**Getting Started in Forex Trading Strategies** Michael D. Archer, 2008-02-04 A Highly Visual Guide To Developing A Personal Forex Trading Strategy Getting Started In Forex Trading Strategies A great next step to read for the beginning trader. It contains practical advice and resources on trading FOREX that only come with experience. -Derek Ching, President, Hawaii Forex We have members from over 125 countries on our Web site and plan to make Getting Started in Forex Trading Strategies a 'must read' for those looking to trade the FOREX market. It is good to see a book that emphasizes the importance of other elements, such as money management, which are crucial to master if one is to stay in this game. Well done! -Jay Meisler, cofounder, Global-View.com Written in a straightforward and accessible style, Getting Started in Forex Trading Strategies is a highly visual guide to foreign exchange trading that introduces you to the Codex Method-a proven process that allows you to tailor a trading strategy to your own personal preferences. Divided into four comprehensive parts, this reliable resource opens with a brief overview of traditional FOREX strategies. From here, author Michael Duane Archer outlines his own personal codex-as he guides you through the process of developing yours-and reveals how to use this approach to make, monitor, and exit a trade. Along the way, Archer reveals the best ways to implement your strategy and discusses the importance of consistently keeping trading records. In his previous book, Getting Started in Currency Trading, Archer set a solid foundation for trading the currency market by illustrating how it operated. Now, with Getting Started in Forex Trading Strategies, Archer goes a step further by showing you how to cultivate a personal trading strategy that will allow you to succeed within this dynamic environment.

*Forex Essentials in 15 Trades* John Bland, Jay M. Meisler, Michael D. Archer, 2009-03-23 Traders are constantly learning their craft. Those who do not share information, discuss tactics and review prior trades are doomed for failure. Global-View.com knows this. It is the leading destination for Forex traders looking to learn and discuss trading. With over 33,000 registered users from 125 countries, Global-View.com exposes its users to an incredible base of knowledge. In this book, the authors dissect each of 15 chosen trades, using the material to expose some of the best (and worst) practices of a Forex trader. The book weaves a plethora of Global-View.com information into the detailed dissection. Each description will include how the trade was selected and why it was made, as well as money management and psychological aspects of the trade. Entertaining anecdotal stories are interspersed throughout each trade story.

- How to get in the trading zone like an elite athlete

**FX Insider** Bradley Gilbert, 2012-08-31 There are plenty of books out there proclaiming to "tell all" or to "reveal the secrets" to foreign exchange (or forex) trading. There are plenty of "gurus" offering advice and suggestions on how to trade the market successfully. But how many of these people have any real industry experience in trading foreign exchange? Not many, I can tell you that right now. I'm Bradley Gilbert, and I worked on the front line for eighteen years at some of the biggest investment banks in the world—and I made over \$70 million in that time. Do I have your attention yet? So, if you really want to make money trading FX, follow me! This book has been written to give you, the retail trader, a real and practical guide to trading the forex markets. Based on my own personal experiences, incorporating the same skills and strategies used by commercial interbank traders and hedge funds, I can help you up your game in the markets. Believe me, running with the "big dogs" is a lot more fun and a lot more rewarding than running against them—and understanding this is a key part to your future success. Once you have completed the book, you'll feel more like you're a part of the market instead of a random speculator. Seeing the market through

a new set of eyes will help you to take advantage of the many opportunities the market presents day after day, week after week. Good luck and happy trading!

**Beat the Odds in Forex Trading** Igor R. ***Risk Management for Forex Trading Beginners*** Jose Pecunia, As a brand new investor and Forex trader with zero knowledge of the business you are at a loss as to what information you actually do and do not need. Much of what the current trading education industry is putting out is not only giving you information that is all backwards, it is very unrealistic to do in the live markets, and can get you into a lot of trouble. Why would you want to learn something that could potentially

cause you to lose money right away in your new trading business? The trading education industry is not regulated so beware of that. Anyone can put out a YouTube video of anything and brand new Forex traders who are watching these types of things thinking that what they are viewing are the right things to do. I have seen brand new investors and traders waste a serious amount of valuable education and training time on learning information that will not do them any good and can even cause them to lose some of their hard earned money right away in the live markets. No one wants that however it is a huge mistake that brand new Forex traders make because they don't know any better. This book is for beginners and will detail many of the things that a brand new Forex trader must learn not to do before they can become consistently profitable in the live markets. You're heard the saying "just say no to drugs", just say no to day trading and you and your account will be waaaaay ahead of the game to start off. Don't say I didn't warn you, OK, continue with your insanity and read this entire book to give yourself a fighting chance. Use Risk Management for Forex Trading Beginners as an overview or a guide if you will, for what to study and learn first to become consistently profitable from Forex trading. I give you concise information as to what to learn first and what to look for as far as further information is concerned. I tell you only the most critical things to learn first because those are absolutely the most important and the ones that will make you money right away if you do them. This book is written to provide straightforward, easy to understand and easy to apply advice, tips and techniques that can be the backbone of any traders success in the financial markets.

7 Winning Strategies for Trading Forex Grace Cheng,2007-05 Many traders go around searching for that one perfect trading strategy that works all the time in the global FOREX (foreign exchange/currency) market. Frequently, they will complain that a strategy doesn't work. Few people understand that successful trading of the FOREX market entails the application of the right strategy for the right market condition. 7 Winning Strategies For Trading Forex covers: - Why people should be paying attention to the FOREX market, which is the world's largest and most liquid financial market - How understanding the structure of this market can be beneficial to the independent trader - How to overcome the odds and become a successful trader - How you can select high-probability trades with good entries and exits. Grace Cheng highlights seven trading strategies, each of which is to be applied in a unique way and is designed for differing market conditions.
