Cringe at the forced poses, bad hair, and matching outfits--all prompting us to look at our own families and celebrate the fact that we’re not alone. Nothing says awkward better than an uncomfortable family photograph!

Build Fun Paper Cameras Justin Quinnell,2009 Even in the age of digital, we can have plenty of creative fun the low-tech (and low-cost) way: by building cool paper cameras and exploring the fascinating world of pinhole photography. Justin Quinnell takes photography back to its roots by demonstrating how to create attractive pinhole cameras which actually work. Instead of a lens, these cameras have a very tiny hole that focuses every point of light passing through it onto paper, thus imprinting the image permanently. A CD-ROM, included with the book, contains seven templates for making the cameras; the guide provides directions and advice on shooting successful, artistic pinhole photographs in many different conditions. Both beginning and experienced photographers will find these eye-opening.--Global Books in Print.

**Decked with Holly** Marni Bates, 2011-10-24 The author of *Awkward* presents a holiday tale of one teenage girl who is about to go way out of her comfort zone—and into the arms of a rockstar . . . Spending Christmas vacation on a cruise with her two cousins from hell isn't Holly Dayton's idea of a good time. And when in a moment of seasick-fueled desperation she lurches into an open suite—she's greeted with an eyeful of pepper spray. The culprit? A gorgeous guy calling himself Nick. But when Holly goes to make her exit, she gets the shock of her life: a corridor crammed with screaming teenage fans. Because Nick just happens to be Dominic Wyatt, drummer for ReadySet—one of the hottest bands in America. Suddenly rumors are swirling, and Holly's face is captured on countless phones and plastered all over the Internet. But the band can't risk a scandal destroying their family-friendly image, so Dominic convinces Holly to be his fake girlfriend—just for two weeks. How bad could it be to be fauxmantically involved with one of the cutest rockstars on the planet? Holly's about to find out . . . Praise for Marni Bates and *Decked with Holly* “Fans of Meg Cabot will find Marni's voice equally charming and endearing.” —Julie Kagawa, *New York Times*—bestselling author “This book may have the funniest ‘meet cute’ episode I have ever read. Those looking for a humorous and light read that is tinged with romance, then *Decked with Holly* will not disappoint.” —Word Revel
