Treats, Play, Love Patricia Gail Burnham, 2008-02-05 Treats, Play, Love is the collected wisdom of Patricia G. Burnham, the author of the highly successful Playtraining Your Dog, which has been in print for more than twenty-five years. Now, after fifty years in the business, she brings to this new book a focus on food training your dog with small treats, while still incorporating fun and games into teaching basic and advanced obedience. Burnham uses no

compulsive training or punishment for incorrect or unwanted behaviors (such as barking, biting, urinating inside, or begging), but rather offers rewards for correct behavior, thus reinforcing it. Topics covered include: · Basic obedience training for puppies (exercises for sit, down, heel, and stay) · House manners for older puppies and adult dogs (no whining or barking) · Recipes for tasty dog treats that your four-legged friend will do anything for · Understanding your dog's personality · Preventing dog bites · Dealing with shy or fearful dogs · Advice and exercises for training and showing a dog in obedience trials in novice class, open class, and utility class · Reflections on the end of your dog's life There are more than 100 photos and line drawings throughout the book to illustrate movements and exercises, and for owners who want to show their dogs, there are detailed descriptions of what they can expect once they enter the ring. Although Burnham works almost exclusively with greyhounds (which are notoriously difficult to train), her wisdom and expertise apply to all breeds, and her warmth, sound advice, and personal tone make *Treats, Play, Love* a joy to use.

*God and Sex* Rosalind Atkinson, Andy Raba, Mark Whitwell, 2019-05-27 *God and Sex*: the two most powerful and misunderstood words in the English language. The presumed separation between God and Sex has vulgarized both and made them painful, anxiety inducing, and useless to our lives. Lucid, radical and gentle, this long-awaited book from globally beloved teacher Mark Whitwell clarifies the old cultural division of the sacred and the profane and how it has affected all of our lives, whether we are religious or no, and charts a way through the mess. At gatherings around the world, Mark breaks down these inherited divisions with great humour, kindness and depth of presence, opening tens of thousands of hearts to the beauty that they already are. What if I were to tell you that you can fully participate in both God and Sex? By bringing them together into clear association, each purifies the other, and both can be made profoundly useful to your life. Life is Sex. The pollen in the air is the Sex of plants. The flowers and the sounds of animals are the Sex of nature. No matter how convoluted the human mind becomes, we are still this condition. We do not need to 'become' anything in order to have a free and healthy life. There is nothing to be liberated from. This book is for any sincere religious person conflicted about Sex, and any secular modern person trying to find a positive and enriched sexuality. It's for anyone who thinks they have to give up Sex to get to God, and anyone who thinks they have to give up God in order to enjoy Sex. It is for both men and women, for those in same-sex or opposite-sex partnerships, for

those looking for partnership, and for those happily by themselves. It is for anyone wondering What is intimacy? and wanting a framework to understand the damage done to our lives by the belief systems that suggested God was above and Sex was below. It's for anyone dissatisfied or bored by relationship drama and the normal definitions of God and Sex-God as 'other, ' Sex as something sleazy, effortful, hard to get, or fundamentally disappointing. It is for those who wish to turn their sexual life into the heart's activity, participation in God, and for those who wish to turn their religious life into the heart's activity, participation in profound intimacy with their breath, their body, and relationship of every kind. We have all been affected by the dysfunctional separation of sacred and profane. This writing is transmission that will dismiss the absurd idea that you can have God or Sex, but not both, and enable you to realise that you are, in fact, the power of the cosmos, arising as pure intelligence and utter beauty. Mark's presentation of the teachings of Krishnamacharya as modified by the Krishnamurthis is like a sharp knife cutting through a dense mound of bullshit, and what remains is compelling in its simplicity and its humanity. - Galen Tromble, founder of Climate Yogi Chapters include, 'The Hoax of Enlightenment, ' 'The Heart's Embrace of Ordinary Conditions, ' and 'Regenerative Sexuality'
