The Four Tendencies Gretchen Rubin, 2017-09-12 NEW YORK TIMES BESTSELLER • Are you an Upholder, a Questioner, an Obliger, or a Rebel? From the author of *Better Than Before* and *The Happiness Project* comes a groundbreaking analysis of personality type that “will immediately improve every area of your life” (Melissa Urban, co-founder of the Whole30). During her multibook investigation into human nature, Gretchen Rubin realized that by asking the seemingly dry question “How do I respond to expectations?” we gain explosive self-knowledge. She discovered that based on their answer, people fit into Four Tendencies: • Upholders meet outer and inner expectations readily. “Discipline is my freedom.” • Questioners meet inner expectations, but meet outer expectations only if they make

sense. “If you convince me why, I’ll comply.” • Obligers (the largest Tendency) meet outer expectations, but struggle to meet inner expectations—therefore, they need outer accountability to meet inner expectations. “You can count on me, and I’m counting on you to count on me.” • Rebels (the smallest group) resist all expectations, outer and inner alike. They do what they choose to do, when they choose to do it, and typically they don’t tell themselves what to do. “You can’t make me, and neither can I.” Our Tendency shapes every aspect of our behavior, so using this framework allows us to make better decisions, meet deadlines, suffer less stress, and engage more effectively. It’s far easier to succeed when you know what works for you. With sharp insight, compelling research, and hilarious examples, The Four Tendencies will help you get happier, healthier, more productive, and more creative.

From Where I Watch You Shannon Grogan,2015-08-04

Sixteen-year-old Kara is about to realize her dream of becoming a professional baker. Beautifully designed and piped, her cookies are masterpieces, but also her ticket out of rainy Seattle—if she wins the upcoming national baking competition and its scholarship prize to culinary school in California. Kara can no longer stand the home where her family lived, laughed, and ultimately imploded after her mean-spirited big sister Kellen died in a drowning accident. Kara’s dad has since fled, and her mom has turned from a high-powered attorney into a nutty holy-rolling Christian fundamentalist peddling “Soul Soup” in the family café. All Kara has left are memories of better times. But the past holds many secrets, and they come to light as Kara faces an anonymous terror: Someone is leaving her handwritten notes. Someone who knows exactly where she is and what she’s doing. As the notes lead her to piece together the events that preceded Kellen’s terrible, life-changing betrayal years before, she starts to catch glimpses of her dead sister: an unwelcome ghost in filthy Ugg

boots. If Kara doesn't figure out who her stalker is, and soon, she could lose everything. Her chance of escape. The boy she's beginning to love and trust. Even her life.

My One Word Mike Ashcraft, Rachel Olsen, 2012-12-18 The concept of My One Word is simple. Lose the long list of resolutions—all your sweeping promises to change—and do something about one thing this year instead of nothing about everything. Choose just one word that represents what you most hope God will do in you, and focus on it for an entire year. This single act will force clarity and concentrate your efforts. As you focus on your word over an extended period of time, you position yourself for God to form your character at a deep, sustainable level. Growth and change will result. Author Mike Ashcraft, who has led his megachurch through this My One Word project for more than five years, and Proverbs 31 Ministries author and speaker Rachel Olsen, who has lived it, are encouraging, insightful, good-humored, yet realistic in this enjoyable read. Their stories of growth and change through My One Word will keep you motivated. Throughout the book you'll also find words and stories of people just like you who have joined the My One Word movement and discovered the power of just one word. Includes discussion questions for use with the small-group video curriculum, *My One Word: A DVD Study* (sold separately).

The Sober Survival Guide Simon Chapple, 2019-09-28 The Sober Survival Guide - How to Free Yourself from Alcohol Forever - By Simon Chapple. Foreword by Annie Grace - Author of This Naked Mind - Control Alcohol Are you tired of thinking about

drinking? Hands up if you believe any of the following about drinking alcohol to be true: I can't have fun without alcohol. Imagine going to a party without drinking! it makes me feel less anxious or depressed; it helps me sleep; I can't relax without it; it makes me entertaining to be around; it fits the lifestyle of my boozy friends; I like the taste of alcohol; it's cool and sophisticated; I'm not confident enough to talk to new people without it; it helps me deal with all the problems life throws my way; it stops me worrying about how much I'm drinking (ironic, I know). If you find yourself nodding at even one of these statements, then I know how you feel. I was a heavy daily drinker for over twenty years, I too used to believe that I couldn't live without alcohol, and that once I'd had a few drinks I was funny to be around (hilarious in fact). Are you too are tired and fed up with the routine of drinking, and want to make a change and improve your life? Or you may simply be curious about how an alcohol-free life might look for you. Could it be better? Happier? Calmer? More peaceful? Perhaps you're already on the path to changing your relationship with booze and might have read other 'sober books' or taken part in programmes to help you quit. I want you to know you can do the same as me and find complete freedom from alcohol, and that you don't have to wait for years like I did. Also, I want to reassure you that alcohol addiction is never a person's fault, and that there's no need to blame yourself for finding it hard to give up. It honestly isn't as difficult as you might think, and this book will provide the support, tactics and advice you need as you progress on your sober journey. The Sober Survival Guide is unique in that it is split into two parts. The first is designed to set you up for success and put you in a place where you can find freedom from alcohol if that's what you want. The first part of the book contains essential information for when you're in the early stages of controlling your drinking. The second part serves as a handbook as you move forward into an alcohol-free life and is where this book comes into its own. As you read it

you'll see I've used my own experiences and those of the people I've worked with to help ensure you're ready for the challenges, fears, and questions that will come up in the years after quitting drinking. You'll learn how to handle the work Christmas party without a glass of bubbly in hand, the joys of sober holidays, what to do when you stop drinking but your partner won't, and a whole lot more. With this part you can dip in and out, picking the chapters that address the problems you're facing that day or week. This unique quit alcohol book also shares my own stories and personal accounts that helped me learn (sometimes the hard way), so as well as providing vital tools and tactics it will also leave you with a smile on your face and provide you with a fun and enjoyable read. Part memoir, part sober guide and 100% alcohol free - The Sober Survival Guide is perfect for anyone looking to free themselves from the grip of alcohol.
