Running Mad for Kentucky Ellen Eslinger,2021-10-21 The crossing of America's first great divide—the Appalachian Mountains—has been a source of much fascination but has received little attention from modern historians. In the eighteenth century, the Wilderness Road and Ohio River routes into Kentucky presented daunting natural barriers and the threat of Indian attack. *Running Mad for Kentucky* brings this adventure to life. Primarily a collection of travel diaries, it includes day-to-day accounts that illustrate the dangers thousands of Americans, adult and child, black and white, endured to establish roots in the wilderness. Ellen Eslinger's vivid and extensive introductory essay draws on numerous diaries, letters, and oral histories of trans-Appalachian travelers to examine the historic consequences of the journey, a pivotal point in the saga of the continent's indigenous people. The book demonstrates how the fabled soil of Kentucky captured the imagination of a young nation.

Global West, American Frontier David M. Wrobel,2013-10-15 This thoughtful examination of a century of travel writing about the American West overturns a variety of popular and academic stereotypes. Looking at both European and American travelers' accounts of the West, from de Tocqueville's *Democracy in America* to William Least Heat-Moon's *Blue Highways*, David Wrobel offers a counter narrative to the nation's romantic entanglement with its western past and suggests the importance of some long-overlooked authors, lively and perceptive witnesses to our history who deserve new attention. Prior to the professionalization of academic disciplines, the reading public gained much of its knowledge about the world from travel writing. Travel writers found a wide and respectful audience for their reports on history, geography, and the natural world, in addition to reporting on aboriginal cultures before the advent of anthropology as a discipline. Although in recent decades western historians have paid little attention to travel writing, Wrobel demonstrates that this genre in fact offers an important and rich understanding of the American West—one that extends and complicates a simple reading of the West that promotes the notions of Manifest Destiny or American exceptionalism. Wrobel finds counterpoints to the mythic West of the nineteenth century in such varied accounts as George Catlin's *Adventures of the Ojibbeway and Ioway Indians in England, France, and Belgium* (1852), Richard Francis Burton's *The City of the Saints* (1861), and Mark Twain's *Following the Equator* (1897), reminders of the messy and contradictory world that people navigated in the past much as they do in the present. His book is a testament to the instructive ways in which the best travel writers have represented the West.

A Trip to Pioche; Being a Sketch of Recent Frontier Travel Charles A. Sumner,2018-10-11 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. A Trip to Pioche Charles Allen Sumner,1873

Wanderer on the American Frontier John Maley,2018-10-04 For nearly two hundred years, a fragment of the journal of John Maley, an obscure explorer on the American frontier, resided at Yale University and was treated with some skepticism by historians. It was only in 2012, when the first half of the manuscript turned up at a barn sale in Pennsylvania and was acquired by Southern Methodist University's DeGolyer Library, that the full story of Maley's travels could be pieced together. *Wanderer on the American Frontier* makes the complete journal available for the first time, allowing readers to follow a contemporary of Lewis and Clark on his journey through the Ohio, Mississippi, and Red River valleys, and to reassess the account's authenticity. Between 1808 and 1813, Maley covered more than 16,000 miles through thirteen present-day states. Much of that travel took him beyond the fringes of civilization, and his journal offers some of the earliest descriptions of the Ozark Plateau, the Ouachita Mountains, and the upper reaches of the Red River. His account also provides a firsthand look

at life on the frontier in the tumultuous years following the Louisiana Purchase. Editor F. Andrew Dowdy has carefully retraced Maley's steps and, with extensive use of maps, has reconciled some of the journal's more confusing passages to give readers clear modern-day reference points. Numerous annotations and appendices provide necessary historical context, from the link between Maley's 1809 Indiana copper exploration and the Treaty of Fort Wayne, to the ways his 1811 foray into Spanish Texas presaged further filibusters there during the Mexican War for Independence. The fascinating tale of one of the wider-ranging explorers in American history, *Wanderer on the American Frontier* is an invaluable resource that provides a unique window on the West in the early nineteenth century.

TRIP TO PIOCHE BEING A SKETCH Charles a. (Charles Allen) 1835 Sumner,2016-08-27 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Far Past the Frontier James Andrew Braden,1902 This is the exciting story of Ree Kingdom and John Jerome, two courageous lads who start out from their Connecticut homes in 1790 on a perilous trip through the forests to live with the Indians in the Ohio River Valley, and trade with them. The journey is packed with unusual adventures, and not a little danger. When they finally reach the chosen territory, the veteran frontiersman, Tom Fish, helps them to find suitable location for a cabin near a Delaware village. Fishing Bird whose life Ree saves, becomes a staunch and loyal friend to the youthful pioneers, and in turn he saves the lives of young Long Knives, as the Indian call Ree and John--Jacket.

