Best iPad Apps Peter Meyers, 2010-12-08 What really wows iPad fans is when their touchscreen

does what's impossible on other gadgets: the finger-painting app that turns a cross-country flight into a moving art class, the mini music studio (two-dozen instruments strong, each with motion-induced warble effects), and the portable fireworks display that you sculpt by swiping. Problem is, with tens of thousands of apps available for your iPad, who knows what to download? You can try to sort through a gazillion customer reviews with a mix of 5- and 1-star ratings, but that's a head-hurting time-waster. The stakes are getting higher, too: instead of freebies and 99-cent trinkets, the price of iPad apps is steadily creeping up and beyond their iPhone predecessors. Best iPad Apps guides you to the hidden treasures in the App Store's crowded aisles. Author Peter Meyers stress-tested thousands of options to put together this irresistible, page-turner of a catalog. Inside these pages, you'll find apps as magical as the iPad itself. Flip through the book for app suggestions, or head directly to one of several categories we've loaded up with best of selections to help you: Get work done Manipulate photos Make movies Create comics Browse the Web better Take notes Outline ideas Track your health Explore the world No matter how you use your iPad, Best iPad Apps will help you find the real gems among the rubble -- so you make the most of your glossy gadget.

**Spin** Lamar Giles, 2019-01-29 Even in murder, the music lives on. When rising star Paris Secord (aka DJ ParSec) is found dead on her turntables, it sends the local music scene reeling. No one is feeling that grief more than her shunned pre-fame best friend, Kya, and ParSec's chief groupie, Fuse -- two sworn enemies who happened to be the ones who discovered her body. The police have few leads, and when the trail quickly turns cold, the authorities don't seem to be pushing too hard to

investigate further. But nobody counted on Paris's deeply loyal fans, ParSec Nation, or the outrage that would drive Fuse and Kya to work together. As ParSec Nation takes to social media and the streets in their crusade for justice, Fuse and Kya start digging into Paris's past, stumbling across a deadly secret. With new info comes new motives. New suspects. And a fandom that will stop at nothing in their obsessive quest for answers, not even murder...

**Overtuned** Lamar Giles, 2017-03-28 What happens in Vegas, stays in Vegas. Especially murder. Nikki Tate is infamous, even by Las Vegas standards. Her dad is sitting on death row, convicted of killing his best friend in a gambling dispute turned ugly. And for five years, he's maintained his innocence. But Nikki wants no part of that. She's been working on Operation Escape Vegas: playing in illegal card games so she can save up enough money to get out come graduation day. Then her dad's murder conviction is overturned. The new evidence seems to come out of nowhere and Nikki's life becomes a mess when he's released from prison. Because the dad who comes home is not the dad she remembers. And he's desperately obsessed with finding out who framed him-and why. As her dad digs into the seedy underbelly of Vegas, the past threatens everything and Nikki is drawn into his deadly hunt for the truth. But in the city of sin, some sinners will do anything to keep their secrets, and Nikki soon finds herself playing for the biggest gamble ever-her life.
