Bomb Pops, Blow Dryers, and Butterfly Kisses Angelia Waite,2015-06-02 One minute, Ramsey was eating a popsicle by the pool. The next, he was . . . gone. In an instant—less than the time it takes to give butterfly kisses—the Waite family was forever changed. Whether you have buried a child; had dreams and hopes stolen; experienced a failed marriage, the foreclosure of a home, a debilitating illness, or any other type of devastating loss; I pray you find answers in this book and that they bring back peace and hope. If you are desperate for answers, reeling from loss, or crushed by your circumstances, know that you are not alone. There is hope. There is always hope. Angelia Waite is a unique theologian. She is enthusiastic, entertaining, visional, courageous, and original. She holds a Masters of Divinity, a successful personal ministry, a non-profit organization called Ramsey's Rescue, Inc., and has a huge heart for helping people through the unexpected challenges of life. She is married to Dr. Jay Waite, a practicing veterinarian in Madison, Alabama. They have been married for more than thirty years and they have three sons: Benji, Chandler, and Ramsey.

The Vine and the Branches Nathaniel M. Van Cleave,2014-09-02 A history of the Church of the Foursquare Gospel—tracing its growth, doctrine, organization, mission to the world, and even its difficulties.

Identity Keystones: Jessie Cruickshank,Aaron Friesen,Evelyn Hernandez,Steve Overman,Leah Payne,Jeff Roper,Matt Temple,Karen Tremper,Sam Rockwell,2017-06-14 Ninety years ago, in 1927, the Foursquare Movement was birthed through the ministry of Aimee Semple McPherson. Based on her historical context and what was accepted by the church culture at the time, Sister Aimee was clearly a phenomena. Regardless of the cultural and theological restraints placed upon her, she pursued her task. What is my task? she asked rhetorically. To get the gospel around the world in the shortest possible time to every man and woman and boy and girl. Through her unique, pioneering style she trained up missionaries and sent out church planters across the United States and into several countries. Today the Foursquare Church is in over 150 nations and numbers over 75,000 churches.The Identity Keystones of the Foursquare Church as a movement are as unique as its founder. By applying principles of organization identity theory Sam Rockwell identified five domains of expertise of the Foursquare Church. These are: Integrated Mission, Women in Senior Leadership, Pentecostal Ethos, Indigenous Empowerment, and Moderation/Middle of the Road Policy. A group of contributors have partnered with Rockwell to cover each of the domains and to bring application to ministers of the Foursquare Gospel.As Rockwell states in his introduction, As we respond to a postmodern landscape and a post-Christian culture in the United States, it is more urgent than ever to consider how the Foursquare identity uniquely prepares us for this emerging and challenging era ahead...The aspects of 'who we are' and 'what we do' are more relevant than ever.

The Church on the Way Jack W. Hayford,1984-02

Let Go of the Ring Ralph Moore,2019-06-19 If you make disciples and want to multiply churches, this book is for you.In its 6th edition since appearing in 1983 this book has helped several thousand pastors move from growing strong Christ-followers to multiplying churches. It will teach you to leverage your gifts in the lives of others. Ralph's story and the story of Hope Chapel is a challenge to let go of our ways for God's ways. Not the most charismatic speaker, he makes up for it with his writing.The title came from a challenge by Ralph's dentist over plans to leave a megachurch in California to start over in Hawaii, You'll never do it, Frodo, you'll never let go of the ring. The big ones never do.The motive behind the book is to do things beyond our comfort zone and learned behavior. To believe in others when others normally wouldn't. To let go of our desire for self-importance for God's plans. In other words, to LET GO OF THE RING.Read and observe as one tiny congregation grows into a movement of more than 2,400 congregations (more than 200,000 people). Ralph's account of what it took to abandon security and begin again is three times inspiring. What sets it apart from other books on church multiplication is that this man actually experienced the story with all its bumps, bruises and victories. The book is short on theory and long on reality.This story of the Hope Chapel mosaic of churches is funny and heartwarming, it also presents a simple, practical approach to making disciples and multiplying churches.See how God turned a handful of people, with no money and few resources, into a movement operating on every continent.You'll learn how individual surrender to God mounts up to allow ordinary people to make a great difference in the world.What happened to these people could happen to you!Gather:1. The organic nature of making disciples through relationships.2. Just how little material support you need to plant a church.3. The power of God to turn broken lives into strong tools of his grace.4. Why a promise to love you... as is! is important to the spread of the gospel.5. Next steps in your own life.In truth, ministry shouldn't be such hard work. Disciplemaking and church multiplication ought to be easier and life as a leader shouldn't be as difficult as it is. Perhaps you struggle in your dreams to make disciples and plant churches. Let Ralph Moore come alongside, through this book and the tools he offers on his blogsite, www.ralphmoore.net. He's been in your shoes-hopeful to make a dent in the world, yet unsure of himself. Let his experience come alongside to guide you to where God wants you to go.As you learn to walk the uncommon path, you'll find new ways to model the character of Jesus and discover his supernatural power to help you along the way.

Women in Ministry Leadership The Foursquare Church,2020-10 Explore the scriptural basis, rationale and explanation behind The Foursquare

Church's commitment to release women, as equals to men, for godly leadership in Christ's Church, including as senior pastors and lead missionaries. This booklet is a critical read for ministers.

In Search of the Church Douglas Hagey, 2007-09 Filled with humorous and sometimes heart-rending stories that will help readers rethink the meaning of church, this text presents an honest examination of the effects of church on the authors journey in order to encourage Christians to re-examine their own pilgrimage.

