**Paperbacks from Hell** Grady Hendrix,2017-09-19 An affectionate, nostalgic, and unflinchingly funny celebration of the horror fiction boom of the 1970s and '80s Take a tour through the horror paperback novels of two iconic decades . . . if you dare. Page through dozens and dozens of amazing book covers featuring well-dressed skeletons, evil dolls, and knife-wielding killer crabs! Read shocking plot summaries that invoke devil worship, satanic children, and haunted real estate! Horror author and vintage paperback book collector Grady Hendrix offers killer commentary and witty insight on these trashy thrillers that tried so hard to be the next Exorcist or Rosemary's Baby. Complete with story summaries and artist and author profiles, this unforgettable volume dishes on familiar authors like V. C. Andrews and R. L. Stine, plus many more who've faded into obscurity. Also included are recommendations for which of these forgotten treasures are well worth your reading time and which should stay buried.

**"A ""A Problem From Hell""** Samantha Power,2013-05-14 A character-driven study of some of the darkest moments in our national history, when America failed to prevent or stop 20th-century campaigns to exterminate Armenians, Jews, Cambodians, Iraqi Kurds, Bosnians, and Rwandans.

**From Hell: Master Edition** Alan Moore,2020-09-30 Jack is back—and this time, the blood is red. The award-winning bestseller FROM HELL—often ranked among the greatest graphic novels of all time—takes on haunting new dimensions in FROM HELL: Master Edition, enhanced by impressionistic hues and revisions by Eddie Campbell himself, along with all the original annotations by Alan Moore.

**A Book about Myself Called Hell** Jared Joseph,2022-02-15 In the middle of the journey of our life Dante finds himself lost in a dark wood but then he finds a whole lot of literary movements and arguably modernity itself with his Divine Comedy that, nonetheless, inexplicably, didn't make God laugh. This serious absence caused God's non-divine counterparts, humans, to wonder: Why are we in hell? Why is it so funny? And why can't I laugh?

**Escape From Hell** Alfréd Wetzler,Jozef Lánik,2007-04 Alfred Wetzler was a true hero. His escape from Auschwitz, and the report he helped compile, telling for the first time the truth about the camp as a place of mass murder, led directly to saving the lives of 120,000 Jews: the Jews of Budapest who were about to be deported to their deaths. No other single act in the Second World War saved so many Jews from the fate that Hitler and the SS had determined for them. This book tells Wetzler's story. - Sir Martin Gilbert Wetzler is a master at evoking the universe of Auschwitz, and especially, his and Vrba's harrowing flight to Slovakia. The day-by-day account of the tremendous difficulties the pair faced after the Nazis had called off their search of the camp and its surroundings is both riveting and heart wrenching. ...] Shining vibrantly through the pages of the memoir are the tenacity and valor of two young men, who sought to inform the world about the greatest outrage ever committed by humans against their fellow humans. - From Introduction by Dr Robert Rozett] Together with another young Slovak Jew, both of them deported in 1942, the author succeeded in escaping from the notorious death camp in the spring of 1944. There were some very few successful escapes from Auschwitz during the war, but it was these two who smuggled out the damning evidence - a ground plan of the camp, constructional details of the gas chambers and crematoriums and, most convincingly, a label from a canister of Cyclone gas. The present book is cast in the form of a novel to allow factual information not personally collected by the two fugitives, but provided for them by a handful of reliable friends, to be included. Nothing, however, has been invented. It is a shocking account of Nazi genocide and of the inhuman conditions in the camp, but equally shocking is the initial disbelief the fugitive's revelations met with after their return. Ewald Osers has translated over 150 books and received many translation prizes and honours.

**Escape from Hell** Larry Niven,Jerry Pournelle,2009-02-17 The long-awaited follow-up to Larry Niven and Jerry Pournelle's classic science-fiction reimagining of Dante's Inferno.

**Jack the Ripper: Letters from Hell** Stewart P Evans,Keith Skinner,1997-02-20 The name 'Jack the Ripper' is instantly recognised throughout the world, yet many people probably don't know that the famous nickname first appeared in a letter or that this was where the whole legend of Jack the Ripper really began. This title poses a controversial question: was 'Jack the Ripper' merely a press invention?

**Reprieve From Hell** Master Sergeant Samuel B. Moody,2015-11-06 In his book "Reprieve from Hell," former M/Sgt. Sam Moody has recorded in faithful detail the harrowing account of his experiences as a Prisoner of War of the Japanese Government from the surrender of Bataan until the Japanese surrender in 1945. We can only marvel at the ability of our men to adjust to the desperate, deplorable, and inhuman treatment and conditions inflicted on them by an unreasoning, vicious enemy. An enemy that scorned and refused to accept the Geneva Conventions for treatment of POWs. It brings tears to realize the dreadful personal human price so many of our men paid as Prisoners of War of the Imperial Japanese Government.—William G. Hipps, Brigadier General USAF (Ret.)

