Amazing Images David Brock,2019-02-21 It doesn't matter what type of business you're in, chances are, you use images. Whether you're sharing images on social media, using images to create promotional material like banners or flyers, or posting images on your blog to go along with your articles, you're probably using images. Well, if you answered yes this is the series for YOU as I will give you exactly that!! I share with you how I have been running my blog with \$0 for a budget for almost two years now and how YOU CAN TOO!!I have gathered my collection of resources, hacks, and FREEBIES from my Rolodex of Cheapness from the past two years and put them all into the Blogging with Circus Peanuts series and this is the very first book in that series, Volume One ~ The Ultimate Guide to Free Stock Photos. After all your first step to running a professional looking blog is with professional looking images right?! And we all know that content is King and visual content is well, let's face it, visual content is what makes or breaks a blog! It is crucial to catching the attention of those browsing the web and even more crucial in keeping the attention of your readers.In The Ultimate Guide to Free Stock Photos, I give you tons of resources to obtain FREE Stock Photos to use as you wish on your blog or however you see fit!! That is about 40 different ways to begin your private stock photo collection all for FREE!! You see, the reason I began this project in the first place was to help out other bloggers and creatives, like myself, who have a passion and a LOVE for creating but don't necessarily have the disposable income to support that passion. Writing and creating in general are truly a part of my soul and without them in my life I'm simply LOST!! So, I'm paying it forward to the creative community the only way I can... By using my God given talents and amazingly awesome investigative journalism skills to hunt down resources that seem impossible to find and turning those, from the past two years, into a valuable tool for ALL creatives to utilize despite what their finances look like.Hey, I totally get it trust me... Every dollar helps pay the bills and feed my soul creatively. My calling in life is to create!! Not only with words but with anything and everything I possibly can so why not create something beautiful within the creative community and by helping to feed other starving creative souls like mine by offering my collection of resources at a price YOU can truly afford. So the Blogging with Circus Peanuts series was created as a way for me to offer each book in this series at a Circus Peanuts Price, no pun, okay pun was totally intended!! (Just for you R.C.)
