That all changes with a high school crush, a field trip gone wrong, and a ring that he never, ever should have put on. Suddenly, Peter's life of exceptional boredom and insignificance is transformed when he is pulled into Miria, a world on the verge of annihilation. The sister of "Cog," the most powerful god in Miria has gone missing. Together, their combined power held back the Ice Reich—an empire of fallen gods and ice monsters—for thousands of years. Now, the Ice Reich is poised to destroy Miria. When it finishes with Miria, it will destroy everything in the Nine Realms, including Peter's best friend, his favorite teacher, and his family if Peter and his friends aren't up to the task. To return home, Peter must forge friendships with the most unlikely of people and master the power of his ring. As he navigates a world of gods and monsters, he and his friends must find Cog's sister and untangle an ancient plot all before a ticking clock strikes its final hour.
