Dictionary of Law and Economics English - French - Spanish

FRANÇOIS ALVAREZ,Esteban BASTIDA SÁNCHEZ,2016-11-12

This dictionary comes from the need that exists in the field of business, banking and the stock market and the world of law in general, due to the development process experienced by the world economy, which has led us to be increasingly connected with international markets.Similarly, the European and world situation is demanding our entrepreneurs seeking new markets and enhancing

them. Moreover, the expansion of our current economy and the living standards achieved force our entrepreneurs and investors to a greater effort to keep up in the usual terminology in member countries of the European Community and to have on hand and in a single volume the most common terms of law, economics, banking, and the stock, in English, French and Spanish languages widely used in the business world. We have made available to the translator and lawyers and employees of the Bank and the Stock Exchange a dictionary with over 15,000 words and phrases. The rapid evolution and progress of business skills are the foundation of the economy necessitates a reference work rapidly to facilitate the words and terms used in the three languages. Therefore this work wants to be an item for conceptual clarification and precision of the large and increasingly numerous terminology used in daily practice.
