Becoming Better Grownups Brad Montague, 2020-03-31 A New York Times-bestselling author looks for the meaning of a good life by seeking advice from the very young and the very old. When his first book tour ended, Brad Montague missed hearing other people's stories so much that he launched what he dubbed a Listening Tour. First visiting elementary schools and later also nursing homes and retirement communities, he hoped to glean new wisdom as to how he might become a better grownup. Now, in this playful and buoyant book, he shares those insights with rest of us -- timeless, often surprising lessons that bypass the head we're always stuck in, and go straight to the heart we sometimes forget. Each of the book's three sections begins with the illustrated story of The Incredible Floating Girl. Brad weaves this story together with lessons of success, fear, regret, gratitude, love, happiness, and dreams to reveal the true reason we are here: to fly, and to help others fly. Beautifully designed and featuring Montague's own whimsical 4-color illustrations that appeal to the kid in all of us, *Becoming Better Grownups* shares the purpose and meaning we can all discover merely by listening, and reveals that--in a world that seems increasingly childish--the secret to joy is in fact to become more childlike.

The Big Truck That Went By Jonathan M. Katz, 2013-01-08 On January 12, 2010, the deadliest earthquake in the history of the Western Hemisphere struck the nation least prepared to handle it. Jonathan M. Katz, the only full-time American news correspondent in Haiti, was inside his house when it buckled along with hundreds of thousands of others. In this visceral, authoritative first-hand account, Katz chronicles the terror of that day, the devastation visited on ordinary Haitians, and how the world reacted to a nation in need. More than half of American adults gave money for Haiti, part of a monumental response totaling \$16.3 billion in pledges. But three years later the relief effort has foundered. Its most basic promises—to build safer housing for the homeless, alleviate severe poverty, and strengthen Haiti to face future disasters—remain unfulfilled. *The Big Truck That Went By* presents a sharp critique of international aid that defies today's conventional wisdom; that the way wealthy countries give aid makes poor countries seem irredeemably hopeless, while trapping millions in cycles of privation and catastrophe. Katz follows the money to uncover startling truths about how good intentions go wrong, and what can be done to make aid smarter. With coverage of Bill Clinton, who came to help lead the reconstruction; movie-star aid worker Sean Penn; Wyclef Jean; Haiti's leaders and people alike, Katz weaves a complex, darkly funny, and unexpected portrait of one of the world's most fascinating countries. *The Big Truck That Went By* is not only a definitive account of Haiti's earthquake, but of the world we live in today.

The Pact Cody Garbrandt, 2018-05-08 A UFC champion and a boy with leukemia, in the fight of their lives. Cody Garbrandt dreamed of being a UFC champion. In his darkest moments, when those dreams were dashed, he dug deep with the help of an unlikely friend—five-year-old Maddux Maple, a local hometown fan with leukemia. They made a pact: Cody would be in the UFC and win the championship, and Maddux would beat cancer. Read their moving story in Cody's new book, *The Pact*, and go behind the scenes into Cody's training and how he made his dreams come true. Cody Garbrandt grew up in a rough town in the Central Appalachian region of Ohio, surrounded by a longstanding culture of fighting—and drugs. Raised in this environment by a single mom (his dad left him at the young age of three to reside in the Ohio State Penitentiary), Cody grew up fighting, and he grew up wild. His future seemed predestined to end in the coal mines, or in prison. Thankfully, Cody had visions of something more. His American Dream? Mixed Martial Arts. But a path to success wasn't clear. He spent as much time fighting in the streets as he did in the gym—one bad decision away from losing everything. Then, at age 20, Cody's brother introduced him to five-year old Maddux Maple. Maddux was deathly ill with leukemia, his survival by no means assured. A unique friendship developed as they made a promise to each other: Maddux would beat cancer, and Cody would make it to the UFC and become world champion. Through five long years of pain and hardship, they both persevered; Cody, through the agony and sacrifices of fighting his way to the top, and Maddux through the horrors of chemotherapy. They loved and supported each other. They

served as each other's inspiration. And in December 2016, they made good on their pact: Cody won his UFC Championship belt, which he promptly presented to Maddux—the boy who had beaten cancer into remission.