Shod with Silence Edward Sylvester Ellis,1896

The Old Oregon Country Oscar Osburn Winther,1950-01-01 The Pacific Northwest, the old Oregon country, was one of the most remote and inaccessible frontier areas, but it was also known to be rich in natural resources. The opening up of this region is a story of courage, endurance, and pioneer enterprise. Transportation in this rugged country was a problem to the settlers who would promote commerce and travel, just as it was a problem to the earlier fur traders. The construction of roads and development of water routes progressed through the years until the railroad finally came to the Northwest, but at no time did the scarcity of roads prevent settlers from pushing back the frontier. Here the whole story of travel and travelers in this region is told for the first time. The book is based largely on primary sources and, as such, is a contribution to history. As an account of courage and ingenuity, transportation monopoly against transportation monopoly, and man versus nature, it is fascinating reading. University Professor of History at Indiana University, O. O. Winther is the author of *Express and Stagecoach Days in California* and *Via Western Express and Stagecoach*.

A Trip to Pioche Charles A. Sumner,2017-10-12 Excerpt from *A Trip to Pioche: Being a Sketch of Recent Frontier Travel* There is not a character of oppression of which the Railroad Monopoly has been guilty, that was not literally described in the Nevada Legislatures of '66 and '67 and set down in Nevada. Newspapers and other publications during those years, as sure to follow the failure to improve the Opportune moment to successfully encourage and establish adjacent competition in trans-mountain railways. A Trip to Pioche Charles Allen Sumner,1873

Frontiers of Heaven Stanley Stewart,2006-02-01 Winner of the Thomas Cook Travel Book Award For the Chinese, the Great Wall of China has defined much more than a physical barrier. Over the centuries it has represented a psychological frontier - within it lies the Celestial Kingdom, the compass of all civilization. Beyond lies a barbaric world of chaos and exile. In *Frontiers of Heaven*, author Stanley Stewart recounts his wanderings halfway across Asia. The journey takes him from Shanghai to the banks of the Indus, and along the way he encounters the modern Chinese for whom these regions beyond the Wall still hold the same morbid

fascination. Today, the great western province of Xinjiang is still a land of exile, the destination of soldiers, reluctant settlers, political prisoners, and disgraced officials. Whether describing the lost cities of Central Asia, a Buddhist monastery in the shadow of Tibet, or a love affair in Xi'an, Stewart tells his story with charm and affection.

A Journey Through Texas Frederick Law Olmsted, 1857

The Forward Frontier Scott J. Bockus, 2015-04-28 Thus, traveling across the country would soon commence, and I was excited by the prospect. So far, I had been in want of a new kind of adventure anyhow, as I had lately overstayed my welcome in the White Mountains of New Hampshire. I had learned all the identifications of all the trees, shrubs, plants, animals, insects, rocks, clouds, and soils in that place; and met all the people I had need to. I grew somewhat tired of those mountains - covered in rocks and glacial debris and fir trees - though it remains among the most charitable scenes in all my since traveled ones. But ten months in the north woods can take a toll on the wanderer, and on his mind, and it was high time that I depart from it (not my mind of course, but the north woods). I made my courteous rounds and said my goodbyes to friends, colleagues, acquaintances, neighbors, allies, and even enemies alike; I had more of this last variety than I had made room for. Leaving a comfortable home has never been easy, I should think, in all of human history, but alas, I left it and did it passing by all the hills I had grown so fond of, and all the rivers and lakes and streams and ponds that I had swum in and fished in and admired for so long for their freedom and beauty. Indeed, I was leaving New England and heading the other way; away from that quaint and wonderful part of the country begotten in foliage and stuck in the corner of America like the gold nugget clinging to the quartz vein, and into what I could say was the unknown, or at least what could pass for the unknown if questioned by authorities. And so, after living in the White Mountains for nearly a year, Scott J. Bockus took to the road. It was the first time he would cross the Mississippi River and the first time he would pierce the west. An insatiable appetite for travel soon followed. The Forward Frontier is a personal account of his first two plunges into the guts of America.

The Travels of John Heckewelder in Frontier America Paul A. Wallace, 1985 A collection of the travel writings of John Heckewelder, who recorded much of the history of the western frontier in the upper Ohio Valley and the eastern Great Lakes.

Wah-to-Yah and the Taos Trail Lewis H. Garrard, 1972-06-01 First hand narrative of overland travel along the Santa Fe Trail to Bent's Fort, Colorado and then on to Taos, New Mexico. This book is supposedly the only eye witness account of the trials and hangings of the revolutionaries who attempted to overthrow the newly acquired American occupancy in Taos by murdering Governor Charles Bent and several others.

A Journey Through Texas, Or, A Saddle-trip on the Southwestern Frontier Frederick Law Olmsted, 1857 Excerpt from *A Journey Through Texas; Or a Saddle-Trip on the South-Western Frontier: With a Statistical Appendix* At the same time, I do not desire to engage in it, as I hardly need assure you, in a spirit at all inconsistent with a desirable friendship. Rather, in explaining the significance which, in my own mind, attaches to my narrative of facts, relative to the question upon which we have the misfortune to be divided in judgment, I shall hope 'to lessen. Instead of aggravating, the causes of our difference. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
