The Wonky Donkey Craig Smith, 2018-09-26 Kids will love this cumulative and hysterical read-aloud! The original viral sensation! I was walking down the road and I saw... a donkey, Hee Haw! And he only had three legs! He was a wonky donkey. Children will be in fits of laughter with this perfect read-aloud tale of an endearing donkey. By the book's final page, readers end up with a spunky hanky-panky cranky stinky-dinky lanky honky-tonky winky wonky donkey!

The Circle Dave Eggers, 2013-10-08 INTERNATIONAL BESTSELLER • A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a “compulsively readable parable for the 21st century” (Vanity Fair). When Mae Holland is hired to work for the Circle, the world’s most powerful internet company, she feels she’s been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users’ personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company’s modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can’t believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman’s ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.

The 5AM Club Robin Sharma, 2018-12-04 Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author over a rigorous four-year period, you will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, The 5am Club will walk you through: How great geniuses, business titans and the world’s wisest people start their mornings to produce astonishing achievements A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal growth A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed “Insider-only” tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, The 5am Club is a work that will transform your life. Forever.

Art Teacherin' 101 Cassie Stephens, 2021 Art Teacherin' 101 is a book for all elementary art teachers, new and seasoned, to learn all things art teacherin' from classroom management, to taming the kindergarten beast, landing that dream job, taking on a student-teacher, setting up an art

room and beyond. It's author, Cassie Stephens, has been an elementary art teacher for over 22 years and shares all that she's learned as an art educator. Art teachers, home school parents and classroom teachers alike will find tried and true ways to make art and creating a magical experience for the young artists in their life.

Liar Justine Larbalestier, 2010-05-18 The ultimate unreliable narrator takes readers on a thrill ride in this highly acclaimed novel. Prepare to grasp for truth until the very last page. Micah is a liar. That's the one thing she won't lie about. Over the years, she's duped her classmates, her teachers, and even her parents. But when her boyfriend Zach dies under brutal circumstances, Micah sets out to tell the truth. At first the truth comes easily. Other truths are so unbelievable, so outside the realm of normal, they must be a lie. And the honest truth is buried so deep in Micah's mind even she doesn't know if it's real. Readers will get chills . . . [and] be guessing and theorizing long after they've finished this gripping story. - Publishers Weekly, starred review [Micah's] suspenseful, supernatural tale is engrossing. . . . The chilling story she spins will have readers' hearts racing. - School Library Journal, starred review An engrossing story of teenage life on the margins. - Kirkus Reviews, starred review An ALA Best Book for Young Adults A School Library Journal Best Book of the Year A Kirkus Reviews Best Young Adult Book of 2009

Happy at Any Cost Kirsten Grind, Katherine Sayre, 2023-03-14 From award-winning Wall Street Journal reporters, “a startling portrait of one of our greatest tech visionaries, Zappos CEO Tony Hsieh” (Robert Kolker, author of *Hidden Valley Road*), reporting on his short life, untimely death, and what that means for our pursuit of happiness. Tony Hsieh—CEO of Zappos, Las Vegas developer, and beloved entrepreneur—was famous for spreading happiness. He lived and breathed this philosophy, instilling an ethos of joy at his company, outlining his vision for a better workplace in his New York Times bestseller *Delivering Happiness*. He promoted a workplace where bosses treated employees like family members, where stress was replaced by playfulness, and where hierarchies were replaced with equality and collaboration. His outlook shaped how we work today. Hsieh also aspired to build his own utopian cities, pouring millions of dollars into real estate and small businesses, first in downtown Las Vegas, Nevada—where Zappos is headquartered—and then in Park City, Utah. He gave generously to his employees and close friends, including throwing notorious Zappos parties and organizing gatherings at his home, an Airstream trailer park. When Hsieh died suddenly in late 2022, the news shook the business and tech world. Wall Street Journal reporters Kirsten Grind and Katherine Sayre discovered Hsieh’s obsession with happiness masked his darker struggles with addiction, mental health, and loneliness. In the last year of his life, he spiraled out of control, cycling out of rehab and into the waiting arms of friends who enabled his worst behavior, even as he bankrolled them from his billion-dollar fortune. *Happy at Any Cost* sheds light on one of our most creative, yet vulnerable, business leaders. It’s about our intense need to find “happiness” at all costs, our misguided worship of entrepreneurs, the stigmas still surrounding mental health, and how the trappings of fame can mask all types of deeper problems. In turn, it reveals how we conceptualize success—and define happiness—in our modern age.