The Community of God Douglas Bursch, 2017-05-19 We were created for community. So why do we want to be alone? The Bible tells the story of the immense power of human relationships and God's love for the church. Douglas Bursch presents a timely, insightful and practical theology of community. He examines the relational implications of human existence, sin, salvation, discipleship, evangelism and other key biblical concepts. Doug also shares unfiltered stories concerning his personal weaknesses and the relational struggles he has faced as a pastor. Each chapter contains thought-provoking questions that can be used by individuals, pastors, small groups and college classes for further in-depth discussions. Doug's writing cuts to the heart of why community is so valuable but so costly. *The Community of God: A Theology of the Church From a Reluctant Pastor* is an indispensable resource for creating healthy Christian community in an increasingly individualistic world. Doug Bursch is one of the best thinkers of our day. He artfully mixes a sound theology with a practical application in a complex, combustible 21st Century culture that desperately needs a clarion voice. - Glenn Burris Jr., President of The Foursquare Church Doug is unafraid to question the deep things of our faith but always does so as a committed believer. He's interesting, passionate and practical all at the same time. - Dr. Steve Schell, Senior Pastor of Northwest Church; host of Life Lessons and author of *Preaching Through Romans*

Foundations of Pentecostal Theology The Foursquare Church, Guy P. Duffield, Nathaniel M. Van Cleave, 2020 Discover doctrinal principles from a Pentecostal perspective. Featuring sound doctrine in easy-to-understand terms, this book covers topics key to the Trinity and the Christ-follower's spiritual life, such as Spirit-filled theology, sin and salvation, divine healing, ecclesiology and more. Written by Guy P. Duffield and Nathaniel M. Van Cleave.

The Monday Morning Church Jerry Cook, 2010-06-15 Fired by the passion to take the message of the gospel beyond the walls of the church, Jerry Cook challenges Christians to reconsider their role in society. Jerry Cook emphasizes that the church on Monday operates in the experience of the non-believer where the greatest impact for God can occur. He encourages Christians to consider themselves strategically placed by Jesus Christ to go to the non-believer rather than having them come to God. Drawing from the book of Ephesians, he challenges traditional thinking of how ministry occurs and what the church should be while presenting an exciting new paradigm of living for Christ.

The Holy Spirit Aimee Semple McPherson, 1931

Doing What Jesus Did John Decker, Sonja Decker, 2015 But be doers of the word, and not hearers only. --James 1:22, nkjv *Doing What Jesus Did* invites you to learn how to move into the supernatural realm that Jesus said in John 14:12-14 we could, and should, enter. Husband-and-wife authors John and Sonja Decker will equip you to minister in the way Jesus invited us to, including miracles, by teaching you His six essential strategies for effective discipleship: - Leading people to Christ - Leading Christians into the Holy Spirit baptism - Learning how to heal the sick - Hearing from God - Healing the sick by revelation - Dealing with demons Much more than a handbook of New Testament principles, *Doing What Jesus Did* will be a catalyst for you to love Jesus more deeply as you minister His life, love, and power more dynamically.

The Second Coming of Christ Aimee Semple McPherson, 2014-05-05 The Lord will come again; He promised us that. But is His church ready? We know neither the day nor the hour of Christ's return, but we are instructed to be ready at all times. Aimee Semple McPherson felt the urgency of this call, and she urges the church to be ready for His glorious return. Join "Sister Aimee," whom Time magazine named one of the most influential people of the twentieth century, in discovering what the second coming of Christ means to the church today. In this book, she answers questions that face many believers: Is Christ coming? How is He coming? When is He coming? For whom is He coming? The harvest is ready, and the Lord will come back to reap a bountiful, mature body of believers. Be prepared to rise up and meet Christ when He appears in the clouds of glory!

The Church on the Way Jack W. Hayford, 1982-01-01

Rites in the Spirit Daniel E. Albrecht, 1999-12-01 *Rites in the Spirit* is a book about spirituality, ritual, and Pentecostal experience. The volume presents a careful and innovative study of Pentecostal practices and experiences. Focusing on the very important, but often intriguing worship rites that express the spirituality of Pentecostals, Albrecht discovers that these Pentecostal/charismatic rites and their attending sensibilities also function to shape, nurture, authenticate and even transform the spiritual lives of these Christians. *Rites in the Spirit* seeks to guide Pentecostals, and the charismatically-inclined, toward self-interpretation and a more nuanced conception of, and a deeper appreciation for, their Pentecostal experience. The volume also aims to make a sometimes exotic spirituality more accessible and understandable to those who have had limited contact with Pentecostal/charismatic forms and expressions.

Shut in and Win Mamie Sconiers Leonard,2008-10 Offers guidelines for congregations and individuals to come aside and seek the Lord through prayer and fasting in the house of God. In this book you will learn how to organize and conduct a shut-in revival, hear inspiring testimonies of shut-in miracles, receive biblical examples of fasting and prayer.--Page 4 of cover

Youth in Cell Ministry Joel Comiskey,2016-11-22 If we are going to have a victorious church tomorrow, we must focus on the youth today. In this book, Comiskey lays out the biblical base for youth ministry, highlights the felt needs of today’s youth, and then shows why small groups are the most effective way to make youth disciples today. Comiskey explains the difference between inter-generational cells and student-led groups, the equipping process for youth leaders, how to coach leaders, and how to get started in youth cell ministry. Comiskey also describes common errors in youth ministry and how to avoid them. This book is a must-read for all those wanting to make youth disciples through cell ministry.
