*The Money Book for Freelancers, Part-Timers, and the Self-Employed* Joseph D'Agnese, Denise Kiernan, 2010-03-02 This is a book for people like us, and we all know who we are. We make our own hours, keep our own profits, chart our own way. We have things like gigs, contracts, clients, and assignments. All of us are working toward our dreams: doing our own work, on our own time, on our own terms. We have no real boss, no corporate nameplate, no cubicle of our very own. Unfortunately, we also have no 401(k)s and no one matching them, no benefits package, and no one collecting our taxes until April 15th. It's time to take stock of where you are and where you want to be. Ask yourself: Who is planning for your retirement? Who covers your expenses when clients flake out and checks are late? Who is setting money aside for your taxes? Who is responsible for your health insurance? Take a good look in the mirror: You are. The Money Book for Freelancers, Part-Timers, and the Self-Employed describes a completely new, comprehensive system for earning, spending, saving, and surviving as an independent worker. From interviews with financial experts to anecdotes from real-life freelancers, plus handy charts and graphs to help you visualize key concepts, you'll learn about topics including: • Managing Cash Flow When the Cash Isn't Flowing Your Way • Getting Real About What You're Really Earning • Tools for Getting Out of Debt and Into Financial Security • Saving Consistently When You Earn Irregularly • What To Do When a Client's Check Doesn't Come In • Health Savings Accounts and How To Use Them • Planning for Retirement, Taxes and Dreams—All On Your Own

**Freelancing** K. C. McAllister, 2014-07-09 If you want to make money online, and earn an entire living working where you want and when you want, then this book is for you! Not that long ago,

people couldn't have imagined being able to work from home. Who would have thought it possible to fully perform a job and make money using your computer, working whenever and wherever you want? Many people today are using their knowledge, skill, and experience to make a really nice living, working from home (or the park, or the beach - who knows where they actually are?). Hundreds of Thousands of jobs are available for an online freelancer. This makes it sound pretty easy to get work, right? Well think again. That's just the demand for freelancers, but not the supply. There over 15 million freelancers nowadays. So how can you thrive as an online freelancer, being sure that you can get busy and stay busy? That's what this book is going to help you with. The purpose of this book is to help you become one of the successful freelancers, and not one that quits due to a lack of sustainable work. With this book, you'll quickly be on your way to becoming a successful money-making freelancer, with all the freedom that entails!

**Hack Your Freelance Writing Career** Shanda Floch,2021-08-14 If you're just starting out as a freelancer, you'll want to get started the right way in the career path that generates the highest income, right? Many new freelancers think that way. And it makes sense, doesn't it? Although, it's a lot more complicated than that. This book should help you get started as you set out to build a passive recession-proof income component into your online freelancing career. You will no longer have to worry about finding yourself unable to bring food to the table when for some reason you can't fulfill your writing assignments - could be burnout, sickness, or stress and fatigue. Once you take the squeeze off yourself, you'll find that you enjoy writing quality content for yourself and your clients, knowing you are helping to create long-term value on the internet. Knowing you have a bright future online for yourself - as a content publisher, Indie publisher, or info-product creator.

**Freelance Nation** J. Melissa Cooper,2015-05-19 Thrive As A Freelancer. Your Guide To Self-Directing Your Career. Gone are the days when college graduates sought lifetime careers with blue chip corporations. By 2020, almost half of the American workforce will be doing some type of freelance work. Technology has overhauled the job market into a self-serve entity, and in doing so, has given birth to the Freelance Nation. Its members - independent contractors, small business owners, entrepreneurs, and contingent workers - build businesses, communicate with customers and sell goods. They do so from home, shared workspaces, or even the beach. This book is for you if: • You've always wanted to escape the corporate life but don't know how. • You're already a freelancer, but want to take your business to the next level. Having been a solo freelancer and also a manager of over 400 freelancers, J. Melissa Cooper opens up her world to share with you the secrets of working for yourself.

**Freelancing for Creatives** Amy Suto,2019-12-25 In the digital age, writers and artists no longer have to wait tables or drive for rideshare companies in order to sustain their art. As a creative, you can leverage your skills and find freedom in freelancing. Escape your day job, travel the world, work whenever and wherever you want, and spend more time doing your art. Author Amy Suto is a TV writer and freelancer who ghostwrites memoirs for people all over the world, and in this book she shares how she made her first \$10,000 freelancing part-time on the platform Upwork when she was a Hollywood assistant, and how she's grown her freelance business to sustain herself when she's not working in writers' rooms. If you're a creative interested in strategies to find fulfilling and high-paying work as your day job while you hone your craft, then this book is for you.