The Mindset Lists of American History Tom McBride, Ron Nief, 2011-05-25 Snapshots of the U.S.'s last nine generations—from the creators of the Mindset List media sensation Just as high school graduates in 1957 couldn't imagine life without zippers, those of 2009 can't imagine having to enter phone booths and deposit coins in order to call someone from the street corner. Every August, the Mindset List highlights the cultural touchstones that have shaped the lives of that year's incoming college class. Now this fascinating book extends the Mindset List approach to dramatize what it was like to grow up for every American generation since 1880, showcasing the remarkable changes in what Americans have considered normal about the world around them. Expands Tom McBride and Ron Nief's popular annual Mindset Lists to explore the mindset of nine generations of Americans, from 1880 to the future high school graduates of 2030 Offers a novel and absorbing way to understand the frame of reference of Americans through history, whether it's the high school grads of 1918, who viewed riding an elevator as a thrill second only to roller

coasters, or those of 2009, who have always thought of friend as an active verb Puts a human face on the evolution of historical changes related to technology, the struggle for rights and equality, the calamities of war and depression, and other areas The annual Mindset List garners extensive media attention, including on Today, The Early Show, the NBC Nightly News, CNN, and Fox as well as in the Wall Street Journal, the New York Times, USA Today, the Los Angeles Times, Time magazine, and hundreds of international publications Whatever your own generational mindset, this book will give you an entertaining and important new tool for understanding the unique perspective and experience of Americans over more than a hundred and fifty years.

Hotel Scarface Roben Farzad, 2018-11-06 The wild, true story of the Mutiny, the hotel and club that embodied the decadence of Miami's cocaine cowboys heyday—and an inspiration for the blockbuster film, Scarface... In the seventies, coke hit Miami with the full force of a hurricane, and no place attracted dealers and dopers like Coconut Grove's Mutiny at Sailboat Bay. Hollywood royalty, rock stars, and models flocked to the hotel's club to order bottle after bottle of Dom and to snort lines alongside narcos, hit men, and gunrunners, all while marathon orgies burned upstairs in elaborate fantasy suites. Amid the boatloads of powder and cash reigned the new kings of Miami: three waves of Cuban immigrants vying to dominate the trafficking of one of the most lucrative commodities ever known to man. But as the kilos—and bodies—began to pile up, the Mutiny became target number one for law enforcement. Based on exclusive interviews and never-before-seen documents, *Hotel Scarface* is a portrait of a city high on excess and greed, an extraordinary work of investigative journalism offering an unprecedented view of the rise and fall of cocaine—and the Mutiny—in Miami.

How to Be Idle Tom Hodgkinson, 2013-07-30 Yearning for a life of leisure? In 24 chapters representing each hour of a typical working day, this book will coax out the loafer in even the most diligent and schedule-obsessed worker. From the founding editor of the celebrated magazine about the freedom and fine art of doing nothing, *The Idler*, comes not simply a book, but an antidote to our work-obsessed culture. In *How to Be Idle*, Hodgkinson presents his learned yet whimsical argument for a new, universal standard of living: being happy doing nothing. He covers a whole spectrum of issues affecting the modern idler—sleep, work, pleasure, relationships—bemoaning the cultural skepticism of idleness while reflecting on the writing of such famous apologists for it as Oscar Wilde, Robert Louis Stevenson, Dr. Johnson, and Nietzsche—all of whom have admitted to doing their very best work in bed. It's a well-known fact that Europeans spend fewer hours at work a week than Americans. So it's only befitting that one of them—the very clever, extremely engaging, and quite hilarious Tom Hodgkinson—should have the wittiest and most useful insights into the fun and nature of being idle. Following on the quirky, call-to-arms heels of the bestselling *Eat, Shoots and Leaves: The Zero Tolerance Approach to Punctuation* by Lynne Truss, *How to Be Idle* rallies us to an equally just and no less worthy cause: reclaiming our right to be idle.

Freckle Juice Judy Blume, 2014-05-27 Andrew wants freckles so badly that he buys Sharon's freckle recipe for fifty cents.

Rain Player , 1995-09 To bring rain to his thirsty village, Pik challenges the rain god to a game of pok-a-tok.

Reflective Teaching, Effective Learning Char Booth, 2011-02-22 Char Booth, an avid library education and technology advocate, introduces a series of concepts that will empower readers at any level of experience to become better designers and presenters, as well as building their confidence and satisfaction as library educators

The Complete Gillian Flynn Gillian Flynn, 2014-05-13 Gillian Flynn is the real deal, a sharp, acerbic, and compelling storyteller with a knack for the macabre. —Stephen King This exclusive ebook collection brings together the three novels from bestselling author Gillian Flynn. A #1 New York Times bestseller, *Gone Girl* is an unputdownable masterpiece about a marriage gone terribly, terribly wrong. The Chicago Tribune proclaimed that Flynn's work "draws you in and keeps you reading with the force of a pure but nasty addiction." *Gone Girl*'s toxic mix of sharp-edged wit and

deliciously chilling prose creates a nerve-fraying thriller that confounds you at every turn. Flynn's second novel, *Dark Places*, is an intricately orchestrated thriller that ravages a family's past to unearth the truth behind a horrifying crime. A New York Times bestseller and Weekend Today Top Summer Read, *Dark Places* solidified Flynn's status as one of the most critically acclaimed suspense writers of our time. In *Sharp Objects*, Flynn's debut novel, a young journalist returns home to cover a dark assignment—and to face her own damaged family history. With its taut, crafted writing, *Sharp Objects* is addictive, haunting, and unforgettable.

