The iPhone Book, Third Edition (Covers iPhone 3GS, iPhone 3G, and iPod Touch) Scott Kelby,Terry White,2009-09-25 If you're looking for a book that focuses on just the most important, most useful, and most fun stuff about your iPhone 3G or 3GS—you've found it. There are basically two types of iPhone books out there: (1) The "tell-me-all-about-it" kind, which includes in-depth discussions on everything from wireless network protocols to advanced compression codes. (2) Then there's this book, which instead is a "show-me-how-to-do-it" book that skips all the confusing techno-jargon and just tells you, in plain, simple English, exactly how to use the iPhone features you want to use most. The iPhone Book is from Scott Kelby, the award-winning author of the smash bestseller, The iPod Book, who takes that same highly acclaimed, casual, straight-to-the-point concept and layout and brings it to learning Apple's amazing iPhone. Scott teams up once again with gadget guru and leading iPhone authority Terry White to put together a book that is an awful lot like the iPhone itself—simple to use and fun to learn. The book's layout is brilliant, with each page covering just one single topic, so finding the information you need is quick and easy, with a large full-color photo on each page so you can see exactly how it works. The first edition of this book was named Best Computer Book of 2007 and, since then, Scott and Terry added even more tips and more tricks, and made it even easier by focusing on just the most useful and most requested iPhone 3G and 3GS features, so you can start really using your iPhone today!

Big Brother Mark Dice,2011-01 In *Big Brother: The Orwellian Nightmare Come True*, Mark Dice details actual NSA high-tech spy systems, mind-reading machines, secret government projects, and emerging artificial intelligence programs that seem as if they came right out of George Orwell's novel *Nineteen Eighty-Four*. Orwell's famous book was first published in 1949, and tells the story of a nightmarish future where citizens have lost all privacy and are continuously monitored by the omniscient Big Brother surveillance system which keeps them obedient to a totalitarian government. The novel is eerily prophetic as many of the fictional systems of surveillance described have now become a reality. Mark Dice shows you the scary documentation that Big Brother is watching you, and is more powerful than you could imagine. - The National Security Agency - Facial Recognition Scanners - Mind Reading Machines - Neural Interfaces - Psychotronic Weapons - Orwellian Government Programs - The Nanny State - Orwellian Weapons - Artificial Intelligence - Cybernetic Organisms - A Closer Look at 1984 - Our Social Structure - The Control of Information - Perpetual State of War - The Personification of the Party - Telescreens - A Snitch Culture - Relationships in Shambles - A Heartless Society - Foreign Countries Painted as Enemies - Power Hungry Officials - An Erosion of the Language - Double Think - And More! Royal Romance Superbundle Boxed Set Blair Babylon,2021-06-21 12 Books. 3 Complete series. 3 Hot-as-heck royal billionaires to knock your socks off. Do you dream about meeting a mysterious man with singular tastes? Or a rising star who will give you the world? How about a man who says he's just an idle rich nobody, but his alter ego is famous? How about all three of those guys, and their stories are interconnected, richly woven, and just more than your average romance novel? Together for the first time! Here's the complete stories of Wulf von Hannover, Theo Valencia, and Alexandre Valentine, all wrapped up in a special boxed set just for you. This special boxed set includes the novels plus the short stories and epilogues for all three series, and they're all in correct reading order. These layered, intricate stories will have you gasping from surprise . . . and more. The chemistry Wulf and Raegan have is amazing and the fact that they are both so stubborn makes their relationship funny at times. The series covers everything from finding out about the good, bad, and ugly of each other to meeting the family. There are raw emotions in these books. ~~Random Musesomy Book Blog This [Theo and Lizzy] series just takes my breath away. Breathless!!!! That's how this book made me feel from beginning to end. It was one of those books I just couldn't put down until some of my questions were answered. I was constantly on the edge of my seat anxiously hoping it would turn out the way I hoped. I had this same sense of anxious excitement from the very first book of this series and it has not left me yet. This is not your typical cliched romance novel, where you can tell practically from the first page what is going to happen. Oh no! This book has you waiting with bated breath to see what happens next. I cannot wait for the next book. Ms Babylon is a genius, who proves every skeptic who says all romance novels are alike, wrong! All I can say is they have never read an erotic romance Blair Babylon style. ~~Karen R. Amazon Review. "Literary GOLD. Of the three BID books I have read thus far, this is by far my favorite. I haven't cried this much about a book in forever! I mean I literally cried through the final 20 pages of Xan & Georgie's book.... I mean I tear up every time just thinking about it. Ever had a book that touches your romantic spirit? Ever had a book that breaks your heart? Ever had a book that touched your musical soul? Well this one does that. ADVICE: Do yourself a favor, and don't read these books out of order. I am glad that I went back and read these books in order." - Just Because, Amazon Reviewer INCLUDES: A Billionaire in Disguise -- Billionaires in Disguise: Wulf #1 A Tycoon Undercover -- Billionaires in Disguise: Wulf #2 A Prince, Incognito -- Billionaires in Disguise: Wulf #3 Billionaire Ever After -- Billionaires in Disguise: Wulf #4 (Stories and Epilogues below) Falling Hard -- Billionaires in Disguise: Lizzy #1 Playing Rough -- Billionaires in Disguise: Lizzy #2 Breaking Rules -- Billionaires in Disguise: Lizzy #3 Burning Bright -- Billionaires in Disguise: Lizzy #4 "Alwaysland" -- Billionaires in Disguise: Xan Prequel Every Breath You Take -- Billionaires in Disguise: Xan #1 Wild Thing -- Billionaires in Disguise: Xan #2 "Skiing in

