While his approach to heroics is...unconventional, his combination of modern weaponry, outside-the-box thinking, and ruthlessness has made his squad of misfits into one of the kingdom's greatest assets in the fight against the Demon Lord. This time, it's up to him, Alice, Snow, Rose, and Grimm to capture the impregnable Tower of Duster and face off against Heine of the Flames once more in an all-out battle...

The Netflix Effect Kevin McDonald,Daniel Smith-Rowsey,2018-02-22 Netflix is the definitive media company of the 21st century. It was among the first to parlay new Internet technologies into a successful business model, and in the process it changed how consumers access film and television. It is now one of the leading providers of digitally delivered media content and is continually expanding access across a host of platforms and mobile devices. Despite its transformative role, however, Netflix has drawn very little critical attention-far less than competitors such as YouTube, Apple, Amazon, Comcast, and

HBO. This collection addresses this gap, as the essays are designed to critically explore the breadth and diversity of Netflix's effect from a variety of different scholarly perspectives, a necessary approach considering the hybrid nature of Netflix, its inextricable links to new models of media production, distribution, viewer engagement and consumer behavior, its relationship to existing media conglomerates and consumer electronics, its capabilities as a web-based service provider and data network, and its reliance on a broader technological infrastructure.

The Hite Report Shere Hite, 2011-01-04 A reproduction of the classic text, unavailable now for more than a decade, with a new introduction by the author. The Hite Report, first published in 1976, was a sexual revolution in six hundred pages. To answer sensitive questions dealing with the most intimate details of women's sexuality, Hite's innovation was simple: she asked women, a lot of them, everything--and published the results. One hundred thousand women, ages fourteen to seventy-eight, were asked what they do and don't like about sex; how orgasm really feels, with and without intercourse; how it feels not to have an orgasm during sex; the importance of clitoral stimulation and masturbation; and to name the greatest pleasures and frustrations of their sexual lives, among many other questions. The Hite Report declares that orgasm is easy and strong for women, given the right stimulation; that most women have orgasm most easily during masturbation or clitoral stimulation by hand; that sex as we define it is a cultural

institution, not a biological one; and that attitudes must change to include the stimulation women desire.

Stark Security Collection 2 J. Kenner, 2022-08-31 "I am obsessed with the Stark Security series.... Kenner gives her characters heart of gold even if they cannot see it for themselves." — Crystal's Book World Charismatic. Dangerous. Sexy as hell. Meet the hot, damaged heroes of the elite security agency founded by billionaire Damien Stark. This Collection includes: Wrecked With You Destroyed With You Ravaged With You Wrecked With You He never wanted a partner. And then she came along. After more than a decade chasing shadows, Antonio Santos finally has a lead on the hiding place of The Serpent, the elusive villain who kidnapped him as a child and murdered his mother and uncle. But in order for Tony to get close, he'll need access to an exclusive private island—where he can only enter with a woman on his arm. Antonio goes to Stark Security to call in a debt ... then walks out with Emma Tucker on his arm. A loner, Antonio isn't interested in having a partner. He just needs a female. But the striking redhead's skills soon impress him. More than that, her lush body and beguiling self-assurance tease his senses in unanticipated ways. A longtime operative with deadly skills, Emma resents being arm candy for someone else's agenda. But the more she works with Antonio, the more she admires his razor sharp intelligence and formidable prowess. And when the island's games push them over a sensual cliff, she can't deny his talents in the bedroom, too. As passion rises on this island playground full of lust and danger, they both fight the growing attraction between them. But with danger racing toward them from both on and off the island, they soon realize that more than their hearts are at stake. Because unless they can trust and rely on each other,

