The Devil's Fruit Dvera I. Saxton,2021-02-12 The Devil's Fruit describes the facets of the strawberry industry as a harm industry, and explores author Dvera Saxton's activist ethnographic work with farmworkers in response to health and environmental injustices. She argues that dealing with devilish—as in deadly, depressing, disabling, and toxic—problems requires intersecting ecosocial, emotional, ethnographic, and activist labors. Through her work as an activist medical anthropologist, she found the caring labors of engaged ethnography take on many forms that go in many different directions. Through chapters that examine farmworkers' embodiment of toxic pesticides and social and workplace relationships, Saxton critically and reflexively describes and analyzes the ways that engaged and activist ethnographic methods, frameworks, and ethics aligned and conflicted, and in various ways helped support still ongoing struggles for farmworker health and environmental justice in California. These are problems shared by other agricultural communities in the U.S. and throughout the world.

Fruit of the Devil Mary Flodin,2019-10-15 Ms. Aurora Bourne would do anything to protect her students from harm ... even if that means going up against the most powerful corporation on the planet. While getting her fourth grade classroom ready for Fall, Aurora begins to feel sick, and it's more than back-to-school blues. Outside her windows next to the playground, strawberry fields have just been fumigated and pesticides are drifting into the classrooms, causing serious health issues for children and adults. When the teenage sister of a migrant student goes missing from the strawberry fields, it becomes clear that pesticide poisoning isn't the only thing threatening the children's safety, and Aurora begins to understand why farmworkers call strawberries Fruta del Diablo — the Fruit of the Devil. Aurora starts asking questions and gets caught in a web of gangs, drugs, trafficking, and high-level corporate crime. When a Catholic priest comes to her aid, she falls in love with him, complicating her life further. She has no idea he's actually an ancient nature god out of Pacific Coast indigenous legends.

The Fruits of the Devil Adeleke Dominion,2016-03-27 Every believer knows about the fruits of the Holy Spirit, which believers strive to embrace and embody. But are you on the lookout for the tempting fruits of the devil? When the devil crept into the Garden of Eden and offered the forbidden fruit to Eve, she ate it, and offered it to Adam, who ate of the forbidden fruit too. They disobeyed God, and were cast out of the garden. They lost the dominion that God wanted them to have over everything. Jesus Christ came to the world to shed His blood, to pay the price for that mistake. But ever since then, the sons of Adam and daughters of Eve have been taking the devil's fruits from his deceitful hand. Any time you eat these poisoned fruits, you turn away from God. This book is an essential tool in your walk with God-it will educate you about the three deadly fruits of the devil, and with scriptural examples, it will show you the price others have paid for eating these fruits, and also how the Bible teaches us to resist and overcome the devil's temptation. Don't spend another day in sin-learn to say no to the devil, who is the father of lies, and draw closer to your Father in heaven.

The Devil's Picnic Taras Grescoe,2008-12-01 An investigation into what thrills us, what terrifies us, and what would make us travel ten thousand miles and evade the local authorities, The Devil's Picnic is a delicious and compelling expedition into the heart of vice and desire. Taras Grescoe is the author of two books, one of which, *Sacre Blues: An Unsentimental Journey Through Quebec*, was shortlisted for the Writers' Trust Award and was a national bestseller in Canada. His work appears in major publications all over the US, the UK and Canada. Vivid and entertaining.-New York Times [Grescoe] spends a year in seven countries, seeking out such delicacies as Epoisses cheese, which smells so bad it's said to have been banned from the Paris Metro; the author writes fondly that it makes 'Gorgonzola smell like Velveeta.'...He eats bulls' testicles in Madrid and visits an absinthe distillery in Switzerland. You feel hung over just reading the thing-guilty, implicated and strangely hungry.-Los Angeles Times Also available: HC ISBN: 1-58234-429-9 ISBN-13 978-1-58234-429-4 \$24.95

One Piece, Vol. 100 Eiichiro Oda,2022-08-02 The big powers converge as Luffy, Law, and Kid face off against Kaido and Big Mom. Is there any hope of victory against this ultimate alliance?! Onigashima quakes with power as some of the fiercest pirates in the world go head-to-head!! -- VIZ Media

The Fruit Hunters Adam Leith Gollner,2013-06-11 A historical account of the role of fruit in the modern world explores the machinations of multi-national corporations in distributing exotic fruits, the life of mass-produced fruits, and the author's experience with unusual varieties that are unavailable in America.

Zoë Bakes Cakes Zoë François,2021-03-16 IACP AWARD FINALIST • The expert baker and bestselling author behind the Magnolia Network original series Zoë Bakes explores her favorite dessert—cakes!—with more than 85 recipes to create flavorful and beautiful layers, loafs, Bundts, and more. “Zoë's relentless curiosity has made her an artist in the truest sense of the word.”—Joanna Gaines, co-founder of Magnolia NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY TIME OUT Cake is the ultimate symbol of celebration, used to mark birthdays, weddings, or even just a Tuesday night. In Zoë Bakes Cakes, bestselling author and expert baker Zoë François demystifies the craft of cakes through more than eighty-five simple and straightforward recipes. Discover treats such as Coconut–Candy Bar Cake, Apple Cake with Honey-Bourbon Glaze, and decadent Chocolate Devil's Food Cake. With step-by-step photo guides that break down baking fundamentals—like creaming butter and sugar—and Zoë's expert knowledge to guide you, anyone can make these delightful creations. Featuring everything from Bundt cakes and loaves to a beautifully layered wedding confection, Zoë shows you how to celebrate any occasion, big or small, with delicious homemade cake.