*Freelance Writing Guide: What to Expect in Your First Year as a Freelance Writer* Christine Rice,

**Get Your First Job as a Freelancer: 10 Stories from women freelancers** Arthur Lee,2021-08-06 In an increasingly connected world, the rise of online freelancing has opened up many opportunities for people to find work beyond their geographical location. However, there is fierce competition, and one of the major challenges that all freelancers face is getting the first job. Getting the first job as an online freelancer may be giving a bit of breathing space in the family budget, or it may be difference between having or not having a few extra luxuries. In this book, we ask 10 women from around the world the following questions about their journey as an online freelancer. Why did you want to become a freelancer? How did you get started? How long did it take you to get your first job as a freelancer? Was it hard to get? Was your experience in your first freelancing job a positive one? What are your hopes as a freelancer? How far do you see your potential as a freelancer? A word of wisdom for others wanting to get into freelancing work online. Be encouraged and inspired by real people who have done it first. Featuring contributions from Vida Antonijević, Goutami Bonik, Alyssa Campita, Mehwish Fatima, Sabrina Hossain, Sana Qaiser, Serah Seroney, Diani Theresha, Christina Turrise and Ayomide Victoria

**Freelance Jobs and Their Profiles** The Gig Economist,2018-07-18 Work from home and hire freelancers: Writer What is it a freelance writer does? If you ever thought about hiring freelance writer or taking the first steps to work as a freelance writer , this is the ebook you need to read. All of your questions will be answered: · How much does a freelance writer earn?· Which tools and skills does a freelance writer need?· What types of writers exist?· Which industries hire freelance writers ?· What types of information do clients have to provide a freelance writer with? The team behind The Gig Economist is convinced that the gig economy can be a success for entrepreneurs, freelancers/giggers, big companies and small businesses alike. Our overall aim is to help shape a healthy gig economy. This Freelance Jobs and Their Profiles series provides clients and freelancers with the information and understanding they need to work together, ultimately creating an environment that is beneficial for all parties involved.

**The Freelance Introvert: Work the way you want without changing who you are** Tom Albrighton,2020-07-04 Are you an introvert? If you're happy in your own company most of the time, have just a few really close friends and prefer to work alone, the answer is probably yes. Introverts find external stimulation overwhelming, so they look for ways to retreat from it. A situation that's easy or fun for one person can be way too much for an introvert. That's fine as long as they have a choice. But that can change when they go to work. Modern working styles like open-plan offices, brainstorming and teamwork can be really hard on introverts. The hands-on work is OK, but the emotional labour of working with others can be draining. Freelancing offers introverts a way out - a chance to work alone, control their workload and create their own workspace. It can be ideal. However, it also takes work. Going freelance means running a one-person business. It means setting direction, organizing your schedule and setting priorities. It means hustling for work and setting prices. And it means building a network that will offer vital support. Doing all that is hard enough for anyone - but particularly for introverts. To make a success of freelancing, you'll need to learn some new skills, push yourself to meet some challenges and build up your confidence. The Freelance Introvert will show you how to make that happen. It will teach you all about creating and managing your freelance business, from setting aims and getting set up to time management, working with clients and marketing. Written by Tom Albrighton - author, veteran freelancer, ProCopywriters co-founder and a confirmed introvert - The Freelance Introvert is the book you need for the life you want. What you'll learn - Getting started - How to tell if you're an introvert - Why work is tough on introverts, and how freelancing can help - Why introversion is a strength, not a weakness Choosing your future - Deciding what you want - Identifying all your skills and qualities - Building your freelance work - Identifying your clients - Setting an earnings target Getting set up - Getting the right workspace and equipment - Taking care of your physical and mental health - Building a network of collaborators and suppliers - Setting boundaries - physical, temporal and psychological Managing your time - The three time horizons you need to watch - How to steer clear of 'time suckers' - How to balance exploration and exploitation Working with clients - What makes a good client? - Why saying 'no' is so important - and how to do it - How to spot rogue clients - What to do when clients move on Marketing yourself - The best ways to find new clients -

Building a marketing mix that works for you - Creating your website, testimonials and personal pitch - How to survive a networking event Setting and agreeing prices - How to shoot for the top of the 'deal zone' - How to set and frame your prices - How to stop self-sabotaging when quoting for work Building your confidence - How to build confidence - When to go beyond your comfort zone - Understanding your explanatory style - How to overcome impostor syndrome - Choosing self-supporting beliefs - Letting go of self-limiting beliefs You can build a thriving freelance career and enjoy the lifestyle you want without changing who you are. The Freelance Introvert will show you how.