How to Fix a Broken Record Amena Brown, 2017-11-07 Allow God to heal the broken record of your soul, so you can step into your calling, speak up for what's right, and dance your own story of God's grace. What does the soundtrack in your head sound like? The hurtful words of others and the failures of your past often determine what record you play the most in your mind. Those painful repetitions often keep us from speaking up, standing up for what's right, being loved, pursuing our dreams, and growing closer to God. Spoken word poet Amena Brown's broken records played messages about how she wasn't worthy to be loved. But after years of playing those destructive rhythms over and over, *How to Fix a Broken Record* chronicles her journey of healing as she's allowed the music of God's love to play on repeat instead. From bad dates to marriage lessons at Waffle House, from learning to love her hair to learning to love an unexpected season of life, from discovering the power of saying no and the freedom to say yes, Amena offers keep-it-real stories your soul can relate to. Along the way, you'll discover how to . . . Recognize the negative messages that play on repeat in your mind Replace them with the truth that you are a beloved child of God And find new joy in the beautiful music of your life.

Crash Jerry Spinelli, 2015-04-07 Take a look behind the bully in this modern classic from Newbery medalist Jerry Spinelli that packs a punch. And don't miss the highly anticipated new novel, *Dead Wednesday*. Cocky seventh-grade super-jock Crash Coogan got his nickname the day he used his first football helmet to knock his cousin Bridget flat on her backside. And he has been running over people ever since, especially Penn Webb, the dweeby, vegetarian Quaker kid who lives down the block. Through the eyes of Crash, readers get a rare glimpse into the life of a bully in this unforgettable and beloved story about stereotypes and the surprises life can bring. Readers will devour this humorous glimpse of what jocks are made of. --School Library Journal, starred review

Rats Saw God Rob Thomas, 2012-06-12 Steve details his descent from bright star to burnout in this newly repackaged edition of the definitive, highly acclaimed novel from the creator of *Veronica Mars* and *Party Down*. Houston, sophomore year: Steve is on top of the world. He and his friends are the talk of the school. He's in love with a terrific girl. He can even deal with "the astronaut"—a world-famous hero who happens to be his father. San Diego, senior year: Steve is bummed out, drugged out, flunking out. A no-nonsense counselor says he can graduate if he writes a 100-page paper. So Steve starts writing, and as the paper becomes more and more personal, he reveals how a National Merit Scholar has become an under-achieving stoner. And in telling how he got to where he is, Steve discovers how to get to where he wants to be.

Growing Up Getty James Reginato, 2022-07-05 An enthralling and comprehensive look into the contemporary state of one of the wealthiest—and most misunderstood—family dynasties in the world, perfect for fans of *Succession* and *House of Gucci*. The Gettys are one of the wealthiest—and most misunderstood—family dynasties. Oil magnate J. Paul Getty, once the richest man in the world, is the patriarch of an extraordinary cast of sons, grandchildren, and great-grandchildren. While some have been brought low by mental illness, drug addiction, and one of the most sensational kidnapping cases of the 20th century, many of Getty's heirs have achieved great success. In addition to Mark Getty, a cofounder of Getty Images, and Anne G. Earhart, an award-winning environmentalist, others have made significant marks in a variety of fields, from music and viticulture to politics and LGBTQ rights. Now, across four continents, a new generation of lively, unique, and even outrageous Gettys is emerging—and not coasting on the dynasty's still-immense wealth. August Getty designs extravagant gowns worn by Katy Perry, Cher, and other stars; his sibling, Nats—a fellow LGBTQ

rights activist who announced his gender transition following his wedding to transgender icon Gigi Gorgeous—produces a line of exclusive streetwear. Their fascinating cousins include Balthazar, a multi-hyphenate actor-director-DJ-designer; and Isabel, a singer-songwriter and MBA candidate. A far-flung yet surprisingly close-knit group, the ascendant Gettys are bringing this iconic family onto the global stage in the 21st century. Through extensive research, including access to J. Paul Getty's diaries and love letters, and fresh interviews with family members and friends, *Growing Up Getty* offers an enthralling and revealing look into the benefits and burdens of being part of today's world of the ultra-wealthy.

The Sign of the Beaver Elizabeth George Speare, 1983-04-27 A 1984 Newbery Honor Book Although he faces responsibility bravely, thirteen-year-old Matt is more than a little apprehensive when his father leaves him alone to guard their new cabin in the wilderness. When a renegade white stranger steals his gun, Matt realizes he has no way to shoot game or to protect himself. When Matt meets Attean, a boy in the Beaver clan, he begins to better understand their way of life and their growing problem in adapting to the white man and the changing frontier. Elizabeth George Speare's Newbery Honor-winning survival story is filled with wonderful detail about living in the wilderness and the relationships that formed between settlers and natives in the 1700s. Now with an introduction by Joseph Bruchac.

Rikki-tikki-tavi Rudyard Kipling, 1992 A courageous mongoose thwarts the evil plans of Nag and Nagaina, two big black cobras who live in the garden.
