Careers in Music Sara Peacock,2013-01-17 Musicians often seek jobs in performing or teaching, but in addition there are a wealth of exciting opportunities in the music industry that music students tend to know very little about. *Careers In Music* explores what is available and offers insights into how different skills and personalities suit different types of job. It has advice from people in all walks of life as to the pros and cons of their line of work, how to find the right openings and how to progress in your chosen career.

Hot Hits, Cheap Demos Nadine Condon,2003 If you are a musician, you need this book, which is rooted in real-life music business experience, not classroom theory. It reveals the secrets of artist development using the creative process as the foundation for success, and provides solid direction for you to plan and evaluate your path to success. *Hot Hits, Cheap Demos* shows you how to: jumpstart your career * create a press kit and develop sure-fire marketing strategies * contact clubs and alternative venues * produce and promote your own shows * make an eye-catching web site * create a standout song, find a producer, and even package a CD. Written by Nadine Condon, a 20-year music industry veteran who's been instrumental in the success of such acts as Smash Mouth, Stroke 9, Third Eye Blind and Train.
