Launch! Advertising and Promotion in Real Time Michael Solomon,2009 Launch! Advertising and Promotion is written for advertising and promotion courses taught to students in the business school and journalism & mass communication students. This textbook is the first of its kind to teach advertising concepts by reverse engineering a real advertising campaign from beginning to end. In April 2007, SS+K, an innovative New York City communications agency, launched the first ever branding campaign for msnbc.com with the tag A Fuller Spectrum of News. Launch! follows that campaign from initial agency pitch through roll-out of print and media assets to post-campaign analysis. Throughout, it exposes readers to the theory and concepts of advertising and promotion, and the personalities and decisions that drove this campaign. The book takes a rare look behind the curtain - even letting you see some of the paths not chosen by the agency and client. Students get a realistic sense of how theory plays out in practice, and get a flavor for the exciting field of advertising and promotion. And, they consistently learn the perspectives of both the advertising agency (where many journalism and communications students will work) and the client (where many marketing majors will work). This is a unique book, with a unique perspective, by a unique author team, and you won't find this kind of insight in any other text on the market. We think you're going to love it! This textbook has been used in classes at: Ball State University, Emerson College, Florida Institute of Technology, Grand Valley State University, Johnson County Community College, Manchester Business School, McLennan Community College, Michigan State University, North Hennepin Community College, Pierce College, Rochester Institute of Technology, Saint Louis University, Salem State College, South Dakota State University, Texas State University, Texas Tech University, University of New Hampshire, University of North Carolina, University of Notre Dame, University of South Florida, Virginia Tech, Western Kentucky University.

Live It, Love It, Earn It Marianna Olszewski,2009-12-31 Does your heart race when your credit card bill arrives? Are you one flat tire or one emergency room visit from financial ruin? If you think a secure financial future is out of reach, you're wrong. Let Marianna Olszewski teach you how to love your money instead of running scared from it. Marianna didn't start out rich, happy and fabulous. A strapped-for-cash childhood motivated her to strive for abundance and financial independence-goals she exceeded by age thirty as a successful business owner and respected Wall Street player. Now Marianna reveals the lessons she learned on her own road to success and the savvy strategies of other amazing women. She shows how to let go of stress, break your bad money habits, take control of your finances, and finally achieve your goals and a happier, richer life. You'll learn to: -Say Yes to Yourself: Turn toward people and situations that enhance your life and well being, and away from those that don't. Until you start affirming your future through both thought and action, your efforts to improve your finances will fall flat. -Fall in Love with Your Money: Having a cavalier attitude toward money is part of the reason many of us find ourselves in a financial pickle. But when you treat your money with respect, keep track of it and spend and save it wisely your money will always love you back. -Act as If: If you think that change is impossible, think again. Start your transformation by acting as if you already are as successful, intelligent, and prosperous as you want to be. Live It, Love It, Earn It is full of true stories of ordinary women who have overcome tough challenges, such as climbing the corporate ladder, getting out of debt, and changing jobs mid-career, to get the life you want. Marianna also shares insights from other successful women like designer Diane von Furstenberg; shoe mogul Tamara Mellon (of Jimmy Choo); fashion entrepreneur Tory Burch; the first woman to hold a seat on the New York Stock Exchange, Muriel Seibert; and Congresswoman Marsha Blackburn. Let Marianna give you the tools you need to create and maintain an abundant and fulfilling life. For more information, visit: www.LiveItLoveITEarnIt.com
