**Hoops Nation** Chris Ballard,2004-09-30 Looking for a game? Here's your guided tour of the country's best pickup basketball courts, from the blacktops of Brooklyn to the asphalt of Anchorage to the gyms of Jackson, Mississippi. It's all inside: where the pros play, the most scenic runs in the land, and a ranking of the top five courts. ø Chris Ballard and three other former college players piled into a used Chevy van and traveled thirty-one thousand miles in seven months, playing at over a thousand courts in 166 cities in forty-eight states. This is the story of their roundball road trip and a guide to the places, people, and communities they encountered. ø More than a travel guide, Hoops Nation is a celebration of the game of basketball as it is played in America. It includes guides to streetball fashion, the lingo of the courts, the etiquette of the pickup world, the tricks of old-guy basketball, and tips for the dunking impaired. Also included are profiles of playground legends and dispatches from the legions of basketball lifers who populate the country's courts. ø This book can tell you where they're running today, all over America. Who's got next?

*Hoops of Steel* John Foley,2010-09-08 Basketball is Jackson O'Connell's life. Playing hoops helps Jackson forget his volcanic zits, crippling girl shyness ... and an alcoholic father who tore his family apart. When team politics keep him off the starting lineup, Jackson's self-confidence plummets like an airball. Jackson must learn how to rebound ... and start shooting from the heart.

**The Albuquerque Turkey** John Vorhaus,2013-08-03 After their last big con netted them a nice chunk of change, Radar Hoverlander and his grifter girlfriend, Allie Quinn, have vowed to go straight. But Radar's fragile commitment to clean living is put to the test when an oddly hefty lady in red shows up and stalks him through the streets of Santa Fe. Except that's no lady—it's Radar's dad, Woody Hoverlander, a world class con artist in his own right. Radar correctly figures if his dad is in drag, he must be in trouble. Woody is on the lam, with a Vegas hard guy after him and a large debt to clear. To help him, Radar must break his vow to leave cons behind—and risk losing Allie, who is determined to protect their nest egg and steer clear of bad influences. Radar's best pal, the usually hapless Vic Mirplo, had started creating art as a con, but now he's coming into money as his sculptures start to sell. When Radar needs someone to flash some cash in Vegas and play the reckless gambler so that he can get his father off the hook, he reinvents Mirplo as the ultimate high roller--the Albuquerque Turkey--and dangles him as bait. Art fraud, casino cons, love, loyalty, and plenty of double- and triple-crosses...they all prove that the odds of what happens in Vegas staying in Vegas are about as long as Radar Hoverlander staying straight.

*Hoops* Patricia McLinn,2015-01-02 ♥ Slam dunk? Not in their season of desire ♥ \*\* RITA Finalist \*\* Fast-paced and funny but soulful and deep.... Just right. That's what I thought of Hoops. -- 5-star review The Coach and the Professor... Carolyn Trent's logically mapped journey to becoming the perfect professor of English is hijacked the day she is appointed academic advisor to the Ashton University men's basketball team. Especially when she meets C.J. Draper, a former pro player now the team's infuriating, irreverent, and sexy new coach, and discovers he's the hijacker of her careful plans. She thoroughly disapproves of her beloved Ashton's jump to big-time basketball, but how can she say no to safeguarding the academic progress of the players? As for saying no to the coach . . . surely she'll get better with more practice. And there will be plenty of practice, because they'll have to work together all seasons for the benefit of the players. C.J. has never let adversity stop him — if he had he'd never have gotten this far. He's not about to start by letting enticing Professor Trent derail him. He has goals. Ashton's small-town campus is just one rung on his ladder up. If he chooses to rattle Carolyn's ivory tower, it's for the fun of seeing the fiery woman beneath the marble-cool exterior . . . isn't it? When logic clashes with ambition in the game of love, will anyone win? Hoops, Book 6 in USA Today bestselling author Patricia McLinn's The Wedding Series, also introduces you to a younger version of Brad . . . before the all-grown-up Brad, now an assistant coach, volunteers to be Katie's improbable knight in The Surprise Princess. *Underbelly Hoops* Carson Cunningham,2012-01-16 UNDERBELLY HOOPS covers Carson Cunningham's final season in the storied and now defunct Continental Basketball Association (CBA). In the process, it takes a sober look at minor league professional basketball, as Cunningham tries to navigate a poor relationship with his coach and yet finish his career on his own terms by playing a final season and winning a championship. As UNDERBELLY HOOPS shows, the CBA was a realm where hopeful players desperately hung on and crusty motels might very well have no clocks. It was a place where a trainer could be ordered to fill the visiting team's cooler with warm shower water and a coach might tell a player (namely, Cunningham) that he was focusing too much on his marriage and child rather than basketball. It was also a place where entire hotel wings could become saturated with the pungent smell of marijuana. And yet, even as it chipped away at your dignity and made little economic sense to remain, the CBA drew you in with the allure of action and the prospect of an NBA call-up. And it could inspire, like when you and your teammates caught a rhythm that made you remember why basketball is such a beautiful game, or when you saw guys continue to strive, to persevere, even if their dreams weren't fully realized. The hoops answer to Ball Four. By turns funny and poignant—and always self aware—this book allows fans into the locker room and huddle, yes, but also into the cortex of a professional basketball player. If Carson Cunningham could have jumped, run and created his shot off the dribble as masterfully as he writes and observes, he'd be starring in the NBA. —L.
