Flashlight Lizi Boyd,2014-08-12 Inside the tent it's cozy, but what is going on outside? Is it dark? Is it scary? Not if you have your trusty flashlight! A charming story told solely through images: Through neatly drawn illustrations and a spare yet dramatic color palette, artist Lizi Boyd offers an enchanting exploration of night, nature, and art with Flashlight. Both lyrical and humorous, this visual poem—like the flashlight beam itself—reveals there is magic in the darkness. You Are Free Bible Study Guide Rebekah Lyons,2017-02-21 In this six session video Bible study (DVD/digital video sold separately), Rebekah Lyons explores why we all want to know, beyond a shadow of a doubt, what we were made for. Yet many of us believe that “calling” feels like something held for the exclusive few. Rebekah’s heart is to dismantle that idea, to remind each and every one of us that God has plans for something specific if we have ears to hear the still small voice of a Father that beckons. What if we pressed into finding our truest selves hidden below the surface? Rebekah has traveled the country sharing with vulnerability her own pain and struggles to hear God and follow Him. “I have prayed with hands laid for healing and deliverance on women considering suicide, experiencing trauma, fighting cancer, holding off divorce, overcoming addiction and more. These are women, battle weary and wounded saying, “I’m done with the life I’ve created. I hunger for all that God promises. I want to expect more from a passionate and relentless God. I cannot continue to operate from a place of wounding. Please set me free.” But there is risk in this journey. We cannot get ahead of ourselves and just end up with a prettier version of striving. Rebekah reminds viewers that without healing from God along the way we can be pulled back into a place of wounding and bondage. But abiding in God’s presence will bring us answers and inform and sustain our calling. Rebekah’s voice is a vulnerable, prophetic call for women to become who they’ve already been designed to be. She is answering the questions women are asking. Listen to hear how we truly run free. Designed for use with the You Are Free DVD (sold separately).

Hope Corrine Averiss,Sébastien Pelon,2019-08-20 Hope is keeping a light on, however dark things seem. Comet is Finn's dog, and his very best friend. They do everything together. But one day Comet won't get out of his basket - not even for his very favorite things! The vet tells Finn that Comet needs to stay in overnight for an operation. That evening, Finn sits in his den feeling very alone. Dad tells him to keep on hoping. At night, as Finn sleeps, thousand of little lights appear in the sky, each one a hope from a different person in the world. Emotional, funny, and uplifting, this beautiful picture book is a pure delight from start to finish. A wonderful story that shows children not to give up hope when times are uncertain.

Set You Free Jeff Ross,2015-10-13 The mayor’s six-year-old son, Ben Carter, is missing—and Lauren’s brother, Tom, is the main suspect. Lauren knows her brother would never harm anyone, but the police don’t agree. Ben’s stepbrother doesn’t agree. The mayor certainly doesn’t agree. To some

people in Resurrection Falls, Tom is the freak who, rumor has it, once tried to lure a kid into the woods. But if Tom is innocent, why was he lurking around outside the mayor's house the night Ben disappeared? And why has he also vanished? After teaming up with Tom's friend, Grady, a computer enthusiast and part-time hacker, Lauren decides that rather than try to prove Tom's innocence, they should simply give the police some more options. Because everyone, even the mayor's apparently perfect family, has secrets.

He, quite incidentally, invents a technology that could potentially change the course of human history. An invention that gets the unwanted attention of corporations that stand to lose billions if Solomon's invention were to be revealed to the world. The unscrupulous oil giant - Glaxon - is the first of the corporations to put measures in place to steal Solomon's technology. To hide it away in a secret

underground warehouse, where it will only gather dust, never to see the light of day. But is that enough? Trish teams up with Roberta Voss, Solomon's sister, as they are embroiled in a high stakes game of cat and mouse as attempts are made to erase the invention, and eventually the inventor, from existence.