One Piece, Vol. 76 Eiichiro Oda,2015-11-03 As Luffy and the Straw Hats battle it out with the Doflamingo family, we flash back to the childhood of Trafalgar Law. What made him the man he is today, and what is the cause of the grudge he bears against Doflamingo? -- VIZ Media

Forbidden Fruit 2 Simone Jones,2017-01-19 In light of the love and lustful connections in the first Forbidden Fruit book, everyone was at a climax with their happiness. However in the sequel, Devil's Pie is every character's worst nightmare: those secrets that they've tried so hard to keep have began to unfold. Denial and the desire to not wake up from their love fairy tale will have them fighting to the end--even if it kills them. This suspenseful, dramatic love story finally reveals all answers to the questions that had left readers hanging in the first book.

The Jesus Cult Gary C. Price,2001-10-01 The Jesus Cult is not a book for everyone. It is written for those both inside and outside the Christian camp who diligently seek the truth and liberation that comes from the True and Living God. This book takes the reader into the spiritual depths of the Holy Scriptures to expose the true spirit behind the deception propagated by religious leaders in the church throughout the ages. The reader of this book will get an understanding of the deception of the devil since before the time of Adam and Eve and how this spirit of deception has infiltrated the church. It is not a text for the weak or feeble; only the sharp and discerning will be able to 'hang on' as Pastor Gary C. Price unveils the internal make-up of Christendom around the globe. Sadly, it is glaringly apparent that multitudes of well-meaning Christians and spiritual zealots are bowing down to religious teaching and traditions that keep them soulish and bound to this present world. By exposing this deception, my prayer is that every reader will repent and turn away from this destructive system and onto a Spirit-led journey to establish a true and intimate relationship with Jesus Christ. Throughout the pages of this book you will see your life depicted in one way or another. The Jesus Cult not only reveals the spirit of deception, but also provides Biblical answers for the way of escape. The only way is through Jesus Christ. People, it's time to come out of every facet of the world. For too long, we have trusted in all of these worldly systems, from religion and government, to industry and commerce, to no avail. We must begin, today, to rid ourselves of the soulish anchors that bind us to the religious spirit of the Antichrist. Pastor Price's revelation of The Jesus Cult is bold, courageous and uncompromising. His labor 'in the Word and prayer' before the Throne of God has forged in him a prophetic voice to send a clarion call to God's remnant-wherever they reside throughout all the earth. Have no doubt about it; this book is inspired by the Holy Ghost! Through practical, real-life and everyday experiences the Spirit of God began to open the eyes of this shepherd. As Pastor Price met people on the streets of Atlanta, and dialogued with those who sit on church pews every Sunday, the devil's master scheme of deception was clearly exposed. Once he saw the true light, he has never wavered from preaching an end-time message of truth and power. As men and women have encountered the original Gospel of Jesus Christ, they have come out of these religious settings burdened down with demonic weights that plague their souls. They emerge still bound, hurt, and in need of intense deliverance. I have seen the effects of the Jesus Cult on too many of God's people to question its validity and reality in our culture. I am thankful for the impact that this book will have on your life as well. Jesus comes to set the captive free!

Oranges Are Not the Only Fruit Jeanette Winterson,2007-12-01 The New York Times–bestselling author’s Whitbread Prize–winning debut—“Winterson has mastered both comedy and tragedy in this rich little novel” (The Washington Post Book World). When it first appeared, Jeanette Winterson’s extraordinary debut novel received unanimous international praise, including the prestigious Whitbread Prize for best first fiction. Winterson went on to fulfill that promise, producing some of the most dazzling fiction and nonfiction of the past decade, including her celebrated memoir *Why Be Happy When You Can Be Normal?*. Now required reading in contemporary literature, *Oranges Are Not the Only Fruit* is a funny, poignant exploration of a young girl’s adolescence. Jeanette is a bright and rebellious orphan who is adopted into an evangelical household in the dour, industrial North of England and finds herself embroidering grim religious mottoes and shaking her little tambourine for Jesus. But as this budding missionary comes of age, and comes to terms with her unorthodox sexuality, the peculiar balance of her God-fearing household dissolves. Jeanette’s insistence on listening to truths of her own heart and mind—and on reporting them with wit and passion—makes for an unforgettable chronicle of an eccentric, moving passage into adulthood. “If Flannery O’Connor and Rita Mae Brown had collaborated on the coming-out story of a young British girl in the 1960s, maybe they would have approached the quirky and subtle hilarity of Jeanette Winterson’s autobiographical first novel. . . . Winterson’s voice, with its idiosyncratic wit and sensitivity, is one you’ve never heard before.” —Ms. Magazine

The Ghosts Of Evolution Connie Barlow,2008-08-05 A new vision is sweeping through ecological science: The dense web of dependencies that makes up an ecosystem has gained an added dimension—the dimension of time. Every field, forest, and park is full of living organisms adapted for relationships with creatures that are now extinct. In a vivid narrative, Connie Barlow shows how the idea of missing partners in nature evolved from isolated, curious examples into an idea that is transforming how ecologists understand the entire flora and fauna of the Americas. This fascinating book will enrich and deepen the experience of anyone who enjoys a stroll through the woods or even down an urban sidewalk. But this knowledge has a dark side too: Barlow's ghost stories teach us that the ripples of biodiversity loss around us now are just the leading edge of what may well become perilous cascades of extinction.
