Behavioural Dynamics at the Workplace Umashankar K,Charitra H G,2020-11-23 This book offers strategies and effective ways for professional improvement in the workplace. It focuses on behavioural dynamics in a work environment, and offers perspectives on self-assessment, critical thinking, experiential learning, stress management and information processing. The book discusses concepts like self-image and self-concept which have been aligned with professional excellence and provides a psychoanalytic and theoretical understanding of organizational dynamics, individual and group behaviour, and the expectations of the contemporary corporate world. Through case studies, stories, helpful questionnaires and guides, the volume offers tools and practical solutions for young professionals to develop essential skills to thrive in their careers. It also highlights the importance of effective listening, communication, and identifying cognitive, behavioural and transpersonal patterns for professional and personal development. Insightful and detailed, the book is an essential read for students and professionals in the field of management, business communication, human resource, and behavioural psychology. It will also be of great use to young professionals working in various sectors who are interested in learning about organizational dynamics.

The Secret of Leadership Prakash Iyer,2013-05-15 Bestselling author Prakash Iyer uses simple but powerful anecdotes and parables from all over the world to demonstrate what makes for effective personal and professional leadership. Iyer draws lessons from sources as diverse as his driver, a mother giraffe, Abraham Lincoln and footballers in the United Kingdom. He shows how an instinct to lead can be acquired even while flipping burgers at a fast-food chain. All of these stories come together in an explosive cocktail to unleash your inner leader.

The A TO Z OF RELATIONSHIP Hemant Lodha, Welcome to our book that lists down the A-Z of happy and healthy relationships. Relationships are important because, even though we come and go from earth alone, it is impossible to isolate ourselves from others. This is life. We must value each and every relation, be it parents and child, friends, spouse and our superior or subordinates in job. We must know how to respect and build each and every relationship. We all are interdependent on each other till we are alive. Books on soul says our interconnections continue even after death and it continues lives after lives. We hope this book comes handy to you in nurturing your most valued relationships. We wish you Happy Reading!

HOW IS MY DRIVING? Larry O'Sullivan,2014-06-16 How is my 'DRIVING?' is a wonderful concept that brings the responsibility back to you the reader. By substituting the word 'DRIVING' with words like.... Service, listening, leadership, attitude, relationships, goals or lifestyle, you will be able to map your coordinates on the journey to success in life, sport, sales, service or business. It's a motivational book, full of analogies, quotes, humour and largely true life, inspirational stories that have profound messages and morals. A must read!

The Millionaire Real Estate Mindset Russ Whitney,2007-12-18 *The Millionaire Real Estate Mindset: Mastering the Mental Skills to Build Your Fortune in Real Estate* There are scores of books on real estate investing on the market today, and most give sound information and helpful advice. Yet few people have become wealthy. In *The Millionaire Real Estate Mindset*, Russ Whitney asks, "Why isn't everyone rich?" and perhaps more important, "Why aren't you rich?" What is missing in most people's real estate strategy, Whitney says, is the millionaire real estate mindset. And, in this book, he tells readers exactly how to develop one. Whitney explains how you can break free of the fears that hold so many people back. A key part of succeeding in real estate, Whitney claims, is a willingness to spend time educating yourself about the various techniques, options, insights, and possibilities it entails. Other professions and trades require years of education and practice before you can hope to generate significant income. Building wealth in real estate requires similar focus and dedication. He provides specific investing strategies that can work in virtually any market, whether you have cash to start, or not. Once you have a few successes under your belt, he encourages investors to move up to larger deals. He explains the complexities of raw land investing and development as well as international real estate investing. He examines a variety of funding techniques, from no-money-down to syndications to make the wisest use of your cash. Whitney candidly discusses what can go wrong and how to anticipate and address unpleasant surprises. From invaluable insights into personal motivation, to advice on improving one's communication skills, strengthening relationships, and building personal financial strategies, Whitney helps readers overcome feelings of insecurity about investing and move into the market with certainty and self-assurance. With its unique focus on the psychological aspects of investing—an ingredient missing from other how-to real-estate investment guides—*The Millionaire Real Estate Mindset* will enable readers to break through the "poverty" mentality, take advantage of the booming real estate market, and join the ranks of the rich and superrich.

Building a Nation After the Smoke Cleared Away S. E. Masters,2012 Samuel Edward Masters (1890-1958) lived his early years on several homesteads in the area south of Brush, CO and northeast of Deer Trail, CO. Cowhand, auto mechanic, roughneck, welder. This memoir, written the last six months before he died, recounts his childhood on the high plains of eastern Colorado.

a gift in every challenge Rose Pellar,2013-02-21 A mother and her daughter triumph over insurmountable odds. Growing up in a culture where women had no value, facing poverty, homelessness, abuse, language barriers, and heart-wrenching loss would have stopped many women in their tracks. While every life has challenges, Chin Lim Geow (Mary) and her daughter Rose triumphed over insurmountable odds to find stability, respect, happiness, success and love. Spanning over sixty-five years and four countries, this gripping true story may inspire you to: · accept your problems as challenges · systemize how you handle challenges · recognize and seize the opportunities presented by challenges · unpack and leave your hurts behind · shed the limiting beliefs imposed upon you by others and yourself · move courageously toward your goals, to · finally accomplish your dreams. For anyone who has ever been disappointed in life—whether by failed relationships, a betrayal of trust, physical or emotional abuse, and life’s other hardships.

Grow to Your Fullest Ling Qin Zhang,2014-03-06 You are a seed planted by God, within it is a sleeping giant, your fullest in life. However, you usually do not know until you earnestly make a calling to Him and constantly send twitters to Him. He will answer you at his time and reveal the secret of your life. Once you get the secret, you gain a vision; once you get the vision, life is not aimless any more, it becomes exciting and adventurous. A seed has to break out its shell in order to release the life in it. Its a process of self-brokenness, full of pains and risks; a process that requires courage, determination and endurance; a process that is long, lonely but indispensable. Once you succeed in breaking the shell, you grow out to a world that is full of light and darkness, good and evil, opportunity and problem. They may build you up or tear you down. You have to tackle through all the barriers before you are to bloom and bear fruits. The book shows you a roadmap to grow to your fullest and gives you both wisdom and strength to conquer the growing pains from both within and outside you. The book leads you to a new dimension of life that you never imagine and helps you win the crown of life and reach your fullest.
