The Estranged Family of Abraham's God J. GRATHMORE STRATUS III, 2013-12-30 The Estranged Family of Abraham's God J. Grathmore Stratus III The topic of Arab-Israeli and Christian relations often invokes strong emotions and frequent hostility. It entails extremely sensitive subject matter and cuts deep to the essence of religious beliefs, loyalties, and sometimes mortal commitments. Anyone who follows international media realizes that every family on Earth is, or somehow might be, either directly or indirectly affected by a situation that is ever expanding from the Middle East. If visiting from another planet, it might appear as though Earth was inhabited by one very large dysfunctional family. Unlike others who have addressed this issue, J. Grathmore Stratus III does not imply what anyone should believe or what to conclude. Looking through the lens of the family microscope, J. Grathmore Stratus III provides a fresh new perspective to viewing international relations. This study presents considerations that seem to be overlooked by many authors attempting to analyze ancient rivalries that continue to shape the history of mankind. In the process, readers and listeners gain insight into their own family matters, along with hope for reconciliation.

**She Who Spins the Coils of Creation** Leslene della-Madre, 2023-06-28 Leslene della-Madre's book, *She Who Spins Creation: Sacred Female Cosmology in the Electric PlasMA Universe*, is essential medicine and a much-needed balm for the spirit in these perilous times of toxic masculinity, toxic capitalism, toxic patriarchy, and the perpetuation of the annihilation of women's wisdom and power (also known as the Inquisition) in which female-embodied existence and wisdom continue to be silenced and every attempt to eradicate us, deny our culture, belittle and erase our knowledge continues to unfold. It is also a master class in how to excavate and reclaim female-embodied experience, wisdom, empowerment, and sovereignty. Della-Madre exposes the misogyny inherent in patriarchal myth and science—from physics to molecular biology—delving into the mysteries of matter, the mammalian egg, mythologies of female origins, the Electric Universe, plasMA cosmology, and much, much more. She invites us to awaken to the reality of a truly female cosmology that has always reflected “as above, so below”—and always will—but that has been denied and subjected to nearly complete erasure in numerous ways by male-dominated realities. In doing so, she invokes us to challenge the amnesia of the ages, question all we have been told about who we are, where we come from, and who we can become. She implores us to “feel our horns and wings again”, and reclaim a world in which we understand that we are all “electric plasMA beings”, intertwined and interconnected, “in tune with the cosmos, the greater organism.” This is the way to heal the violence that has been done to the Earth, Nature, and women by thousands of years of patriarchal colonization. This book is also a clarion call for action—for women to “re-member our magic and to seek guidance from the ancestral realms to help restore us to whole (holy)ness.” This profound book should be made into a documentary series. Mary Saracino, author, LAMBDA award finalist

The Five-Fold Ministry Gifts Clement C. Butler, 2021-04-09 Why does the Lord appoint apostles, prophets, evangelists, pastors, and teachers to the church? Ephesians 4:12 says they are bestowed for the perfecting of the saints, the work of the ministry, and to edify the body of Christ. However, these three objectives are best understood in the context of God's purpose. His purpose provides the "why" for understanding the five-fold ministry gifts or the gifts of Christ. From before the foundation of the world, the Father predetermined spiritual blessings in Christ for all humanity. In essence, His purpose is one of unity. The blessings outlined in Ephesians Chapter 1 says that He chose humanity to be His sons, who would share His very nature and be like Him. In short, the Father's simply wanted a family born of His nature, who would reflect His character, and on whom He could bestow an eternal inheritance. Therefore, the gifts of Christ exist in accordance with this purpose. Indeed, each gift has individual responsibilities but collectively, they serve to bring the entire body of Christ into maturity—a unified body that manifests the Father's glory or character. The gifts exist to fulfill the purpose that the Father predetermined from before the foundation of the world. This book discusses all these elements in detail and brings the Father's purpose for the church into perspective in relation to the gifts.