**The Freelance Way** Robert Vlach,2022-03-02 The most comprehensive book for freelancers ever written - Packed with proven freelance know-how, including advice from world-class experts like David Allen (Getting Things Done), Adam Grant (Give and Take), Austin Kleon (Show Your Work), and David H. Hansson (Remote: Office Not Required). The Freelance Way is THE business book for independent professionals. It presents the best available and fully up-to-date freelance know-how, compiled from hundreds of quality sources, including surveys, the latest market data, advice from world-class experts, as well as real-life experiences and stories from hundreds of professionals in different fields and countries, which makes the book highly relevant to freelancers worldwide. The contents of this volume cover all the basics and best practices for beginning freelancers, as well as advanced career strategies and tools for freelance veterans. There are practical tips for greater productivity, successful teamwork, smart pricing, powerful business negotiations, bulletproof personal finance, effective marketing, and much more.

**How To Get An Online Freelance Writing Job** Vivian Wagner,2012-02-16 ABOUT THE BOOK So, you want to become a professional writer? It might seem to be a daunting task, but luckily, it's more attainable than you think. Many publications, websites, and companies, from niche magazines to large corporations, hire professional writers. Much of the writing you read on the web, in fact, is done by professionalrs. If you have a flair for words, a responsible attitude, and persistence, this is a great way to develop your career or earn extra money on the side. If you're a skilled writer, getting professional writing work is not difficult; it's just a matter of knowing where to look for assignments, understanding how to get them, and delivering what you promise. MEET THE AUTHOR professional writer Vivian Wagner has wide-ranging interests, from technology and business to music and motorcycles. She writes features regularly for ECT News Network, and her work has also appeared in American Profile, Entrepreneur, Bluegrass Unlimited, and many other publications. She is also the author of Fiddle: One Woman, Four Strings, and 8,000 Miles of Music (Citadel 2010). For more about her, visit her website at www.vivianwagner.net. EXCERPT FROM THE BOOK professional writers just starting out are likely to make a few common mistakes. Here are a few you'll want to avoid: Expecting too much too soon It will take time to develop your professional career, just as it takes time to develop any career. For a while, you'll just be establishing your professional identity, and then you might get a little work here and there. It won't be enough to pay the bills, at least at first, but that's to be expected. Stay committed and be persistent, and your professional writing will eventually pay dividends. Lacking confidence You might be afraid to start because you don't think you're qualified. You'll need to conquer that fear, however, and develop confidence in yourself and your abilities. As professionalr Anne Wayman argues in "6 professional Writing Careers and How to Overcome Them," on her site About professional Writing, "the bottom line is if you want to be a successful writer you've got to quit giving into your fears. You've got to write and submit or market and write. It simply won't get done any other way." Buy a copy to keep reading!

**60 Websites to Get Freelance Jobs Fast** Joseph Brown,2019-03-13 In recent times, freelancing has become an increasingly popular alternative over the traditional 9-to-5 jobs in the worldwide work setting because of its convenience and the opportunity to make more money. Freelance websites are certainly valuable to businesses and individuals alike. This book contains the top 60 websites, which major businesses use to tap the potentials of freelance talents. It also considers the flexibility, usability, and affordability of these websites. A quick overview is also provided for each website, so that you may acquaint yourself with their pricing, important features, benefits, etc. After reading this book, you will be equipped on how to: get well-paying jobs from top-rated freelance websites, quit your 9 - 5 job and sack your boss, be your own boss and work from anywhere in the world, work at your own convenience and earn good money, among other things.

**How I Became An Online Freelancer** Azlina Abdul Jalil,2016-04-01 In How I Became An Online Freelancer, Azlina Abdul Jalil takes you through her journey of discovering online work and building a career as a freelance writer and translator. Unlike conventional freelancing, much of her work is sourced online. She has clients from all over the world. Azlina describes how she stumbled upon this line of work, learning everything from scratch, reinventing herself, and changing her view on work and life ever since. She shares pointers based on her own experiences and hopes this book will inspire others to look into online freelancing as a way to work differently. For anyone who is looking for something extra, who wants to work from home, who wants to travel and earn at the same time, or who just wants a change, this book is for you.