A Colony in a Nation Chris Hayes, 2017-03-21 New York Times Bestseller New York Times Book Review Editors' Choice An essential and groundbreaking text in the effort to understand how American criminal justice went so badly awry. —Ta-Nehisi Coates, author of *Between the World and Me* In *A Colony in a Nation*, New York Times best-selling author and Emmy Award-winning news anchor Chris Hayes upends the national conversation on policing and democracy. Drawing on wide-ranging historical, social, and political analysis, as well as deeply personal experiences with law enforcement, Hayes contends that our country has fractured in two: the Colony and the Nation. In the Nation, the law is venerated. In the Colony, fear and order undermine civil rights. With great empathy, Hayes seeks to understand this systemic divide, examining its ties to racial inequality, the omnipresent threat of guns, and the dangerous and unfortunate results of choices made by fear.

You Don't Belong Here Elizabeth Becker, 2021-03-02 The long-buried story of three extraordinary female journalists who permanently shattered the barriers to women covering war Kate Webb, an Australian iconoclast, Catherine Leroy, a French daredevil photographer, and Frances FitzGerald, a blue-blood American intellectual, arrived in Vietnam with starkly different life experiences but one shared purpose: to report on the most consequential story of the decade. At a time when women were considered unfit to be foreign reporters, Frankie, Catherine and Kate challenged the rules imposed on them by the military, ignored the belittlement of their male peers, and ultimately altered the craft of war reportage for generations. In *You Don't Belong Here*, Elizabeth Becker uses these women's work and lives to illuminate the Vietnam War from the 1965 American buildup, the expansion into Cambodia, and the American defeat and its aftermath. Arriving herself in the last years of the war, Becker writes as a historian and a witness of the times. What emerges is an unforgettable story of three journalists forging their place in a land of men, often at great personal sacrifice. Deeply reported and filled with personal letters, interviews, and profound insight, *You Don't Belong Here* fills a void in the history of women and of war. 'A riveting read with much to say about the nature of war and the different ways men and women correspondents cover it. Frank, fast-paced, often enraging, *You Don't Belong Here* speaks to the distance travelled and the journey still ahead.' —Geraldine Brooks, Pulitzer Prize-winning author of *March*, former Wall Street Journal foreign correspondent 'Riveting, powerful and transformative, Elizabeth Becker's *You Don't Belong Here* tells the stories of three astonishing women. This is a timely and brilliant work from one of our most extraordinary war correspondents.' —Madeleine Thien, Booker Prize finalist and author of *Do Not Say We Have Nothing*

Stutterer Interrupted Nina G., 2019-08-06 Nina G bills herself as "The San Francisco Bay Area's Only Female Stuttering Comedian." On stage, she encounters the occasional heckler, but off stage she is often confronted with people's comments toward her stuttering; listeners completing her sentences, inquiring, "Did you forget your name?" and giving unwanted advice like "slow down and breathe" are common. (As if she never thought about slowing down and breathing in her over thirty years of stuttering!) When Nina started comedy nearly ten years ago, she was the only woman in the world of stand-up who stuttered—not a surprise, since men outnumber women four to one amongst those who stutter and comedy is a male-dominated profession. Nina's brand of comedy reflects the experience of many people with disabilities in that the problem with disability isn't in the person with it but in a society that isn't always accessible or inclusive.

Becoming Bonnie Jenni L. Walsh, 2017-05-09 Perfect for readers of Paula McClain, Lisa Wingate, and Hazel Gaynor, and fans of Bonnie and Clyde, *Breaking Bad* and Netflix's *The Highwaymen*, Jenni L. Walsh's sparkling debut tells the story of Bonnie Parker as it's never been told before—in her own words. It's the summer of 1927, and Bonnelyn Parker is more likely to belt out a church hymn than sling drinks at an illicit juice joint. She's a sharp girl with plans to overcome her family's poverty, provide for herself, and maybe someday marry her boyfriend, Roy Thornton. But in Cement City, Texas, there aren't many jobs a girl can do. When Bonnelyn finds work at Doc's,

