**Confessions of a Jane Austen Addict** Laurie Viera Rigler,2007-08-02 NATIONAL BESTSELLER After nursing a broken engagement with Jane Austen novels and Absolut, Courtney Stone wakes up and finds herself not in her Los Angeles bedroom or even in her own body, but inside the bedchamber of a woman in Regency England. Who but an Austen addict like herself could concoct such a fantasy? Not only is Courtney stuck in another woman's life, she is forced to pretend she actually is that woman; and despite knowing nothing about her, she manages to fool even the most astute observer. But not even her level of Austen mania has prepared Courtney for the chamber pots and filthy coaching inns of nineteenth-century England, let alone the realities of being a single woman who must fend off suffocating chaperones, condom-less seducers, and marriages of convenience. This looking-glass Austen world is not without its charms, however. There are journeys to Bath and London, balls in the Assembly Rooms, and the enigmatic Mr. Edgeworth, who may not be a familiar species of philanderer after all. But when Courtney's borrowed brain serves up memories that are not her own, the ultimate identity crisis ensues. Will she ever get her real life back, and does she even want to?

**Confessions of a Tradesman** Frank Thomas Bullen,1908 Purchase of this book includes free trial access to www.million-books.com where you can read more than a million books for free. This is an OCR edition with typos. Excerpt from book: CHAPTER II CONTINUED TROUBLE BY some strange freak of good fortune to which I was totally unaccustomed, the very next day after my summary dismissal from the trunk-maker's, I got a job in a big dairy company's business. I have forgotten exactly how it happened, but I think that one of my street chums told me he had seen the notice in the shop window, and hurrying off at once, I secured the situation. At first blush I was almost overwhelmed with the magnitude of my good fortune. For my wages were to be six shillings per week, and a pint of milk twice a day, which to me was wealth indeed, and I began to have visions of getting a little pocket-money out of my earnings, and perhaps even, blissful thought, a new suit of clothes, a possession that I had never yet enjoyed. My delight was somewhat tempered by the fact that my hours of business were to be from 4.30 A.m. to 9 P.m., on Sunday and week-day alike, in summer; and from 5.30 A.m. to 9 P.m. in winter. But of course that was merely a detail. As I had to begin at so unholy an hour in the morning, of course it was unthinkable that I could get any food in the house, and so my landlady made arrangements, in consideration of receiving the whole of my earnings textit{and the milk, to subsidise a local coffee-stall keeper to the extent of one cup of coffee and one slice of cake, price together one penny, every morning. This I bolted at the street corner, often scalding my mouth, for I need hardly say that the margin of time was never very great. And if a boy arrived late, well, there was an end, for his van had gone without him, since it might not linger, obstructing the others. Afte. swallowing my coffee, I fled as fast as my legs would carry me towards my place of business (sounds important, doesn't it ?), which, when I reach...

**The Grand Life: Confessions of an Old School Hotelier in the Digital Age** Patrick L Griffin OAM, A funny, moving and heartfelt memoir of social upheaval from postwar Britain to the digital age. Patrick Langley Griffin OAM grew up in the post war years of a gloomy Britain in the 40s and 50s and his career spanned fifty years as a hotelier in Grand hotels across the UK, Europe and Australia. His memoir is filled with characters famous, infamous and hitherto unknown. From his first star encounter with Charlie Chaplin, the memoir is filled with tales of film stars, rock legends, celebrities, Heads of State and politicians, as well as the British Royal Family. No less enjoyable are the tales of ordinary folk, just as full of laughs, tears and crazy behaviour. The memoir is full of humour, candour and genuine empathy for the common humanity that binds us all. Born in Rugby, England in 1946, his early youth was spent in Swanage, Dorset, where the family had moved to escape the German bombing while their father served in the RAF. Although not academically inclined, his charm, wit and unfailing ability to make lemonade when he was given lemons ensure his childhood and public school years are filled with adventures and hilarious mishaps. His career started in 1963 as a trainee manager at The Grand Hotel in Eastbourne, a very traditional Victorian-era five-star hotel, where he found his passion for hospitality. Half a century of social and political change comes to life, from post-war austerity and bureaucracy through the Swinging 60s and the 'Summer of Love' in Amsterdam, to England's industrial upheaval and 'Winter of Discontent' of the 70s. He moved to Australia at the dawn of a new century to open two new upscale hotels, and survived and thrived in the global financial crisis that shook the world.

**Institutions of the Text** Jeffrey Masten,Wendy Wall,2001 Volume XXX of this award-winning publication examines texts in relationship to the institutions that shaped early modern culture - the printing industry, the market-place of both texts and fashions, theatrical companies - as well as manuscript circulation, authorship, and issues relating to the family and paternity. In essays that range across the terrain of early modern culture, the contributors use a wide variety of methodologies to explore their interests and tackle fundamental questions. Renaissance Drama, an annual publication, is devoted to drama as a central feature of Renaissance culture. Displaying an interdisciplinary orientation, the essays in each volume explore the Renaissance dramatic traditions in relation to their precursors and successors and examine the impact of new forms of interpretation on the study of Renaissance plays.

**Confessions of a Tinderella** Rosy Edwards,2015-05-21 The laugh-out-loud true story of one girl's experience of life on Tinder. Rosy Edwards is the epitome of a contradictory twenty-something year old. She's frugal when it comes to food shopping, but is willing to splash out on shampoo. She's career minded, she just doesn't know which career to have in mind right now. And although she's happy being single, a part of her kind of wants a boyfriend. So after a few unsuccessful dates with friends of friends (read: being forced to date their shortest/dullest/oddest acquaintance), she put herself on Tinder, the app that has transformed the world of online dating. And she soon learns the unspoken rules the hard way: always reject a guy with black and white profile pics (he is ginger and/or ugly); is wearing a hat (bald); has a shot of his torso (moron) or is not standing beside anything scaleable (5'8 and under). And then there are the dates themselves. From a sky-high dinner date to a borderline drug bust in Chelsea, Rosy has experienced it all, swinging through her love life on the trapeze of Tinder. She falls for the wrong guys, ditches the nice ones, but can she finally find her happy ending. Brilliantly honest and hilariously funny, Rosy's story shows us all that the key to a successful love life could just be a swipe away.

