Flashlight Lizi Boyd, 2014-08-12 Inside the tent it's cozy, but what is going on outside? Is it dark? Is it scary? Not if you have your trusty flashlight! A charming story told solely through images: Through neatly drawn illustrations and a spare yet dramatic color palette, artist Lizi Boyd offers an enchanting exploration of night, nature, and art with *Flashlight*. Both lyrical and humorous, this visual poem—like the flashlight beam itself—reveals there is magic in the darkness. We just have to look for it. • A wordless storybook with stunning visuals that aims to lighten the fear of the dark and the noises that come with it • Book inspires the imagination and creativity in young minds • Lizi Boyd is the author and illustrator of many children's books, including *Inside Outside* and *Flashlight*, and also creates papers, ribbons, cards, and other works of delight *Flashlight* allows readers to experience the wonder and excitement of nighttime exploration in the woods and wordlessly entices readers to explore the hidden nature outside their own homes. —The Busy Librarian • Appeals to readers of all ages with the calming, yet adventurous tone • Books for kids ages 5-6 • Children's picture books for preschool through first grade

You Are Free Bible Study Guide Rebekah Lyons, 2017-02-21 In this six session video Bible study (DVD/digital video sold separately), Rebekah Lyons explores why we all want to know, beyond a shadow of a doubt, what we were made for. Yet many of us believe that “calling” feels like something held for the exclusive few. Rebekah’s heart is to dismantle that idea, to remind each and every one of us that God has plans for something specific if we have ears to hear the still small voice of a Father that beckons. What if we pressed into

finding our truest selves hidden below the surface? Rebekah has traveled the country sharing with vulnerability her own pain and struggles to hear God and follow Him. “I have prayed with hands laid for healing and deliverance on women considering suicide, experiencing trauma, fighting cancer, holding off divorce, overcoming addiction and more. These are women, battle weary and wounded saying, “I’m done with the life I’ve created. I hunger for all that God promises. I want to expect more from a passionate and relentless God. I cannot continue to operate from a place of wounding. Please set me free.” But there is risk in this journey. We cannot get ahead of ourselves and just end up with a prettier version of striving. Rebekah reminds viewers that without healing from God along the way we can be pulled back into a place of wounding and bondage. But abiding in God’s presence will bring us answers and inform and sustain our calling. Rebekah’s voice is a vulnerable, prophetic call for women to become who they’ve already been designed to be. She is answering the questions women are asking. Listen to hear how we truly run free. Designed for use with the You Are Free DVD (sold separately).

Set You Free Jeff Ross,2015-10-13 The mayor’s six-year-old son, Ben Carter, is missing—and Lauren’s brother, Tom, is the main suspect. Lauren knows her brother would never harm anyone, but the police don’t agree. Ben’s stepbrother doesn’t agree. The

mayor certainly doesn't agree. To some people in Resurrection Falls, Tom is the freak who, rumor has it, once tried to lure a kid into the woods. But if Tom is innocent, why was he lurking around outside the mayor's house the night Ben disappeared? And why has he also vanished? After teaming up with Tom's friend, Grady, a computer enthusiast and part-time hacker, Lauren decides that rather than try to prove Tom's innocence, they should simply give the police some more options. Because everyone, even the mayor's apparently perfect family, has secrets.

He, quite incidentally, invents a technology that could potentially change the course of human history. An invention that gets the unwanted attention of corporations that stand to lose billions if Solomon's invention were to be revealed to the world. The unscrupulous oil giant - Glaxon - is the first of the corporations to put measures in place to steal Solomon's technology. To hide it away in a secret underground warehouse, where it will only gather dust, never to see the light of day. But is that enough? In conclusion, the ability to download Free Flashlight has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide.