Dallas's newest speakeasy, she finds herself falling hard—for the music, for the freedom, and for a young man with a hint of danger in his smile. Bonnie is about to meet Clyde Barrow. And her life—like her country—is headed for a crash. How do you get from good girl to gangster's moll? Jenni Walsh takes you along for the ride with Bonnelyn Parker in an account so vivid you would think you were there with her.”—New York Times bestselling author Lauren Willig In *Becoming Bonnie*, Jenni Walsh delivers an intriguing insight into the life of one half of the infamous duo, Bonnie and Clyde. I look forward to reading more from this new author. —New York Times bestselling author Hazel Gaynor At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Love, Life, and Lucille Judy Gaman,2020-04-14 Judy Gaman was so busy making a name for herself that she barely took the time to meet a stranger, enjoy life, or simply stop to breathe. Immersed in her job as the director of business development for a high-profile medical practice—a job that required her to write health and wellness books and host a nationally syndicated radio show—she spent every day going full speed ahead with no looking back. That is, until the day she met Lucille Fleming. While writing a book on longevity, Judy interviewed Lucille, an elegant and spirited woman who had just recently turned 100. Lucille had the fashion and style of old Hollywood, but it was all hidden behind the doors of her assisted living center. What began as a quick meeting became a lasting friendship that transformed into an inseparable bond. Lucille brought incredible wisdom and great stories to the table, while Judy provided an avenue for excitement and new opportunities. Together, the two began living life to the fullest, and meeting the most interesting people along the way (including Suzanne Somers). But then Lucille’s life came to an end through unexpected and unfortunate circumstances—and the very first lesson she ever taught Judy proved to be the most important one of all.

Cowboys of the Waggoner Ranch ,2015-11-01 Cowboys of the historic Waggoner Ranch are living legends.They are men who embody the attributes of dusty riders who braved the wild a century ago. The cowboys ride a vast ranch, the largest in the United States within one fence. The 510,772-acre ranch, a couple of hours northwest of Dallas/Fort Worth, was established in 1854, only nine years after Texas joined the Union. Jeremy Enlow was granted rare access to photograph the twenty-six cowboys who ride the trails of their forebearers, living a life and practicing skills that have almost disappeared. It is important to record their lives before they shut the gate behind them the last time. This book is a tribute to the cowboys of the Waggoner Ranch.

Handbook of Research on Race, Culture, and Student Achievement Keengwe, Jared,2023-01-13

There is growing pressure on teachers and other educators to understand and adopt culturally relevant pedagogies as well as strategies to work with diverse groups of races, cultures, and languages that are represented in classrooms. Establishing sound cross-cultural pedagogy is also critical given that racial, cultural, and linguistic integration has the potential to increase academic success for all learners. The Handbook of Research on Race, Culture, and Student Achievement highlights cross-cultural perspectives, challenges, and opportunities of providing equitable educational opportunities for marginalized students and improving student achievement. Additionally, it examines how race and culture impact student achievement in an effort to promote cultural competence, equity, inclusion, and social justice in education. Covering topics such as identity, student achievement, and global education, this major reference work is ideal for researchers, scholars, academicians, librarians, policymakers, practitioners, educators, and students.

The Mosaic Tile Company Larisa Harper,2022-03-25 Founded in 1894, the Mosaic Tile Company was the dream of two ceramic pioneers who intended to manufacture innovative ceramic mosaic murals while also dominating the utilitarian market. One of the largest such companies in the United States at the time, MTC's most significant contribution to the burgeoning Ohio pottery industry was the development of innovative and varied proprietary tile production and installation methods. Compared to its emphasis on mosaic murals, MTC's utilitarian and giftware goods were produced in limited quantities and were not well received at the time, making them rarer today. This book chronicles the history of ceramic creativity in Zanesville, Ohio, from its earliest days as a bustling town before the Great Depression through its recovery in the 1960s. It examines the Mosaic Tile Company's whole history, the bygone details of this long-lost business, its products and its employees, and incorporates images and postcards illustrating its products in each chapter.
