authors review prevention as well as treatment. The book describes and summarizes 97 computer-aided self-help systems in 175 studies according to the types of problem they aim to alleviate. These include phobic, panic, obsessive-compulsive and post-traumatic disorders, depression, anxiety, eating disorders, sexual problems, smoking, alcohol and drug misuse, schizophrenia, insomnia, pain and tinnitus distress, and childhood problems such as encopresis, autism and asthma. Within each type of problem the systems are described according to whether they are used on the internet, CD-ROM, phone, handheld or other device. The final chapter shows how internet self-help systems with phone or email support allow clinics to become more virtual than physical. It also discusses methods of screening suitability and of supporting users, constraints to delivery, uptake and completion, cost-effectiveness, and the place of computer-aided self-help in healthcare provision. This informative book will be essential reading for psychiatrists, psychologists and all other mental health professionals interested in broadening their understanding of computer-aided psychotherapy.

Poppy Does Paris & Lily Does LA (Girls On Tour BOOKS 1 & 2) Nicola Doherty, 2015-01-15 Jet off to romantic Paris and sunny LA with this exclusive two in one ebook, perfect for fans of Lindsey Kelk's I Heart... novels. Paris. City of love, city of romance. The last place you want to go to on a work trip when you're in the middle of an epic dry spell. But that's where Poppy is headed, along with her colleague Charlie, who's shallow and annoying but very, very good-looking. During a white-wine-fuelled session with her friend Alice,

Poppy concocts the perfect plan: work by day, and have some no-strings fun with Charlie by night. Of course, it might prove a little more complicated than that, but it's nothing Poppy can't handle - or is it? Lily is an actress. At least, that's what she tells people, even though she's currently working in a call centre and her last big part was an ad for Sofa Warehouse. So when she's invited to her cousin Alice's wedding in LA, it's a dream come true. Alice's fiance Sam is actually a Hollywood agent; how can Lily fail to get talent-spotted? There's only one problem; not only is Lily banned from mentioning acting, parts or producers to Sam, she's expected to spend the entire week doing wedding-related prep (read: chores) with Sam's boring groomsman Jesse. But Lily firmly believes that rules were made to be broken ... Girls on Tour is an irresistible series of interlinked stories about four ordinary girls who have extraordinary fun in faraway places. Expect the unexpected, the utterly hilarious and unforgettable, on this rollercoaster ride of love, laughs, surprises and sparks. You have a VIP pass to join each girl's adventure, so pack your bags and buckle your seatbelts, because just about anything is possible...
