Paint A 'Licious Joanne Gair,Ltd. PQ Publishers,2010-09-15 Welcome to the Paint A'Licious Salon where dreams and fantasies come true with the simplicity of a brushstroke. Nothing is as it seems when renowned artist and photographer Joanne Gair embellishes, conceals, and camouflages her human subjects with paint. We're all familiar with trompe l'oeil painting, art that fools the eye. Renowned body painter and artist Joanne Gair takes the art of trompe l'oeil to an entirely new level with Paint A 'Licious. But instead of disguising walls or canvas, Gair completely redecorates her human subjects. In the fictional Paint A'Licious Salon, Gair invites us to experience our wildest dreams through paint. Washboard abs are achieved without sit-ups, and an hourglass figure requires no liposuction at this specialty salon. By painstakingly painting her subjects--a process that takes many hours--Gair blends them (nearly imperceptibly) into the background scene. You'll be scratching your head in amazement at the fantastic optical illusions Gair creates. A painted child disappears under the Christmas tree, barely discernible from the wrapped gifts. A naughty nurse in a uniform made only of paint arrives to cheer up a patient. And are those plaid biker shorts or just a tartan paint job under that Scotsman's kilt? Paint A 'Licious is the book everyone will want on their coffee tables.

I guess this line will open the doors of hope for you. And I'm not just bragging. It sure is one of the most difficult mediums to paint with and that was exactly the challenge I accepted when I started my Arts education. I thought, how difficult can it really be? I have realized over the time that everything in this world is difficult only until you learn it. If you try, you do get a grasp of it sooner or later. One very important thing is that you find someone who can teach you, and can teach you well. Here I hope I will be able to transfer as much knowledge as I can in a possibly detailed manner. If you were in a class, I would be open to questions. But that is not the case in our situation, so I want to make sure that by the time you finish this book, you won't have any questions left. I am keeping the struggles in my mind, that I made just to learn this technique and how I wished I could get one person or a single book that could be my fairy god mother and teach me everything I needed to know in a wave of a wand. That didn't happen, of course. But I did learn and now that I know, I want to transfer my knowledge to you. Why is water color one of the difficult materials? Everybody has their own reasons; the only reason that I am going to tell you is that they are a bit hard to control. Don't worry! Don't be taken aback. I'm here to teach you. This book contains activities by which you will learn to control your color, brush strokes, and many other things.

The New Oil Painting Kimberly Brooks, 2021-05-18 Here is everything you need to know about getting into oil painting—and maintaining a safe, solvent-free oil painting practice—in a slim, sophisticated guide. Oil painting is an exciting and adventurous medium, but aspiring artists can feel daunted by complex setups and the thought of using harsh chemicals. All of that changes now. The New Oil Painting walks you step-by-step through oil painting fundamentals—which materials you actually need, how to mix paint, how to set up your painting space—and, most revolutionary of all, how to eliminate harmful solvents from your work and replace them with safe, effective substitutes. This instructional handbook is organized into chapters with helpful diagrams throughout illustrating various techniques and tools. Whether you're a true beginner or have been painting with oils for years, you will find that this book has everything you need to build a new, thriving, toxin-free practice. • **UNIQUE APPROACH:** Not only does this book help aspiring artists build a repertoire of skills and materials, it also offers all artists, regardless of their experience levels, methods for eliminating solvents and other toxic substances from their oil painting practices. What was once a dangerous pastime is now a guilt-free, health-conscious, and rewarding activity. And using safe, nontoxic materials is better for the environment! • **LONG-TERM USE:** Good art instruction can deliver over a long period of time, and this handy guide is no exception. Along with being able to use this as an entryway into oil painting, you can also use it for reference or reread sections when you need a brushup. • **EXPERT AUTHOR WITH IMPRESSIVE CREDENTIALS:** Painter Kimberly Brooks was the founding arts editor at Huffington Post. As a painter, she exhibits her work frequently throughout the United States and was a featured artist with the National Endowment for the Arts. She has led oil painting workshops, and now she shares her vast knowledge of the subject in this accessible and comprehensive handbook. Perfect for: • Artists and art aspirants interested in exploring a new medium • Experienced oil painters looking to eliminate solvents from their practices • Painting students and teachers

How To Oil Paint HowExpert,Manaal Javed,2012-06-18 Are you ready to become the next Picasso? If you want to learn how to create your own oil painting masterpiece, you will want to get How to Oil Paint, a step-by-step guide created by an artist with real life experience in oil painting. If you are creative and you love to paint, this guide will show you how to express yourself through oil painting. New painters will learn the secrets of how to paint in the oil medium, including important elements and principles of art and design. How to Oil Paint will show you easy steps to create: - A tree silhouette painting using the Underpainting technique. - A flower painting using both the Alla Prima and the Sgraffito technique. -A river painting using Scumbling and Glazing. - An abstract scene using the Impasto technique. - A flower Paintograph. You will also discover how to use different brush strokes, the basics of color section, which brushes work best, and more! By the time you reach the end of this step-by-step guide, you will feel confident and be ready to create your own works of art using oil paints. About the Expert Manaal Javed has been painting in oils for more than four years. She puts her soul onto the canvas by playing with colors. She paints in a number of mediums, including acrylics and water paints. Oil painting is her favorite type of painting because an oil painting can be refined after it is completed. She critiques her work after completion and puts in the elements which she feels is incomplete in the painting. Hand and eye coordination makes her arrange all the elements in her painting beautifully and, of course, her imagination is like the cherry on top. She has always been a quiet person who does not let her feelings come out. For her, painting is a way to communicate with people. She had this advice to others who are learning oil painting, “Play with colors, feel free and break all the rules... and put the best on the canvas. Always critique your work; it is the key to improvement. Nothing is difficult in this world, just practice and you will create masterpieces in no time!!! Believe in yourself and let your imagination do the rest.” HowExpert publishes quick 'how to' guides on all topics from A to Z by everyday experts.