Ghettonation Cora Daniels,2008-09-09 From the Introduction: ghet-to n. (Merriam-Webster dictionary) Italian, from Venetian dialect ghèto island where Jews were forced to live; literally, foundry (located on the island), from ghetàr, to cast; from Latin jactare to throw 1: a quarter of a city in which Jews were formerly required to live 2: a quarter of a city in which members of a minority group live, especially because of social, legal, or economic pressure 3a: an isolated group a geriatric ighetto/i" bb: ghet-to adj. (twenty-first-century everyday parlance) 1a: behavior that makes you want to say "Huh?" b: actions that seem to go against basic home training and common sense 2: used to describe something with inferior status or limited opportunity. Usually used with "so." That's so ighetto/i" ; He's so ighetto/i" brb3: As current and all-consuming as "ghetto" is in these days of gold teeth, weaves (blond and red), Pepsi-filled baby bottles, and babymamas, ghetto has a long history. The original ghetto was in the Jewish quarter of Venice, a Catholic city. Before it became the Jewish quarter, this area contained an iron foundry or ghèto, hence the name. These days, ghetto no longer refers to where you live, but to how you live. It is a mindset, and not limited to a class or a race. Some things are worth repeating: ghetto is not limited to a class or a race. Ghetto is found in the heart of the nation's inner cities as well as the heart of the nation's most cherished suburbs; among those too young to understand (we hope) and those old enough to know better; in little white houses, and all the way to the White House; in corporate corridors, Ivy League havens, and, of course, Hollywood. More devastating, ghetto is also packaged in the form of music, TV, books, and movies, and then sold around the world. Bottom line: ghetto is contagious, and no one is immune, no matter how much we like to suck our teeth and shake our heads at what we think is only happening someplace else... From an award-winning journalist and cultural commentator comes a provocative examination of the impact of "ghetto" mores, attitudes, and lifestyles on urban communities and American culture in general. Cora Daniels takes on one of the most explosive issues in our country today in this thoughtful critique of America's embrace of a ghetto persona that demeans women, devalues education, celebrates the worst African American stereotypes, and contributes to the destruction of civil peace. Her investigation exposes the central role of corporate America in exploiting the idea of ghetto-ness as a hip cultural idiom, despite its disturbing ramifications, as a means of making money. She showcases Black rappers raised in privileged families who have taken on the ghetto persona and sold millions of albums, and non-Black celebrities, such as Paris Hilton, who have adopted ghetto attitudes and styles in pursuit of attention and notoriety. She explores, as well, her own relationship to the ghetto and the ways in which she is both part of and outside the Ghettonation. Infused with humor and entertaining asides—including lists of events and people that the author nominates for the Ghetto Hall of Fame, and a short section written entirely in ghetto slang—Ghettonation is a timely and engrossing report on a controversial social phenomenon. Like Bill Cosby's infamous, much-discussed comments

about the problems within the Black community today, it is sure to trigger widespread interest and heated debate.

Caged Spirits John Joseph Stanley, 2015-07-09 Los Angeles County Sheriffs Lieutenant Gary Conner leads an idyllic life with his wife, Gwen, and their beautiful daughter, Jennie. On a usual day, something unusual happens: seven-year-old Jennie decides its finally time to ride her bike. This leads to tragedy as Jennie is struck and killed, leaving Gary and Gwen to drown in sorrow. To dull their pain, Gary takes a position far from home as the captain of a county jail in northern New Mexico. His detention center appears to have an inordinate number of problems. Then, with reports of a man who walks through walls, Gary realizes he deals not only with human criminals but dark, tormented powers of the supernatural variety. The ghosts at Garys jail are on both sides of the bars. They are caged spirits, held not by metal and mortar alone. Gary must find a way to resolve ancient battles or risk losing everything he holds dear. His own pain and the pain of his wife keep them caged, as well, but by setting the jails spirits free, he might free his heart and hers before its too late.