**Confession** Adrienne von Speyr, 2017-03-22 In this second edition of her profound book on confession, which theologian Hans Urs von Balthasar calls one of her most central works, Adrienne von Speyr discusses the moral and practical aspects of this sacrament in great depth. The most complete spiritual treatise on confession ever written, the book covers conversion, scruples, contrition, spiritual direction, laxity, frequency of confession, confessions of religious and lay people, and even confessions of saints. The most intriguing element in von Speyr's understanding of confession, fully developed in this volume, is its trinitarian and christological basis. The Cross is the archetypal confession, and Christian sacramental confession is thus an imitation of Christ in the strict sense. Confession examines the enormous fruitfulness of this dogmatic basis from many perspectives, giving a wealth of suggestions that both the theological expert and the layman will find very helpful. Its practical applicability to one's own confession emerges from every page.

**Sixty Trends In Sixty Minutes** Sam Hill, 2002-11-20 A showcase of the sixty trends that will have the biggest impact on business in the next decade In *Sixty Trends in Sixty Minutes* (A Brandweek Book), top marketer Sam Hill, author of the bestselling *Radical Marketing*, highlights the trends that will have the biggest impact on marketing, brand management, and product development within the next decade. He separates the momentary fads from the lasting movements and reveals why trends matter, where they come from, and how to exploit them. He also describes the ten factors that will influence current trends and trends to come, such as exponential population growth, urbanization, interconnectedness, and the decreasing role of work in our lives. With these valuable insights in hand, business leaders will learn how to differentiate their product on the shelf, tap into specific markets, meet consumers' desires for authentic products, and much more. Hill also guides managers in conducting trend workshops identical to those offered by his consulting group at top-dollar prices. Timely, relevant, and global in its scope, this book offers entrepreneurs and managers new ideas and techniques for finding success today and in the future.

*The New Frugality* Chris Farrell, 2010-08-19 As the recession deepens, with a downturn in spending, rise in defaulting mortgages and throttling of credit, a Go-Go economy has transitioned to a Uh-Oh economy. How did we get here and what does it mean for individuals and families? *The New Frugality* lays out how Americans have overspent—and offers a way out through consuming less and saving more—showing that living simply is not just living cheaply. What is required is a paradigm shift. We need to learn to live more modestly by cutting back on spending, actually attempting to live within our means and increasing savings. Farrell outlines creative new ways of thinking that can help us to accomplish this, not just by reverting to earlier financial models, but by innovating new solutions that are appropriate to the times we live in. In some ways, *The New Frugality* is the fiscal equivalent of the green movement; and indeed, going green is also part of the project. In *The New Frugality* Farrell will show where the economy is going, how it will affect regular families, and how they can weather the storm.

*The Unhyphenated Canuck* Herb Duerr, 2007-03-25 Like many who emigrated from Europe after World War II, author Herb Duerr left Germany for Canada in 1951, seeking peace and the possibility of a better life. *The Unhyphenated Canuck: Reflections and Confessions of an Opinionated Immigrant* traces Duerr's life, beginning with his arrival as an adolescent in his chosen country, and portrays his struggles to mesh into a strange new world and to advance in an unfamiliar, competitive environment. With an occasional delicate, private adventure combined with extremely critical observations of current events, Duerr reveals his opinionated analysis with a mixture of contention and amusement. *The Unhyphenated Canuck* presents his well-researched perspective and personal experiences over fifty years of historical, cultural, and social evolution of the Canadian milieu. With his engaging narrative, Duerr sustains curiosity while presenting historical context and causes, providing entertainment and information in equal measure. Pertinent facts and often self-deprecating humour fuel the interest of *The Unhyphenated Canuck* from the initial introduction to the final page.

**The Faith We Confess** Jan Milic Lochman, 2005-01-13 Jan Milic Lochman is internationally respected as a convincing and powerful interpreter of theology for both Christians and Marxists. With this work he offers a contemporary and ecumenical statement of what Christians believe, based on the Apostles' Creed. He treats the creed not as an archaic document, but as a living witness, vitally relevant to today's intellectual and ecumenical scene. This existentially committed exposition of the basics of Christian faith will inform and challenge both clergy and laity – Protestant, Catholic, and Orthodox – as few have done since the majestic 'Credo' of Karl Barth.

Promises to Confess to Elder Harvey Marshall, 2012-07 Author Harvey Marshall gleaned great thoughts, ideas, and inspiration while reading the Bible, and he wanted to share what he found with others. At first, he texted the encouraging words he learned by cell phone. Then, he sent them via e-mail, and finally he created a website with which to share the good news. In *Promises to Confess to*, Marshall shares these lessons, gleaned from Scripture readings, and discusses the meanings behind the encouraging words and the promises from God that are a part of the Bible's message. He follows each short inspiration with a confession or prayer that relates to the discussion. *Promises to Confess to* provides a lens through which to look at God and to appreciate the many colors that his glory has allowed to fall upon the earth.

*Confess to Me* Sharon Doering, 2021-06-15 A wickedly gripping thriller about family secrets, infatuation and the lies we bury to protect ourselves from the author of *She Lies Close*. Somewhere between Ozark and Sharp Objects, there is Sharon Doering's *Confess to Me... you won't put this one down* – Samantha Downing Wow! Doering delivers spellbinding plot twists...
