The Fortune Teller Gwendolyn Womack,2017-06-06 NOW A USA TODAY AND LOS ANGELES TIMES BESTSELLER From the award-winning author of *The Memory Painter* comes a sweeping and suspenseful tale of romance, fate, and fortune. Semele Cawnow appraises antiquities for an exclusive Manhattan auction house, deciphering ancient texts—and when she discovers a manuscript written in the time of Cleopatra, she knows it will be the find of her career. Its author tells the story of a priceless tarot deck, now lost to history, but as Semele delves further, she realizes the manuscript is more than it seems. Both a memoir and a prophecy, it appears to be the work of a powerful seer, describing devastating wars and natural disasters in detail thousands of years before they occurred. The more she reads, the more the manuscript begins to affect Semele's life. But what happened to the tarot deck? As the mystery of her connection to its story deepens, Semele can't shake the feeling that she's being followed. Only one person can help her make sense of it all: her client, Theo Bossard. Yet Theo is arrogant and elusive, concealing secrets of his own, and there's more to Semele's desire to speak with him than she would like to admit. Can Semele even trust him? The auction date is swiftly approaching, and someone wants to interfere—someone who knows the cards exist, and that the Bossard manuscript is tied to her. Semele realizes it's up to her to stop them: the manuscript holds the key to a two-thousand-year-old secret, a secret someone will do anything to possess.

A Fortune-Teller Told Me Tiziano Terzani,2010-02-17 Warned by a Hong Kong fortune-teller not to risk flying for a whole year, Tiziano Terzani – a vastly experienced Asia correspondent – took what he called “the first step into an unknown world. . . . It turned out to be one of the most extraordinary years I have ever spent: I was marked for death, and instead I was reborn.” Traveling by foot, boat, bus, car, and train, he visited Burma, Thailand, Laos, Cambodia, Vietnam, China, Mongolia, Japan, Indonesia, Singapore, and Malaysia. Geography expanded under his feet. He consulted soothsayers, sorcerers, and shamans and received much advice – some wise, some otherwise – about his future. With time to think, he learned to understand, respect, and fear for older ways of life and beliefs now threatened by the crasser forms of Western modernity. He rediscovered a place he had been reporting on for decades. And it reinvigorated him. The result is an immensely engaging, insightful, and idiosyncratic journey, filled with unexpected delights and strange encounters. A bestseller and major prizewinner in Italy, *A Fortune-Teller Told Me* is a powerful warning against the new missionaries of materialism.

Soon his life begins changing in unexpected ways. It turns out that years of observing other people make Norbert an excellent card reader. As Norbert's lonesome world expands with new friendships and a newfound self-confidence, he finally finds what he never had—a place to belong. But disaster looms on the horizon. When a troubled young woman goes missing after a bad reading, Norbert must find a strength beyond the cards to bring her home safely.

Appalacian Magic; The Life and Lessons of a Fortune Teller Janet Rice,2011-06-01 Appalachian Magic is about the life of Janet Rice who was born into a humble, hardworking family in the heart of Appalachia. It was a time and place where communication was limited and all one had to depend on was family and neighbors. Superstition ran rampant amongst the people, as well as hard-core religion. It was common practice to mix folklore, spells, and religion together in the quiet solitude of the majestic hills. There were stories and legends told in hushed tones about demons, ghosts, spells being cast and curses being removed. The local fortune tellers, tea leaf readers, and water glass gazers were always available. Appalachian Magic begins in the forties and weaves a magical story about a young girl who grew up in the hills of Appalachia. She took the wisdom that she had learned from her ancestors

and coupled it with her intuitive abilities to become a successful Appalachian Fortune Teller.