they also risk losing their lives. Destroyed With You Former sheriff Winston Starr doesn't think about the past. That dark day when he lost the sweet, innocent woman he'd loved, dead because of his mistake in a mission that had gone horribly wrong. Now an operative with Stark Security, he's left Texas behind, focusing only on his work and closing his heart to love even as his soul screams for revenge against the scum that killed his Linda. When old friends reveal new evidence, Winston learns that not only is Linda alive, she faked her death in the ultimate betrayal. But things are not as Winston believes, and he soon finds himself on the run with the woman who ripped his heart out. Now, the only thing stronger than his rage is his desire for the woman who destroyed him. Ravaged With You Retired from the military and finally free of the demons of past missions, former Special Forces soldier Charlie "Red" Cooper leads a blissfully calm life running his successful distillery. At least until the day he finds his partner and best friend drowned in one of their best barrels of whiskey. Now he must dredge up old skills and memories to not only avenge his friend's death, but to protect the one woman who has always made his pulse race—his friend's grieving widow. Shocked by her husband's death, Josephine Swift should be mourning, but instead she's terrified and...pissed. Turns out the husband she'd fallen out of love with was into some seriously bad business. Even worse, he's dragged her and his partner into his web of deceit and danger. Now his mistakes could get them both killed. Jo is glad to have the benefit of Red's skills to keep them safe. She shouldn't be interested in him—especially not now—but there's no denying the white-hot attraction that smolders between them. Red's far too honorable to sully his best friend's memory by giving in to his desire for Jo. But when their lives hang in the balance, all bets are off. And as the depth of

their passion grows, Jo dares to hope for a future. First, though, they have to survive... Charismatic. Dangerous. Sexy as hell. Meet the elite team at Stark Security. Foreplay Carl Djerassi, 2011-03-24 Hannah Arendt, Walter Benjamin, and Theodor W. Adorno were intellectual giants of the first half of the twentieth century. The drama *Foreplay* explores their deeply human and psychologically intriguing private lives, focusing on professional and personal jealousies, the mutual dislike of Theodor Adorno and Hannah Arendt, the association between Walter Benjamin and Georges Bataille, and the border between erotica and pornography. Djerassi's extensive biographical research brings to light many fascinating details revealed in the dialogues among the characters, including Adorno's obsession with his dreams, Benjamin's admiration for Franz Kafka, and the intimate correspondence between Gretel Adorno and Walter Benjamin. The introduction of a fictitious character, Fräulein X, intensifies the complex interplay among the four lead protagonists and allows for a comparison of Adorno's philandering and the similar behavior of Martin Heidegger, whose affair with Hannah Arendt is well known. *Foreplay* brims with intrigue and the friction created when strong personalities clash.

Queer Theory and Communication Gust Yep, 2014-06-17 Get a queer perspective on communication theory! Queer Theory and Communication: From Disciplining Queers to Queering the Discipline(s) is a conversation starter, sparking smart talk about sexuality in the communication discipline and beyond. Edited by members of "The San Francisco Radical Trio," the book integrates current queer theory, research, and interventions to create a critical lens with which to view the damaging effects of heteronormativity on

personal, social, and cultural levels, and to see the possibilities for change through social and cultural transformation. Queer Theory and Communication represents a commitment to positive social change by imagining different social realities and sharing ideas, passions, and lived experiences. As the communication discipline begins to recognize queer theory as a vital and viable intellectual movement equal to that of Gay and Lesbian studies, the opportunity is here to take current queer scholarship beyond conference papers and presentations. Queer Theory and Communication has five objectives: 1) to integrate and disseminate current queer scholarship to a larger audience-academic and nonacademic; 2) to examine the potential implications of queer theory in human communication theory and research in a variety of contexts; 3) to stimulate dialogue among queer scholars; 4) to set a preliminary research agenda; and 5) to explore the implications of the scholarship in cultural politics and personal empowerment and transformation. Queer Theory and Communication boasts an esteemed panel of academics, artists, activists, editors, and essayists. Contributors include: John Nguyet Erni, editor of Asian Media Studies and Research & Analysis Program Board member for GLAAD Joshua Gamson, author of Freaks Talk Back: Tabloid Talk Shows and Sexual Nonconformity Sally Miller Gearhart, author, activist, and actress Judith Halberstam, author of Female Masculinity David M.