*Freedom, Second Edition* Clement C. Butler, 2021-04-19 What is God's perspective regarding women in ministry? Is gender a deciding factor in determining leadership roles in the body of Christ? Should women be silent in the churches? The answer to these questions along with many more regarding women in ministry are adequately addressed in this book. Without question, the subject of women in ministry continues to draw mixed conclusions across a broad spectrum of people. However, this book uses the proper context of Scripture to offer the true perspective concerning this provocative topic. Based on study, discussions, and inquiries, I truly believe this book is a comprehensive offering regarding the subject. I am persuaded that after reading this book, the outcome will be one thing: Freedom!

***Handbook for Interpreters in Asylum Procedures*** UNHCR, Annika Bergunde, Sonja Pöllabauer, Lilian Hagenlocher, Ursula Stachl-Peier, 2022-04-01 Interpreters play a crucial, yet often underestimated role in asylum interviews. They mediate between the asylum-seeker and the interviewer, who would not be able to communicate without the help of the interpreter. As it is often not possible for applicants to provide written evidence to substantiate their claims, their oral accounts of what has happened to them are usually the sole basis for an official's decision and ultimately a pivotal point in the applicant's life. Given the significant consequences of such decisions during the asylum procedure, interpreters carry a great deal of responsibility both in terms of their professional behaviour and with regard to the quality of interpretation. This handbook, now in its second, updated and expanded edition, responds to the need for qualified interpreters in asylum procedures by offering a theoretical insight into a variety of topics relevant to interpreters in the asylum context, as well as activities and exercises enabling experiential and interactive learning. It is aimed both at interpreters in asylum procedures who have no formal training and trained interpreters who wish to specialise in the field. In addition, the handbook is intended for facilitators and trainers to use in face-to-face training courses. The handbook is also relevant to asylum authorities and interviewers, providing them with insights into and guidance in working with interpreters.

***The Life and Adventures of Eli Wiggill*** Jay H. Buckley, Hunter T. Hallows, 2024-04-09 The autobiography of Eli Wiggill offers a captivating narrative of one family's journey from Gloucester, England, to South Africa, and eventually to Salt Lake City during the mid-nineteenth century. Eli and Susannah Wiggill's conversion to The Church of Jesus Christ of Latter-day Saints in South Africa serves as a focal point in their remarkable story. Eli's retelling vividly portrays their steadfast faith, missionary efforts, and the challenges they faced as pioneers in establishing communities of South African Saints. From their immigration to South Africa to their eventual migration to Zion, the Wiggills' experiences offer valuable insights into the early history of the Church and the global gathering of its

members. With meticulous attention to detail, *The Life and Adventures of Eli Wiggill: South African 1820 Settler, Wesleyan Missionary, and Latter-day Saint* presents Wiggill's original manuscript, enriched with extensive footnotes providing context and clarity. This publication aims to rectify previous shortcomings by preserving the integrity of Wiggill's narrative while enhancing accessibility for contemporary readers. It not only chronicles a remarkable transnational journey but also sheds light on themes of faith, perseverance, and the pioneering spirit, making it a compelling read for historians, scholars, and anyone interested in the early history of The Church of Jesus Christ of Latter-day Saints and the global migration of its members.

*Understanding New Media* Robert K. Logan, 2010 Marshall McLuhan made many predictions in his seminal 1964 publication, *Understanding Media: Extensions of Man*. Among them were his predictions that the Internet would become a «Global Village», making us more interconnected than television; the closing of the gap between consumers and producers; the elimination of space and time as barriers to communication; and the melting of national borders. He is also famously remembered for coining the expression «the medium is the message». These predictions form the genesis of this new volume by Robert Logan, a friend and colleague who worked with McLuhan. In *Understanding New Media* Logan expertly updates *Understanding Media* to analyze the «new media» McLuhan foreshadowed and yet was never able to analyze or experience. The book is designed to reach a new generation of readers as well as appealing to scholars and students who are familiar with *Understanding Media*.
