Christine Schmidt

Annette Feels Free Katie Mazeika,2022-09-13 Discover the incredible true story of “The Original Mermaid,” Annette Kellerman, a girl who wanted to dance, swim, and feel free—and who grew into a woman who fought for the right to do just that! Annette loved to dance and twirl and pirouette. But when she got sick and had to start wearing braces on her legs, Annette stopped dancing. Until, one day, her dad took her swimming. Annette could finally dance again—in the water! She water danced her way to England, where she performed water ballets, attempted daring dives, and competed in swim races. When she competed against men (and won!), she realized it wasn’t fair that women had to swim in full skirts, so she made her own swimsuit, and fought for the right to wear it. Experience the journey of an independent and determined young woman, who swam, danced, dove, and designed so she could live her life feeling free.

Our Models have also been featured in Muscle & Fitness, Zoo Magazine, The Blur Magazine, Vanquish Magazine, Chulo Magazine, Bikini Team, Kandy Magazine.

The Swimsuit Issue and Sport Laurel R. Davis, 2016-02-24

This study of the Sports Illustrated swimsuit issue demonstrates how the magazine encourages individual and institutional practices that create and maintain inequality. Laurel Davis illustrates how the interactions of media production, media texts, media consumption, and social context influence meaning. Individuals' interpretations of and reactions to the magazine are influenced by their views about gender and sexuality, views that have been shaped by their social experiences. Based on extensive interviews with Sports Illustrated producers and consumers, as well as analysis of every swimsuit issue from the first in 1964 to those of the 1990s, the book argues that Sports Illustrated uses the swimsuit issue to secure a large male audience by creating a climate of hegemonic masculinity. This practice produces considerable profit but on the way to the

bank tramples women, gays, lesbians, people of color, and residents of the postcolonialized world.

Swimsuit USA Magazine – Issue 28 – Krystal Dawson Colin Charisma, 2021-06-03 Swimsuit USA Magazine – Issue 28 – Krystal Dawson Models: Kelsey Dugas, Kristen Rios, Krystal Dawson, Lara Mitton, Lauren Ewashko, Lindsey Sterling, Pamela Ryan, Sara Long, Shanel Ricci, Photographer: Doug Carter Swimsuit USA Magazine Beautiful Women Who Represent a Healthy Lifestyle. The Swimsuit Christine Schmidt, 2013-07-18 The Swimsuit: Fashion from Poolside to Catwalk documents the modern swimsuit's trajectory from men's underwear and circus/performance wear to its unique niche in world fashion. It emphasizes the relationship between fashion, media, celebrity, sport and the cultivation of the modern body. This fascinating book provides an historical, sociological and cultural context in which to view how the swimsuit - and Australia, the country that significantly influenced its modern form - migrated from the cultural and colonial periphery to the centre of international attention. In addition, the book offers new perspectives on national histories of the swimsuit and investigates how traditional European fashion centers have opened up to new markets and modes of living, bringing together

influences from around the globe. The Swimsuit is essential reading for students, scholars, and the general reader interested in fashion, popular culture, history, media, sport, and gender studies.
