Younger (Sexier) You Eric R. Braverman,Ellie Capria,2012-01-31 Just as he used the latest brain science to help tens of thousands reverse the effects of aging and achieve lasting weight loss, Dr. Eric Braverman now uses the most up-to-date research on hormones and the brain to explain how great sex contributes to great health, and vice versa. He explains that sexuality plays a huge role in keeping us young, fit, and healthy—helping with everything from cognitive function to stress reduction to appetite control. It has even been shown to increase levels of hormones that protect against infections and cancer. Furthermore, preserving a good sex life is an important factor in maintaining a loving relationship and curbing the urge to stray that can lead to unfaithfulness and disappointment. Beginning with a discussion of the brain and an explanation of sex codes, or how individuals personally view and approach sex, and a quiz to help each reader determine her specific sex code, Braverman looks closely at the major hormones involved with sexual activity and explains how to make permanent changes to four main areas affected by the aging process: libido, creativity, stamina, and satisfaction—for an additional 7-10 years of great sex. With information and advice to address the health concerns of men and women alike, Younger (Sexier) You will help every couple achieve greater pleasure and intimacy; showing them that that the most effective way to remain young and sexy just might be the most pleasurable.

The Netflix Effect Kevin McDonald,Daniel Smith-Rowsey,2018-02-22 Netflix is the definitive media company of the 21st century. It was among the first to parlay new Internet technologies into a successful business model, and in the process it changed how consumers access film and television. It is now one of the leading providers of digitally delivered media content and is continually expanding access across a host of platforms and mobile devices. Despite its transformative role, however, Netflix has drawn very little critical attention-far less than competitors such as YouTube, Apple, Amazon, Comcast, and HBO. This collection addresses this gap, as the essays are designed to critically explore the breadth and diversity of Netflix's effect from a variety of different scholarly perspectives, a necessary approach considering the hybrid nature of Netflix, its inextricable links to new models of media production, distribution, viewer engagement and consumer behavior, its relationship to existing media conglomerates and consumer electronics, its capabilities as a web-based service provider and data network, and its reliance on a broader technological infrastructure.

After more than a decade chasing shadows, Antonio Santos finally has a lead on the hiding place of The Serpent, the elusive villain who kidnapped him as a child and murdered his mother and uncle. But in order for Tony to get close, he’ll need access to an exclusive private island—where he can only enter with a woman on his arm. Antonio goes to Stark Security to call in a debt ... then walks out with Emma Tucker on his arm. A loner, Antonio isn’t interested in having a partner. He just needs a female. But the striking redhead’s skills soon impress him. More than that, her lush body and beguiling self-assurance tease his senses in unanticipated ways. A longtime operative with deadly skills, Emma resents being arm candy for someone else’s agenda. But the more she works with Antonio, the more she admires his razor sharp intelligence and formidable prowess. And when the island’s games push them over a sensual cliff, she can’t deny his talents in the bedroom, too. As passion rises on this island playground full of lust and danger, they both fight the growing attraction between them. But with danger racing toward them from both on and off the island, they soon realize that more than their hearts are at stake. Because unless they can trust and rely on each other, they also risk losing their lives. Destroyed With You Former sheriff Winston Starr doesn’t think about the past. That dark day when he lost the sweet, innocent woman he’d loved, dead because of his mistake in a mission that had gone horribly wrong. Now an operative with Stark Security, he’s left Texas behind, focusing only on his work and closing his heart to love even as his soul screams for revenge against the scum that killed his Linda. When old friends reveal new evidence, Winston learns that not only is Linda alive, she faked her death in the ultimate betrayal. But things are not as Winston believes, and he soon finds himself on the run with the woman who ripped his heart out. Now, the only thing stronger than his rage is his desire for the woman who destroyed him. Ravaged With You Retired from the military and finally free of the demons of past missions, former Special Forces soldier Charlie “Red”Cooper leads a blissfully calm life running his successful distillery. At least until the day he finds his partner and best friend drowned in one of their best barrels of whiskey. Now he must dredge up old skills and memories to not only avenge his friend’s death, but to protect the one woman who has always made his pulse race—his friend’s grieving widow. Shocked by her husband’s death, Josephine Swift should be mourning, but instead she’s terrified and...pissed. Turns out the husband she’d fallen out of love with was into some seriously bad business. Even worse, he’s dragged her and his partner into his web of deceit and danger. Now his mistakes could get them both killed. Jo is glad to have the benefit of Red’s skills to keep them safe. She shouldn’t be interested in him—especially not now—but there’s no denying the white-hot attraction that smolders between them. Red’s far too honorable to sully his best friend’s memory by giving in to his desire for Jo. But when their lives hang in the

balance, all bets are off. And as the depth of their passion grows, Jo dares to hope for a future. First, though, they have to survive... Charismatic. Dangerous. Sexy as hell.
