The Business of Android Apps Development Mark Rollins,Roy Sandberg,2013-07-22

The growing but still evolving success of the Android platform has ushered in a second mobile technology “gold rush” for app developers. Google Play and Amazon Appstore for Android apps has become the second go-to apps eco for today's app developers. While not yet as large in terms of number of apps as iTunes, Google Play and Amazon Appstore have so many apps that it has become increasingly difficult for new apps to stand out in the crowd. Achieving consumer awareness and sales longevity for your Android app requires a lot of organization and some strategic planning. Written for today's Android apps developer or apps development shop, this new and improved book from Apress, *The Business of Android Apps Development, Second Edition*, tells you today's story on how to make money on Android apps. This book shows you how to take your app from idea to design to development to distribution and marketing your app on Google Play or Amazon Appstore. This book takes you step-by-step through cost-effective marketing, public relations and sales techniques that have proven successful for professional Android app creators and indie shops—perfect for independent developers on shoestring budgets. It even shows you how to get interest from venture capitalists and how they view a successful app vs. the majority of so-so to unsuccessful apps in Android. No prior business knowledge is required. This is the book you wish you had read before you launched your first app! What you'll learn

- How to take your app from idea to design to development to distributing and marketing your app on Google Play or Amazon Appstore
- How do Venture Capitalists validate new App Ideas, and use their techniques.
- How to monetize your app: Freemium, ads, in-app purchasing and more
- What are the programming tips and tricks that help you sell your app
- How to optimize your app for the marketplace
- How to

marketing your app How to listen to your customer base, and grow your way to greater revenue Who this book is for This book is for those who have an idea for an app, but otherwise may know relatively little about entrepreneurship, app development, or even business in general. You should be able to pick up this book and feel like someone is holding your hand as they go through the process of evaluating your idea, learning to code, placing your app in the marketplace, marketing your app, and finally, improving your app to meet the needs of your customer base. Table of Contents1. The Android Market: A Background 2. Making Sure Your App Will Succeed 3. Legal Issues: Better Safe Than Sorry 4. A Brief Introduction to Android Development 5. Develop Apps Like a Pro 6. Making Money with Ads on Your Application 7. In-App Billing: Putting A Store in Your Application 8. Making App Marketplaces Work for You 9. Getting The Word Out 10. How to Install Google Apps on Kindle Fire Alex Hoffman, 2018-10-14 (October 2018 - New edition with screenshots, all links verified, test install on Kindle Fire HD8) I always wanted to install Gmail on my tablet. But all the tutorials I've found required root or at least a PC. That scared me! And now, finally, there's a way to install Google Play Store very quickly, pretty much in 15 minutes. At the same time you'll get other apps from Google including Chrome and YouTube. It's a great functionality increase for the Amazon tablet, thanks to which you get a complete device for \$50, that you can even play Angry Birds on - which my seven year old daughter loves! I also tried to gather the answers to all the questions that you might have. Download this book by scrolling up and click on the Buy Now to get this book Now.
