Prairie Avenue Cookbook Carol Callahan, 1993 This enchanting cookbook by Carol Callahan allows us to reverse time and transcend space in order to enter a period and place in American history when confidence abounded and all things seemed possible and some Chicago families were able to live in a manner never to be equaled. Judge for yourself. The thirty-five illustrations that accompany the text document what a grand life-style it was. If you want to see the richest half-dozen blocks in Chicago. . . drive down Prairie Avenue from Sixteenth Street to Twenty-second. Right there is a cluster of millionaires not to be matched for numbers anywhere else in the country. -- Chicago Herald, 1887 And the Herald wasn't guilty of braggadocio. Prairie Avenue was home to such august individuals as Marshall Field, George Pullman, Philip Armour, Gustavus Swift, William Kimball, Samuel Allerton, Joseph Sears, and John Glessner. Among the delights they enjoyed were the joys of the table-- the recipes for which, preserved by family members, are shared here for the first time. Carol Callahan makes it possible to taste the flavors of that opulent era with a collection of more than two hundred historic recipes from the prominent nineteenth-century families of Prairie Avenue. All of the recipes have been tested and modernized for today's cook. They range from everything you might like for breakfast to however you'd like your oysters to snacks, soups, salads, entr es, preserves, desserts, and some power-packed Prairie Avenue party punches. To place these dishes in their proper context, Callahan includes family anecdotes gathered through oral history interviews that encompass food, meals, health, and entertainment as well as

other aspects of nineteenth-century Chicago life. Callahan devotes part of the book to discussions of the foods available to Prairie Avenue residents, the impact of the rapidly changing technology on cooking, the fine art of dining, the ritual of calling, the problems and pleasures of servants in the household, the children of Prairie Avenue, and the effect of the 1893 World's Colombian Exposition on Chicago. Whether you elect to prepare these Victorian delights or simply savor them in your imagination, the *Prairie Avenue Cookbook* is sumptuous fare.

The New Mars John L. Manning Jr., 2008-09 The author's first book, The 50th Pennsylvania's Civil War Odyssey, addressed the wartime journey of a regiment that fought in six Southern states. In this, his second Civil War tale, you follow the hardships faced by a regiment that fought in only two. It fought in McClellan's Virginia Peninsula Campaign and then, in its second major fight at Plymouth, NC in April

1864, the entire Union garrison was captured by General Hoke's Confederate forces. This book also focuses on a lucky lieutenant from Bedford, Pennsylvania, who escaped from rebel captivity with two companions and, with help from field slaves and Unionists in the mountains of North Carolina and Tennessee, walked 250 miles in 42 days to Union lines. His regiment, the 101st Pennsylvania, was not so fortunate. Captured in April of 1864 in its entirety at Plymouth, NC, nearly half of its enlisted men perished in Confederate POW camps.