**Deals from Hell** Robert F. Bruner,2015-09-28 A detailed look at the worst M&A deals ever and the lessons learned from them It's common knowledge that about half of all merger and acquisition (M&A) transactions destroy value for the buyer's shareholders, and about three-quarters fall short of the expectations prevailing at the time the deal is announced. In Deals from Hell, Robert Bruner, one of the foremost thinkers and educators in this field, uncovers the real reasons for these mishaps by taking a closer look at twelve specific instances of M&A failure. Through these real-world examples, he shows readers what went wrong and why, and converts these examples into cautionary tales for executives who need to know how they can successfully navigate their own M&A deals. These page-turning business narratives in M&A failure provide much-needed guidance in this area of business. By addressing the key factors to M&A success and failure, this comprehensive guide illustrates the best ways to analyze, design, and implement M&A deals. Filled with in-depth insights, expert advice, and valuable lessons gleaned from other M&A transactions, Deals from Hell helps readers avoid the common pitfalls associated with this field and presents them with a clear framework for thinking about how to make any M&A transaction a success.

**Gigs from Hell** Sleazegrinder,2003 Foreword by Vadge Moore, drummer for the Dwarves From the darkest rat hole basements to flash arenas, here is a wild ride through Rock's worst moments. Rife with confessionals, Gigs from Hell strips the mythology and starry-eyed allure of life on the road to its barest essentials - puke, rip-offs, come-downs and the odd stab at glory. Collected and translated from drunken rock-speak by music writer Sleazegrinder, this book offers a rare glimpse at what it's really like to tour, record and survive in the cut-throat music industry. Illustrated.

**Prom Dates from Hell** Rosemary Clement-Moore,2008-04-22 Maggie Quinn, girl reporter. Honors student, newspaper staffer, yearbook photographer. Six weeks from graduation and all she wants to do is get out of Avalon High in one piece. A sensible nerd would have kept her head down, done her drive-by photo shoot of the prom, and continued the

countdown to Deploma Day. But fate seems to have different plans for Maggie. High school may be a natural breeding ground for evil, but the scent of fire and brimstone is still a little out of the ordinary. It's the distinct smell of sulfur that makes Maggie suspect that something's a bit off. And when real Twilight Zone stuff starts happening to the school's ruling clique—the athletic elite and the head cheerleader and her minions, all of whom happen to be named Jessica—Maggie realizes it's up to her to get in touch with her inner Nancy Drew and ferret out who unleashed the ancient evil before all hell breaks loose. Maggie has always suspected that prom is the work of the devil, but it looks like her attendance will be mandatory. Sometimes a girl's got to do some pretty undesirable things if she wants to save her town from soul-crushing demons from hell. And the cheerleading squad. Dripping with wit on nearly every page.—School Library Journal Smart (and smart-ass).—KLIATT There is a lot to like in this story that takes on magic, romance, and even clique politics.—Publisher's Weekly Fans of shows like Charmed and Buffy the Vampire Slayer will relish the unflappable, edgy humor Maggie brings to her fight against supernatural evil.—The Horn Book Magazine Sharp, sarcastic wit...[This book] will appeal to supernatural fans of Meg Cabot's Mediator series.—VOYA

**Roommates from Hell** Michelle Weathers,Julia Miller (Humorist),1994 Most people who have had a roommate admit that it's no Melrose Place. This third book in the popular from hell series is filled with more than 100 absolutely true encounters with deranged roommates, ranging from the unsympathetic and inflexible to the just plain mean and cheap.

**A Job from Hell** Jayde Scott,2011 Enter a world of forbidden love, rituals, dark magic and ancient enemies... An ancient bond draws Amber to the immortal Aidan shortly before her eighteenth birthday when she starts her summer job in Scotland and unknowingly wins the deadly prize in a paranormal race, turning her from a mere mortal into a priceless commodity.

**Letters from Hell** Valdemar Adolph Thisted,1885  
From Hell to Breakfast Meghan Tifft,2019-10-22 Lucinda and her boyfriend Dracula, yes, that Dracula, navigate dead end jobs, difficult (and disturbing) neighbors, amateur actors and the underground art world in this darkly funny ode to the weirdness of small town America

**The From Hell Companion** Eddie Campbell,Alan Moore,2013 From Hell occupies a monumental place in the history of the graphic novel: a Victorian masterpiece of murder and madness which has won numerous awards, spawned a major Hollywood film, and remained a favorite of readers around the world for over two decades. Now, Top Shelf Productions and Knockabout Comics present The From Hell Companion, an astonishing selection of Alan Moore's original scripts and sketches for the landmark graphic novel, with copious annotations, commentary, and illustrations by Eddie Campbell. Here for the first time are a set of pages, including some of Moore's greatest writing, which have never been seen by anyone except his collaborator. Joining them are Campbell's first-hand accounts of the project's decade-long development, complete with photos, anecdotes, disagreements, and wry confessions. Arranged in narrative order, these perspectives form a fascinating mosaic, an opportunity to read From Hell with fresh eyes, and a tour inside the minds of two giants of their field.--Amazon.com.
